Block Editor UI

The screenshot displays the WordPress Block Editor interface. At the top, there is a navigation bar with icons for adding blocks, undo, redo, help, and a menu. On the right side of the top bar, there are buttons for 'Entwurf speichern', 'Vorschau', and 'Veröffentlichen', along with settings and utility icons.

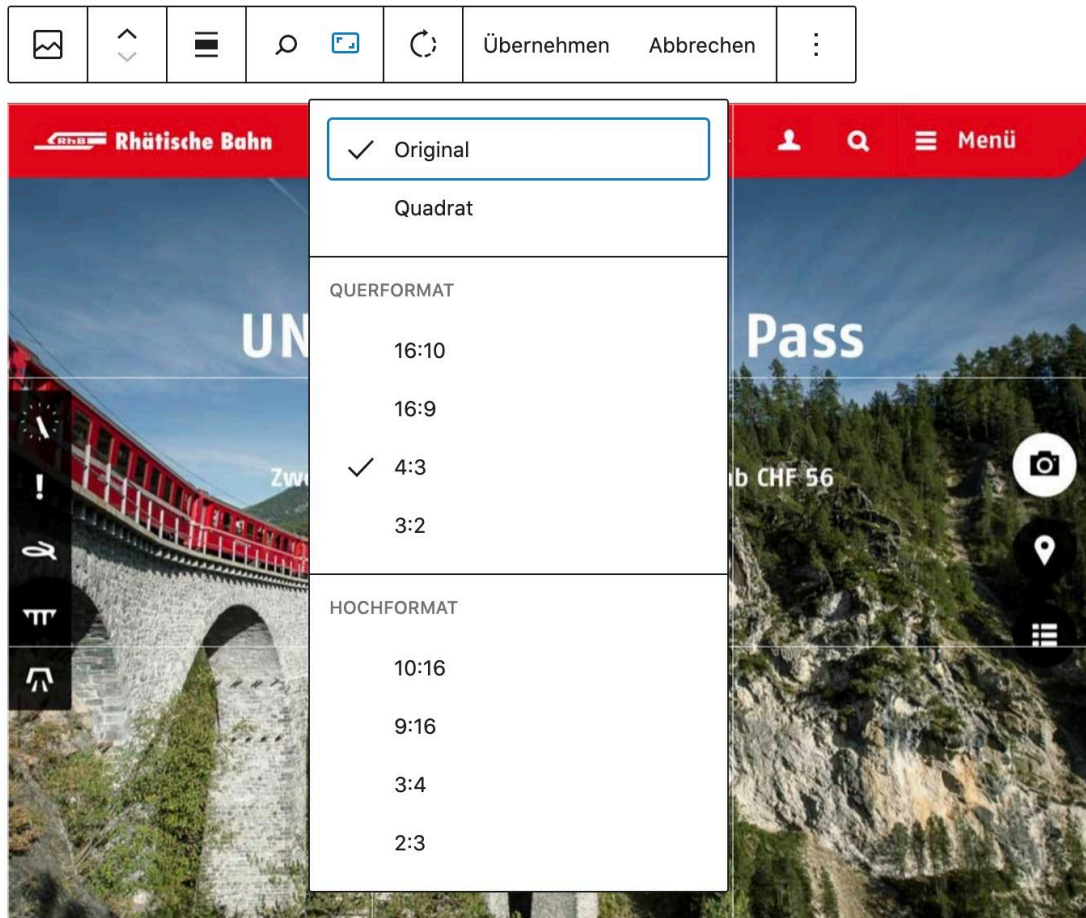

On the left side, there is a sidebar with a search bar labeled 'Suche nach einem Block'. Below it are two tabs: 'Blöcke' (selected) and 'Vorlagen'. Under the 'Blöcke' tab, there are two sections: 'TEXT' and 'MEDIEN'. The 'TEXT' section contains icons for 'Markdown', 'Absatz', 'Überschrift', 'Liste', 'Zitat', 'Code', 'Classic', 'Vorformatiert', 'Pullquote', 'Tabelle', and 'Vers'. The 'MEDIEN' section contains icons for 'Bildervergleich', 'Diashow', and 'Gekachelte Galerie'.

