## HEALTHY TRIBES RESOURCE DIGEST

Welcome to Centers for Disease Control and Prevention's (CDC) tribal resource digest for the week of February 1, 2021. The purpose of this digest is to help you connect with the tools and resources you may need to do valuable work in your communities.

### Announcements

#### **CDC/ATSDR Extends Recruitment from Nashville, Phoenix, and Tucson Areas for Tribal Advisory Committee**

The Centers for Disease Control and Prevention (CDC) and the Agency for Toxic Substances and Disease Registry's (ATSDR) Tribal Advisory Committee (TAC) is currently recruiting delegates for the Nashville Area, Phoenix Area, and Tucson Area to increase Tribal health, wellness, and inclusion by providing CDC/ATSDR input and guidance on policies, programs, and priorities. The deadline to submit nomination letters has been extended to February 12, 2021. To access the Dear Tribal Leader Letter, TAC eligibility criteria, and a nomination letter sample, Nominations extended to Friday, February 12, 2021. Read more [here](#).

#### **Call for Presentations for the Tribal Leader/Scholar Forum**

Hosted by the National Congress of American Indians Policy Research Center. The forum will be held June 20-24. Read more [here](#).

**Deadline: February 5, 2021**

#### **Scholarship: Udall Undergraduate Scholarship for American Indians and Alaska Natives**

The Morris K. Udall and Stewart L. Udall Foundation offers financial assistance to American Indian and Alaska Native undergraduate students pursuing careers related to Tribal public policy, native healthcare and the environment. Read more [here](#).

**Deadline: March 2, 2021**

#### **Seventh Generation Fund for Indigenous Peoples**

Grants provide funding to native community-based projects in several different areas. Amount of funding up to \$50,000 depending on program type. Read more [here](#).

#### **NW NARCH Tribal Researchers' Cancer Control Fellowship Program**

The overall goal of the Tribal Researchers' Cancer Control Fellowship Program is to reduce cancer incidence and mortality and improve cancer survival in tribal communities through the efforts of AI/AN researchers. This fellowship program offers training and mentorship to prepare researchers to design and implement cancer-related research projects within AI/AN communities. Costs associated with the training, including travel, will be covered. Attachments in email. For more information contact Ashley Thomas at [athomas@npaihb.org](mailto:athomas@npaihb.org).

**Deadline: June 6-18, 2021**
