SUBCHAPTER II—INDIAN SELF-DETERMINATION AND EDUCATION ASSISTANCE

§ 450. Congressional statement of findings

(a) Findings respecting historical and special legal relationship, and resultant responsibilities

The Congress, after careful review of the Federal Government’s historical and special legal

relationship with, and resulting responsibilities to, American Indian people, finds that—

(1) the prolonged Federal domination of Indian service programs has served to retard rather than enhance the progress of Indian people and their communities by depriving Indians of the full opportunity to develop leadership skills crucial to the realization of self-government, and has denied to the Indian people an effective voice in the planning and implementation of programs for the benefit of Indians which are responsive to the true needs of Indian communities; and

(2) the Indian people will never surrender their desire to control their relationships both among themselves and with non-Indian governments, organizations, and persons.

(b) Further findings

The Congress further finds that—

(1) true self-determination in any society of people is dependent upon an educational process which will insure the development of qualified people to fulfill meaningful leadership roles;

(2) the Federal responsibility for and assistance to education of Indian children has not effected the desired level of educational achievement or created the diverse opportunities and personal satisfaction which education can and should provide; and

(3) parental and community control of the educational process is of crucial importance to the Indian people.

Ord. No. 13175, §9(c), Nov. 6, 2000, 65 F.R. 67251, set out below.

EX. ORD. NO. 13175. CONSULTATION AND COORDINATION WITH INDIAN TRIBAL GOVERNMENTS

Ex. Ord. No. 13175, Nov. 6, 2000, 65 F.R. 67249, provided: By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to establish regular and meaningful consultation and collaboration with tribal officials in the development of Federal policies that have tribal implications, to strengthen the United States government-to-government relationships with Indian tribes, and to reduce the imposition of unfunded mandates upon Indian tribes; it is hereby ordered as follows:

SECTION 1. *Definitions.* For purposes of this order:

(a) “Policies that have tribal implications” refers to regulations, legislative comments or proposed legislation, and other policy statements or actions that have substantial direct effects on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

(b) “Indian tribe” means an Indian or Alaska Native tribe, band, nation, pueblo, village, or community that the Secretary of the Interior acknowledges to exist as an Indian tribe pursuant to the Federally Recognized Indian Tribe List Act of 1994, 25 U.S.C. 479a.

(c) “Agency” means any authority of the United States that is an “agency” under 44 U.S.C. 3502(1), other than those considered to be independent regulatory agencies, as defined in 44 U.S.C. 3502(5).

(d) “Tribal officials” means elected or duly appointed officials of Indian tribal governments or authorized intertribal organizations.

SEC. 2. *Fundamental Principles.* In formulating or implementing policies that have tribal implications, agencies shall be guided by the following fundamental principles:

(a) The United States has a unique legal relationship with Indian tribal governments as set forth in the Constitution of the United States, treaties, statutes, Executive Orders, and court decisions. Since the formation of the Union, the United States has recognized Indian tribes as domestic dependent nations under its protection. The Federal Government has enacted numerous statutes and promulgated numerous regulations that establish and define a trust relationship with Indian tribes.

(b) Our Nation, under the law of the United States, in accordance with treaties, statutes, Executive Orders, and judicial decisions, has recognized the right of Indian tribes to self-government. As domestic dependent nations, Indian tribes exercise inherent sovereign powers over their members and territory. The United States continues to work with Indian tribes on a government-to-government basis to address issues concerning Indian tribal self-government, tribal trust resources, and Indian tribal treaty and other rights.

(c) The United States recognizes the right of Indian tribes to self-government and supports tribal sovereignty and self-determination.

SEC. 3. *Policymaking Criteria.* In addition to adhering to the fundamental principles set forth in section 2, agencies shall adhere, to the extent permitted by law, to the following criteria when formulating and implementing policies that have tribal implications:

(a) Agencies shall respect Indian tribal self-government and sovereignty, honor tribal treaty and other rights, and strive to meet the responsibilities that arise from the unique legal relationship between the Federal Government and Indian tribal governments.

(b) With respect to Federal statutes and regulations administered by Indian tribal governments, the Federal Government shall grant Indian tribal governments the maximum administrative discretion possible.

(c) When undertaking to formulate and implement policies that have tribal implications, agencies shall:

(1) encourage Indian tribes to develop their own policies to achieve program objectives;

(2) where possible, defer to Indian tribes to establish standards; and

(3) in determining whether to establish Federal standards, consult with tribal officials as to the need for Federal standards and any alternatives that would limit the scope of Federal standards or otherwise preserve the prerogatives and authority of Indian tribes.

SEC. 4. *Special Requirements for Legislative Proposals.* Agencies shall not submit to the Congress legislation that would be inconsistent with the policymaking criteria in Section 3.

SEC. 5. *Consultation.* (a) Each agency shall have an accountable process to ensure meaningful and timely input by tribal officials in the development of regulatory policies that have tribal implications. Within 30 days after the effective date of this order, the head of each agency shall designate an official with principal responsibility for the agency’s implementation of this order. Within 60 days of the effective date of this order, the designated official shall submit to the Office of Management and Budget (OMB) a description of the agency’s consultation process.

