## [MSc Matters] Offer-holders Newsletter #02

### Introduction

The purpose of our newsletters is to keep you informed in the run-up to the start of the MSc programme for which you are currently holding an offer.

We understand that you will be both excited and anxious, and we will do our part to ensure that you are kept informed as we progress through the months ahead.

If there are any topics which you would like us to cover in future newsletters, please let us know by completing this short survey:

### COVID-19: updates for offer holders

We hope that by the time you join us in autumn 2021 many of the major pandemic restrictions will have been lifted. The College is working to ensure that we have contingency plans in place for all possible scenarios; these will be shared with you as they evolve.

Our COVID-19 webpages are regularly updated so please do add the following page to your favourites and check back for future updates.

### Scholarship Updates

Except for the following clusters where outcomes are still pending:

#### Fluid Mechanics

- Equinor Scholarships

#### Geotechnics

- Industrial Bursary Fund

#### Transport

- Rees-Jeffreys Road Fund (externally managed)

all successful award recipients and reserve candidates for the Department-administered Scholarships within the Materials, Environmental/Hydrology and Structural Engineering programmes have now been notified by email. All current scholarships have been allocated. If you have not received an email confirming an award (or reserve, your application has been unsuccessful. You may wish to review the following for alternative sources of funding.

If the above outcome impacts your ability to take up your place on the MSc, please do let us know, or review “Declining our offer” below.

### **Declining our offer**

If you are no longer able to take up your place on the MSc programme, please complete the following simple form, <https://forms.office.com/r/jSb2NRvHsh> and where applicable, your place will be offered to a waitlisted candidate.

### **Calculating expenses**

Given the variables of life in London, particularly related to accommodation, we do not provide a detailed annual expenses structure. There are several resources for self-assessment of the costs associated with your study:

You can compare costs across accommodation options on [Accommodation website](#).

A rough guide to what you might expect to spend to live in reasonable comfort in London is available on [Fees and Funding website](#).
