

HOW CAN I REQUEST A GROUP TRAINING KIT?

DPR provides free group training kits for schools and child care centers to meet the Healthy Schools Act training requirement. Courses include information about integrated pest management, the proper use of pesticides at schoolsites, and the Healthy Schools Act. Each course is a stand-alone course, and only one course needs to be taken annually to meet the training requirement. Let us know if you would like to receive a training kit and we will mail it to you!

Want a group training kit?

Email us at school-ipm@cdpr.ca.gov or ccipmlist@cdpr.ca.gov, and include:

- The name of your school or child care center
- The mailing address of your school or child care center

It takes roughly 1–2 weeks for kits to arrive. In order to receive your training kit ahead of your scheduled training, please contact us 3–4 weeks in advance.

What's included in the group training kit?

- 2 DPR courses in English and Spanish
- Instructions
- Quizzes and Quiz Key
- Certificates
- Sign-in sheets
- Other training materials

Our group finished the training, now what?

Once you complete the training course of your choice, send us a copy of the sign-in sheet so we can keep a record on file.

- Scan the complete sign-in sheet
- Email it to school-ipm@cdpr.ca.gov or ccipmlist@cdpr.ca.gov
