

INTRODUCTION TO UNIVERSAL DESIGN FOR LEARNING

Universal Design for Learning (UDL) eliminates barriers in the design of the learning environment and makes curriculum accessible to all students

UDL: Teaching to Learner Variability

Date & Time

Contact Jill Barnes at
jbarnes@napacoe.org
to schedule customized staff training

Location

On Site
OR
Napa County Office of Education
2121 Imola Avenue
Napa CA 94559

Cost: Contract for customized services

WORKSHOP OBJECTIVES

- * Understand the underlying principles of UDL
- * Understand the basic neuroscience to reach all learners
- * Explore & use UDL principles for designing instruction to meet student needs
- * Engage in professional conversations around UDL applications across classrooms
