The agreement is effective for activities with a start date of Oct. 1, 2019 through Sep. 30, 2021. Credit cannot be retroactive.

Only activities certified for EBAC External CME credit in the following categories are eligible for conversion:

- Live events (oral presentations with simultaneous presence of the audience)
- E-learning (other CME/CPD presentations including print media, CD-ROM, internet, e-books)
- Micro e-learning (point-of-care decision support and educational units of less than 60 minutes duration)

Please note that processing fees paid to the AMA for credit conversion are non-refundable.

Visit the [EBAC calendar](#) on their website to ensure the activity was certified for EBAC External CME credit. There are separate tabs for various activity types, and for live events you will need to check the box to display archived events (past programs).

A separate application and processing fee are required for each activity submitted.

Please submit the following documents for each application:

- Completed EBAC credit conversion application form with payment information included.
 - A copy of the certificate of attendance or CME certificate from the EBAC approved activity.
- Certificates will be completed within **4 business weeks** from the received date of the application.

Non-physician health professionals and other participants may not be awarded *AMA PRA Category 1 Credit™*. Such persons will instead receive a certificate of participation.

To receive your certificate, you will need to log in or create a free AMA account. AMA membership is not required. If you already have an AMA account, please use the email associated with that account. If you do not have account, please use an email that you want associated with your account.