The main editing area shows a text block titled 'Test' with the text 'on the 14th September 2019.' A toolbar above the text contains icons for list, indent, align, bold, link, and more options. Below the text is a list of links:

- [Backups – Verschiedene Wege der Umsetzung](#)
- [DSGVO – Leitfaden für die Praxis](#)
- [Website Gesundheitskontrolle – Wie überprüfe ich ob es meiner Website gut geht?](#)
- [Do it yourself – The User Testing Toolbox](#)
- [Warum ich meine WordPress-Seite \(doch\) nicht selber gebaut habe](#)

Below the list is a prompt: 'Schreib etwas oder tippe „/“ zur Blockauswahl'. At the bottom of the main area, there is a preview of a website header for 'Rhätische Bahn' with a red navigation bar and a main banner for 'UNESCO Welterbe Pass «2für1»' with the text 'Zwei Personen – zwei Tage freie Fahrt ab CHF 56'.

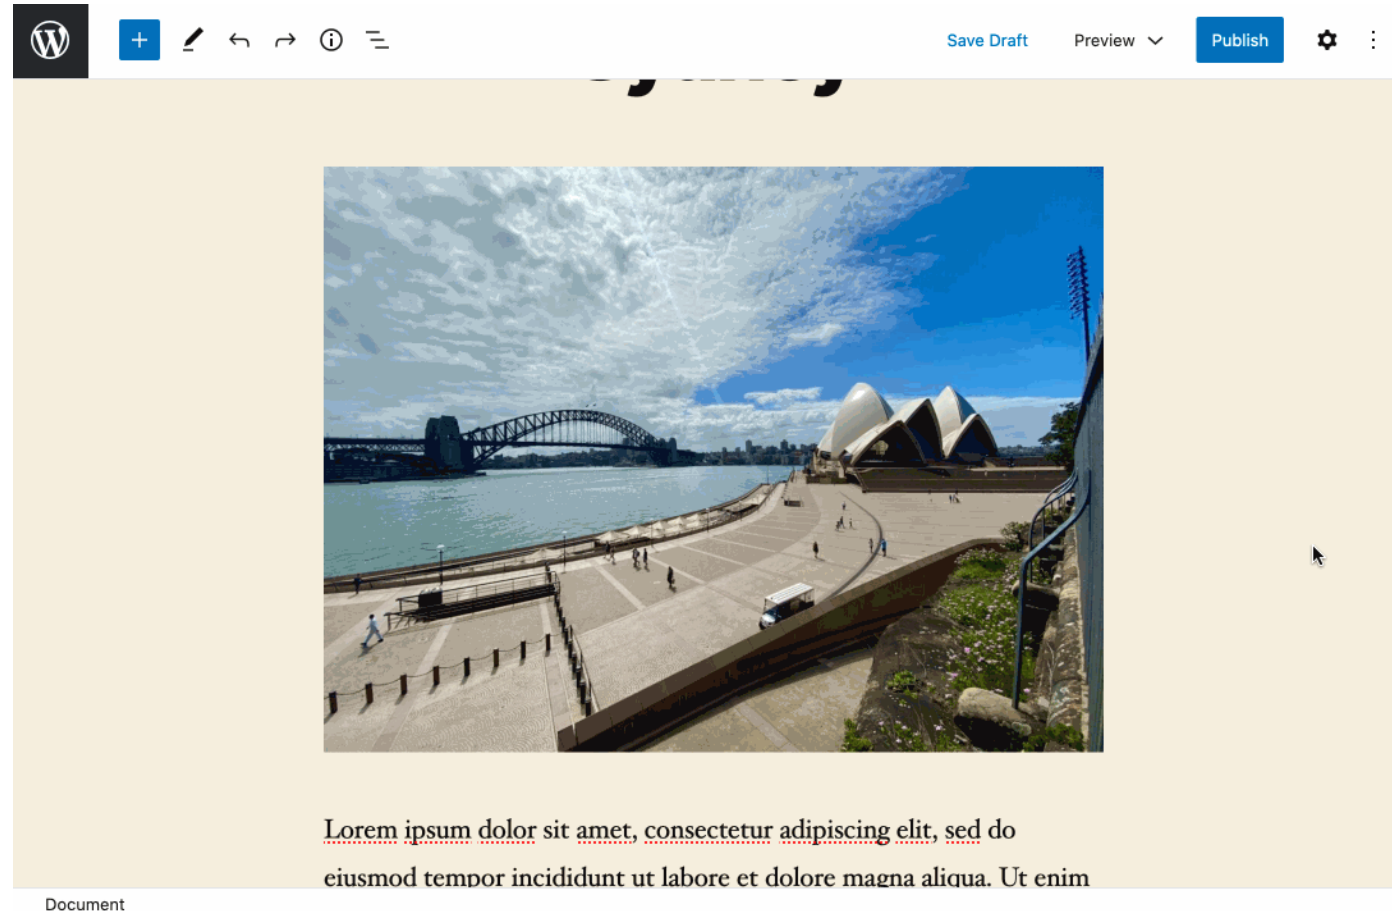

On the right side, there is a settings sidebar with tabs for 'Dokument' and 'Block'. The 'Block' tab is active and shows settings for 'Neueste Beiträge', 'Einstellungen für Beitragsinhalte', 'Beitrags-Meta-Einstellungen', 'Beitragsbild-Einstellungen', and 'Sortieren und filtern'. The 'Neueste Beiträge' section has a toggle for 'Beitragsinhalt'. The 'Beitrags-Meta-Einstellungen' section has toggles for 'Autoname anzeigen' and 'Beitragsdatum anzeigen'. The 'Beitragsbild-Einstellungen' section has a toggle for 'Beitragsbild anzeigen'. The 'Sortieren und filtern' section has a dropdown for 'Reihenfolge von' set to 'Neu nach Alt' and a text input for 'Kategorien'.

Bilder zuschneiden und platzieren

The screenshot displays the WordPress editor interface. At the top, there is a dark navigation bar with the WordPress logo, a plus sign, and several icons for editing and navigation. To the right of these icons are buttons for 'Save Draft', 'Preview', and 'Publish', along with a settings gear icon and a vertical ellipsis. The main content area has a light beige background. In the center, a large photograph is displayed, showing a wide view of the Sydney Harbour Bridge and the Sydney Opera House across the water. The sky is blue with scattered white clouds. Below the photograph, there is a block of placeholder text: 'Lorem ipsum dolor sit amet, consectetur adipiscing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua. Ut enim'. At the bottom left of the editor, the word 'Document' is visible.

