

PEER SUPPORT PROGRAM DEVELOPMENT VIRTUAL TRAINING

NAPA COUNTY OFFICE
OF
EDUCATION

Tuesday, October 19th 8:30-3:30

For: Agencies, Organizations, Community Groups, Schools, Families, and the Workplace

Overview:

This training is designed for adults who work with youth in peer support and leadership programs. Peer support programs provide social-emotional support, prevention, education, intervention, and referral services to individuals by training same-age "Peer Supporters" in communication, self-awareness, decision-making and other assistance skills.

This training is designed to support:

- Train adults that lead peer support and leadership programs
- Implement the foundational elements of building a peer support programs
- Implement the daily nuts & bolts of running a peer support programs
- Develop and use curriculum
- Bolster existing youth programs
- Interweave restorative practices and conflict resolution

Our Trainer: Hilary Roberts M.Ed.

Hilary Roberts, Founder and Executive Director of Peer Advocates Training and Consulting and author of Peer Advocates in Action, is a much sought-after Trainer, Consultant, Conference Presenter, and Curriculum Developer specializing in Transformative Education. The focus of her expertise is to help public and private organizations to rethink and reshape organizational and personal culture, climate, communication and collaboration practices, and disciplinary responses.
