

President's Award for Outstanding Assistant Supervisor

This award aims to celebrate and recognise the valuable contribution that postdocs make towards the supervision of students at the College. Eligible nominees are Postdocs who have completed the College's [mandatory training for assistant supervisors](#), who are fulfilling the [roles and responsibilities of an assistant supervisor](#) and individuals who are within the first 10 years (full-time equivalent) of their postdoctoral research activity (counted from viva date) - note that career breaks are allowed and will be accounted for.

Evidence should be provided which demonstrates how the nominee:

- is approachable and supportive
- welcomes and facilitates an inclusive working environment
- provides effective feedback

Proposers will also be asked to comment on the overall impact of the nominee's supervision.

Up to 3 attachments can be provided. It is suggested that one of these is a statement from student(s) who have been supervised by the nominee.