The screenshot displays the WordPress Gutenberg editor interface. At the top, there is a navigation bar with icons for adding blocks (+), editing (pencil), undo (left arrow), redo (right arrow), help (i), and a menu (three lines). On the right side of the navigation bar, there are buttons for "Save Draft", "Preview", "Publish", and a settings gear icon. The main editing area has a light beige background and contains a document block with a moon emoji at the top center. Below the emoji, the text of a poem is displayed in a serif font, with each line of the poem on a new line. The right sidebar shows the "Document" block selected, with various settings such as "Status & visibility", "Visibility" (set to Public), "Publish" (set to Immediately), and checkboxes for "Stick to the top of the blog" and "Pending review". Other settings like "Permalink", "Categories", "Tags", "Featured image", "Excerpt", "Discussion", and "Post Attributes" are also visible in the sidebar.

Document

I see the bad moon a-rising
I see trouble on the way
I see earthquakes and lightning
I see bad times today

Don't go around tonight
Well, it's bound to take your life
There's a bad moon on the rise

I hear hurricanes a-blowing
I know the end is coming soon
I fear rivers overflowing
I hear the voice of rage and ruin

Video Position anpassen

The image shows a video player interface. On the left is a video frame with a semi-transparent dark overlay. The word "Bunny" is written in white text in the center of the frame. A small blue circle is visible at the bottom center of the video frame. On the right is a "Media settings" panel. It has a title "Media settings" with an upward-pointing chevron icon. Below the title is the section "Focal point picker". This section contains a smaller video frame showing the same bunny, but with a blue circle around its eye and a mouse cursor pointing at it. Below the focal point picker are two input fields for "Position": "Left" with a value of "51" and a percentage sign, and "Top" with a value of "71" and a percentage sign. At the bottom right of the panel is a button labeled "Clear Media".
