

Archeologists

Kids.gov: <http://go.usa.gov/cjaXR> | YouTube: <https://youtu.be/4BXkL5nba40>

1. What is the most important part of Archeology?
2. What are some kinds of tools archeologists use in digs?
3. How does a screen work?
4. What are some items archeologists found while digging at Best Farm?
5. What features helped archeologists find out when the large cent coin was made?
