4. Settlement

5. Select Compound

6. Ask the head of compound: do you agree to participate to this survey?

Choose one response

- Agree
- Don't Agree If this response, jump to 52

7. Does the compound have at least one child > 3 months to 10 years of age? (Y or N)

Choose one response

- Yes
- No If this response, jump to 52

8. Was the compound visited by the Community Health Worker last week? (Y or N)

Choose one response

- Yes If this response, jump to 11
- No

9. If No to previous question: are there children 3–59 months living in this compound? (Y or N)

Choose one response

- Yes
- No If this response, jump to 52

10. If Yes to previous question: how many children 3–59 months live in this compound?

The answer must be > 1 and < 70

11. How many households are there in this compound?

The answer must be > and < 70

12. How many children 3–59 months live in this compound?

The answer must be > and < 50

13. How many children between 5 and 10 years live in this compound?

The answer must be > and < 50

14. How many of these children were 3–59 months AND treated with SMC when the CHWs visited the household? (recall)

The answer must be > and < 50

15. How many of these children were >5 to 10 years of age AND treated with SMC when the CHWs visited the household? (recall)

The answer must be > and < 50

The answer must be > and < 70

17. How many cards are for children 3–59 months?

The answer must be > and < 50

18. How many cards are for children > 5 to 10 years of age?

The answer must be > and < 50

**19. Was any of your children under 5 years of age sick with fever within the last month?
(Y or N)**

Choose one response

– Yes

– No If this response, jump to 23

20. If Yes, how many?

The answer must be > and < 50

21. Did you bring / send them to the health center? (Y or N)

Choose one response

- Yes If this response, jump to 23

- No

22. If No, why not? (record all responses given by different people)

Choose all that apply

- Health center too far

- Health services too expensive

- Child got better

- Went to local healer

- Any other reason

23. Do you children sleep under a mosquito net? (Y or N)

Choose one response

- Yes If this response, jump to 25

- No

24. If No, why not? (record all responses given by different people)

Choose all that apply

- Causes heat

- Disruption of sleeping arrangements

- Net is damaged

- Forgetfulness

- Net temporarily unavailable

- Too expensive

- Any other reason

25. At any time in the past 12 months has anyone sprayed the interior walls of your

dwelling against mosquitoes ? (Y or N)

Choose one response

- Yes
- No

26. Select one household that has at least a child 3–59 months at random within the compound, and ask the following questions for one child at a time

27. Was the child treated? (recall)

Choose one response

- Yes If this response, jump to 32
- No

28. If N, why not?

Choose one response

- Child/Absent during the visit If this response, jump to 30
- Caregiver and child not home during the visit If this response, jump to 30
- Refused to take the malaria drugs for the child
- Household not visited at all by the CHW If this response, jump to 30
- Child was sick If this response, jump to 30
- Child allergic to the medicine If this response, jump to 30
- Any other response If this response, jump to 30

29. If Refusal, why?

Choose one response

- Husband not at home to give permission
- Any other response
- Husband refused
- Medicine dangerous

30. Have you ever heard of SMC before?

Choose one response

- Yes
- No If this response, jump to 51

31. If Y, where / from whom / what channel? (select one or more options, and always click CHECK at the end.

Choose all that apply

- Any other response
- Health worker
- Community health worker / distributor
- Local Leader / Village Chief
- Religious leaders (church/mosque)
- Town announcers
- Radio
- Television
- Printed materials
- CHECK If this response, jump to 51

Choose one response

- Yes If this response, jump to 34
- No

33. If N, why not?

Choose one response

- Caregiver lost or misplaced card
- Caregiver claims card was not given
- Any other response

34. Can you confirm if the CHW/distributor did administer the first dose to the child? (Y or N)

Choose one response

- Yes
- No

35. Have you (caregiver) given Day 2 medicine to your child/children? (Y or N)

Choose one response

- Yes If this response, jump to 37

- No

36. If N, why not?

Choose one response

- Didn't know had to give

- Blister lost

- Any other response

37. Have you (caregiver) given Day 3 medicine to your child/children? (Y or N)

Choose one response

- Yes If this response, jump to 39

- No

38. If N, why not?

Choose one response

- Didn't know had to give

- Blister lost

- Any other response

39. Ask to see blister: present? (Y or N)

Choose one response

- Yes

- No If this response, jump to 42

40. Are there tablets remaining in the blister?

Choose one response

- Click if 0 tablets If this response, jump to 42

- Click if 1 or more tablets

41. Why didn't you give this/these tablet(s)?

Choose one response

- Didn't know had to give

- Forgot

- Any other response

42. Did you hear about SMC before being visited by CHWs? (Y or N)

Choose one response

- Yes
- No If this response, jump to 44

43. If Y, where / from whom / what channel?

Choose all that apply

- Any other response
- Health worker
- Community health worker / distributor
- Local Leader / Village Chief
- Religious leaders (church/mosque)
- Town announcers
- Radio
- Television
- Printed materials

44. Can you tell for what disease is this treatment?

Choose one response

- Any other response
- Malaria

45. Did any of your children react to this medication after giving them? (Y or N)

Choose one response

- Yes
- No If this response, jump to 51

46. If Yes, specify which reaction.

Choose all that apply

- Vomiting
- Diarrhea

- Rashes
- Itching
- Yellow eyes
- Drowsiness / sleepiness
- Fever
- Loss of appetite
- Any other response

47. If Vomiting, did caregiver ask for replacement AQ tablet to CHW or health worker? (Y or N)

Choose one response

- Yes If this response, jump to 49
- No
- N/A (if reaction other than vomiting) If this response, jump to 49

48. If N, why not?

Choose one response

- Didn't know this was an option
- CHW/HW too far
- Any other reason

49. Did you report the reaction? (Y or N)

Choose one response

- Yes If this response, jump to 51
- No

50. If N, why not?

Choose one response

- Didn't know this was an option
- CHW/HW too far
- Any other reason

51. Is the house marked by the Community Health Worker? (Observed, Y or N)

Choose one response

- Yes

- No

52. The End - Next Compound.
