PAC-12 ANNOUNCES FALL ACADEMIC HONOR ROLL RECIPIENTS

SAN FRANCISCO —A total of 527 student-athletes were recognized for their work in the classroom and were named to the inaugural Pac-12 Fall Academic Honor Roll.

The Pac-12 Faculty Athletics Representatives (FARs) recently recommended and the Pac-12 Council voted to approve a change to the all-academic selection process. Any student-athlete on his or her respective team roster with a cumulative GPA of 3.3 or above, and who has served at least one year in residence at the institution, is eligible to receive all-academic honors. There is no longer a selection process to determine all-academic teams for each sport. Any student-athlete who qualifies will be named to the Pac-12 Academic Honor Roll during the season in which he/she competes.

The Fall Academic Honor Roll includes student-athletes who participated in the Conference-sponsored sports of men's and women's cross country, football, men's and women's soccer, and volleyball. Listed below by institution are the 2019 Fall Academic Roll honorees:
