eSailing Certified Player Status

What is the Certified status?

It is a recognition of a certified level of eSailor. It protects the username and makes the eSailor visible within the game with a tick icon.

In order to be certified, a player must verify three criteria:

1. Have a World Sailing 'Sailor ID'
2. Register with a real name eg. 'Ben Ainslie' or allow it to be changed
3. Fit a minimum of one of the competitive criteria stated below

Competitive Criteria

- Any Olympian
- Any America's Cup sailor
- Podium at one of the World Sailing Special Events (current and previous year) - Ocean Race, SailGP, SSL, WMRT
- Champion at one of World Sailing's Class World Championships (current and previous year)
- Finalist of an eSailing World Championship (current and previous year)
- Official eSailing National Champion (current and previous year)

Advantages

What are the advantages of the Certified status?

- Blue Tick recognition
- Online Biography and Photo
- Links to Social Networks (or equivalent)
- A free VIP subscription and all associated benefits

The status must be requested by the eSailor in Virtual Regatta Inshore. You will receive a response within 30 days. The player is certified for one year (anniversary date of certification). To have a chance to be renewed the eSailor must renew every year and play regularly. Virtual Regatta may give verified status automatically.