(b) To the extent practicable and permitted by law, no agency shall promulgate any regulation that has tribal implications, that imposes substantial direct compliance costs on Indian tribal governments, and that is not required by statute, unless:

(1) funds necessary to pay the direct costs incurred by the Indian tribal government or the tribe in complying with the regulation are provided by the Federal Government; or

(2) the agency, prior to the formal promulgation of the regulation,

(A) consulted with tribal officials early in the process of developing the proposed regulation;

(B) in a separately identified portion of the preamble to the regulation as it is to be issued in the Federal Register, provides to the Director of OMB a tribal summary impact statement, which consists of a description of the extent of the agency’s prior consultation with tribal officials, a summary of the nature of their concerns and the agency’s position supporting the need to issue the regulation, and a statement of the extent to which the concerns of tribal officials have been met; and

(C) makes available to the Director of OMB any written communications submitted to the agency by tribal officials.

(c) To the extent practicable and permitted by law, no agency shall promulgate any regulation that has tribal implications and that preempts tribal law unless the agency, prior to the formal promulgation of the regulation,

(1) consulted with tribal officials early in the process of developing the proposed regulation;

(2) in a separately identified portion of the preamble to the regulation as it is to be issued in the Federal Register, provides to the Director of OMB a tribal summary impact statement, which consists of a description of the extent of the agency’s prior consultation with tribal officials, a summary of the nature of their concerns and the agency’s position supporting the need to

issue the regulation, and a statement of the extent to which the concerns of tribal officials have been met; and

(3) makes available to the Director of OMB any written communications submitted to the agency by tribal officials.

(d) On issues relating to tribal self-government, tribal trust resources, or Indian tribal treaty and other rights, each agency should explore and, where appropriate, use consensual mechanisms for developing regulations, including negotiated rulemaking.

SEC. 6. *Increasing Flexibility for Indian Tribal Waivers.*

(a) Agencies shall review the processes under which Indian tribes apply for waivers of statutory and regulatory requirements and take appropriate steps to streamline those processes.

(b) Each agency shall, to the extent practicable and permitted by law, consider any application by an Indian tribe for a waiver of statutory or regulatory requirements in connection with any program administered by the agency with a general view toward increasing opportunities for utilizing flexible policy approaches at the Indian tribal level in cases in which the proposed waiver is consistent with the applicable Federal policy objectives and is otherwise appropriate.

(c) Each agency shall, to the extent practicable and permitted by law, render a decision upon a complete application for a waiver within 120 days of receipt of such application by the agency, or as otherwise provided by law or regulation. If the application for waiver is not granted, the agency shall provide the applicant with timely written notice of the decision and the reasons therefor.

(d) This section applies only to statutory or regulatory requirements that are discretionary and subject to waiver by the agency.

SEC. 7. *Accountability.*

(a) In transmitting any draft final regulation that has tribal implications to OMB pursuant to Executive Order 12866 of September 30, 1993 [5 U.S.C. 601 note], each agency shall include a certification from the official designated to ensure compliance with this order stating that the requirements of this order have been met in a meaningful and timely manner.

(b) In transmitting proposed legislation that has tribal implications to OMB, each agency shall include a certification from the official designated to ensure compliance with this order that all relevant requirements of this order have been met.

(c) Within 180 days after the effective date of this order the Director of OMB and the Assistant to the President for Intergovernmental Affairs shall confer with tribal officials to ensure that this order is being properly and effectively implemented.

SEC. 8. *Independent Agencies.* Independent regulatory agencies are encouraged to comply with the provisions of this order.

SEC. 9. *General Provisions.* (a) This order shall supplement but not supersede the requirements contained in Executive Order 12866 (Regulatory Planning and Review) [5 U.S.C. 601 note], Executive Order 12988 (Civil Justice Reform) [28 U.S.C. 519 note], OMB Circular A-19, and the Executive Memorandum of April 29, 1994, on Government-to-Government Relations with Native American Tribal Governments [set out below].

(b) This order shall complement the consultation and waiver provisions in sections 6 and 7 of Executive Order 13132 (Federalism) [5 U.S.C. 601 note].

(c) Executive Order 13084 (Consultation and Coordination with Indian Tribal Governments) is revoked at the time this order takes effect.

(d) This order shall be effective 60 days after the date of this order.

SEC. 10. *Judicial Review.* This order is intended only to improve the internal management of the executive branch, and is not intended to create any right, benefit, or trust responsibility, substantive or procedural, enforceable at law by a party against the United States, its agencies, or any person.

GOVERNMENT-TO-GOVERNMENT RELATIONS WITH NATIVE AMERICAN TRIBAL GOVERNMENTS

Memorandum of President of the United States, Apr. 29, 1994, 59 F.R. 22951, provided:

Memorandum for the Heads of Executive Departments and Agencies

The United States Government has a unique legal relationship with Native American tribal governments as set forth in the Constitution of the United States, treaties, statutes, and court decisions. As executive departments and agencies undertake activities affecting Native American tribal rights or trust resources, such activities should be implemented in a knowledgeable, sensitive manner respectful of tribal sovereignty. Today, as part of an historic meeting, I am outlining principles that executive departments and agencies, including every component bureau and office, are to follow in their interactions with Native American tribal governments. The purpose of these principles is to clarify our responsibility to ensure that the Federal Government operates within a government-to-government relationship with federally recognized Native American tribes. I am strongly committed to building a more effective day-to-day working relationship reflecting respect for the rights of self-government due the sovereign tribal governments.

