

How to Get Your COVID-19 Test Result

Date of Test:

/ /

Patient Name:

You received a: Rapid antigen test* PCR/NAAT test

You will get a text message or email when your test result is available online at portal.ri.gov/results. If you need help getting your test result, call **401-222-8022** or email RIDOH.COVID19questions@health.ri.gov. If you have symptoms of COVID-19, isolate at home while you wait for your test result.

Rapid antigen tests are processed at the test site. The result of this type of test is ready in the same day. If you got swabbed twice for both tests, your PCR test will automatically be sent to the lab if you get a negative rapid result.

PCR/NAAT tests are sent to a lab for processing. The result of this type of test is ready in 1 to 2 days. If you got swabbed twice for both tests, your PCR test will not be sent to the lab if you get a positive rapid result. You have COVID-19 and should isolate at home.

IF YOU TEST POSITIVE FOR COVID-19:

Isolate right away.

- Isolate at home and away from anyone you live with for at least 5 days. For more information, visit covid.ri.gov/whattodo.

Inform close contacts of your positive result.

- Tell people that you have been in close contact with that you have COVID-19.
- RIDOH can help you notify your close contacts anonymously. Go to portal.ri.gov/results, enter your information to view your positive test result, and fill out the COVID-19 survey that is linked there.

Ask your doctor about treatment.

- If you test positive for COVID-19 and have mild to moderate symptoms, call your healthcare provider right away and ask about treatment. Treatment is most important if you are at high risk of becoming very sick from COVID-19. Learn more at covid.ri.gov/treatment.
