To protect students' confidentiality, we are not reporting data in schools with fewer than 5 students tested in a particular group.

Note: these students' scores are included in the district and city totals.

NOTE: In 2006-2007, the New York State Education Department updated its testing policy for English Language Learners. ELLs who have attended school in the US for more than one year must take the ELA exam. Previously, ELLs in an English school system for less than 3 years (or qualified for a 4th or 5th year extension of services) were exempt from taking the ELA.
