Quality Counts and Early Learning Programs:

Quality Counts provides information, resources, and support at no cost to early care and education programs, including family child care homes serving children ages 0-5. The program goal is to enhance the quality of learning programs and to acknowledge the effort of early childhood professionals to provide optimum learning environments and experiences for the children in our county. There are currently over 44 family child care providers, centers and alternative sites participating in Quality Counts serving more than 1,800 children. Over the past year, participants of Quality Counts have received on-site coaching, quality improvement plans, incentive materials to support quality learning environments and access to free training/workshops for providers.

The Active Minds program is a bilingual, play-based school readiness program for children ages 2 to 4 and their parents/caregivers. Active Minds prepares under-served children to enter Kindergarten by emphasizing parent/caregiver coaching and training. Parents/caregivers are required to participate along with their children; their participation brings sustainability to the program as parents/caregivers learn to engage and extend their learning at home. The program utilizes evidence-based practices (Ages & Stages Questionnaire 3 and the Desired Results Developmental Profile) to address the language, cognitive, physical and social/emotional developmental needs of children to prepare them to succeed in school and in life. In 2018-2019, 42 children and 37 parents/caregivers participated in the program.

The Toy Library and Early Learning Center (TLELC) provides a safe, enriching and inspiring venue for families and caregivers to seek advice about their child's development and access early learning resources to support their child's learning and developmental growth. Quality toys and early learning materials are available for loan at no cost to families and early childhood educators. The organizational system in the TLELC is based on the ASQ developmental domains (social/emotional, thinking skills, communication and literacy, and fine and gross motor skills development) and age appropriateness, creating a research-based selection of toys and early learning materials. CRC staff are available to provide developmental screenings using the ASQ-3 and create Individual Development Support Plans that allow parents/caregivers to match their children's developmental needs with toys and materials. The focus of the TLELC is on modeling age appropriate activities for effective adult-child engagement up until age 5. In 2018-2019 the Toy Library and Early Learning Center served 489 children and 328 parents/caregivers.

Total program expenses were \$404,888.

Form 990, Part III, Line 4d - Other Program Services Description

Stage 1 or CalWORKS Program: CalWORKS' primary purpose is to enable eligible families to accomplish their approved activity, so they can become self-sufficient over the long-term. The Napa County Health and Human Services Department determines which families are eligible for a payment assistance voucher. When a CalWORKS participant is eligible to receive child care services, a referral is sent to Community Resources for Children. CRC works with CalWORKS families to connect them to child care. The Alternative Payment Program then reimburses the child care provider directly for the hours of eligible care used by the family. During 2018-2019, CalWORKS payment assistance was provided to 79 families and 54 children. The majority of these children, most likely, also participated in one of the CDE-funded

The Child Care and Resource and Referral Program imparts information to parents about the full range of child care and school readiness options available. The program counselors provide families with personalized child care referrals to licensed childcare facilities and offer guidelines for choosing quality child care. The program also maintains data on the supply and demand of child care in Napa County and educates the community about local child care issues and needs. In 2018-2019 the Resource and Referral program provided services to 332 families and 456 children.

Total program expenses were \$185,653.

The Child Care Initiative Project provides technical support to individuals interested in obtaining child care licenses and delivers training to assist them in developing quality learning experiences and environments for children in their care. The Child Care Initiative Project provided training and support to 42 child care providers and quality early learning tools and resources to 38 Friend, Family and Neighbor (FFN) informal providers.
