What is a SELPA?

(Special Education Local Plan Area)

Each SELPA must have an Administrative Unit (responsible local agency) for ensuring every eligible child receives appropriate services. The Administrative Unit for the Napa County SELPA is the Napa County Office of Education.

Even though there are many organizational structures for a SELPA, all SELPAs have the same basic goal: To deliver quality special education programs and services to the students with disabilities in the most effective, efficient, and cost-effective manner practical.