In order to ensure that the rights of sovereign tribal governments are fully respected, executive branch activities shall be guided by the following:

(a) The head of each executive department and agency shall be responsible for ensuring that the department or agency operates within a government-to-government relationship with federally recognized tribal governments.

(b) Each executive department and agency shall consult, to the greatest extent practicable and to the extent permitted by law, with tribal governments prior to taking actions that affect federally recognized tribal governments. All such consultations are to be open and candid so that all interested parties may evaluate for themselves the potential impact of relevant proposals.

(c) Each executive department and agency shall assess the impact of Federal Government plans, projects, programs, and activities on tribal trust resources and assure that tribal government rights and concerns are considered during the development of such plans, projects, programs, and activities.

(d) Each executive department and agency shall take appropriate steps to remove any procedural impediments to working directly and effectively with tribal governments on activities that affect the trust property and/or governmental rights of the tribes.

(e) Each executive department and agency shall work cooperatively with other Federal departments and agencies to enlist their interest and support in cooperative efforts, where appropriate, to accomplish the goals of this memorandum.

(f) Each executive department and agency shall apply the requirements of Executive Orders Nos. 12875 ("Enhancing the Intergovernmental Partnership") [former 5 U.S.C. 601 note] and 12866 ("Regulatory Planning and Review") [5 U.S.C. 601 note] to design solutions and tailor Federal programs, in appropriate circumstances, to address specific or unique needs of tribal communities.

The head of each executive department and agency shall ensure that the department or agency's bureaus and components are fully aware of this memorandum, through publication or other means, and that they are in compliance with its requirements.

This memorandum is intended only to improve the internal management of the executive branch and is not intended to, and does not, create any right to administrative or judicial review, or any other right or benefit or trust responsibility, substantive or procedural, enforceable by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

The Director of the Office of Management and Budget is authorized and directed to publish this memorandum in the Federal Register.

WILLIAM J. CLINTON.

TRIBAL CONSULTATION

Memorandum of President of the United States, Nov. 5, 2009, 74 F.R. 57881, provided:

Memorandum for the Heads of Executive Departments And Agencies

The United States has a unique legal and political relationship with Indian tribal governments, established through and confirmed by the Constitution of the United States, treaties, statutes, executive orders, and judicial decisions. In recognition of that special relationship, pursuant to Executive Order 13175 of November 6, 2000, executive departments and agencies (agencies) are charged with engaging in regular and meaningful consultation and collaboration with tribal officials in the development of Federal policies that have tribal implications, and are responsible for strengthening the government-to-government relationship between the United States and Indian tribes.

History has shown that failure to include the voices of tribal officials in formulating policy affecting their communities has all too often led to undesirable and, at times, devastating and tragic results. By contrast, meaningful dialogue between Federal officials and tribal officials has greatly improved Federal policy toward Indian tribes. Consultation is a critical ingredient of a sound and productive Federal-tribal relationship.

My Administration is committed to regular and meaningful consultation and collaboration with tribal officials in policy decisions that have tribal implications including, as an initial step, through complete and consistent implementation of Executive Order 13175. Accordingly, I hereby direct each agency head to submit to the Director of the Office of Management and Budget (OMB), within 90 days after the date of this memorandum, a detailed plan of actions the agency will take to implement the policies and directives of Executive Order 13175. This plan shall be developed after consultation by the agency with Indian tribes and tribal officials as defined in Executive Order 13175. I also direct each agency head to submit to the Director of the OMB, within 270 days after the date of this memorandum, and annually thereafter, a progress report on the status of each action included in its plan together with any proposed updates to its plan.

Each agency's plan and subsequent reports shall designate an appropriate official to coordinate implementation of the plan and preparation of progress reports required by this memorandum. The Assistant to the President for Domestic Policy and the Director of the OMB shall review agency plans and subsequent reports for consistency with the policies and directives of Executive Order 13175.

In addition, the Director of the OMB, in coordination with the Assistant to the President for Domestic Policy, shall submit to me, within 1 year from the date of this memorandum, a report on the implementation of Executive Order 13175 across the executive branch based on the review of agency plans and progress reports. Recommendations for improving the plans and making the tribal consultation process more effective, if any, should be included in this report.

The terms "Indian tribe," "tribal officials," and "policies that have tribal implications" as used in this memorandum are as defined in Executive Order 13175.

The Director of the OMB is hereby authorized and directed to publish this memorandum in the Federal Register.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person. Executive departments and agencies shall carry out the provisions of this memorandum to the extent permitted by law and consistent with their statutory and regulatory authorities and their enforcement mechanisms.

BARACK OBAMA.

§ 450a. Congressional declaration of policy

(a) Recognition of obligation of United States

The Congress hereby recognizes the obligation of the United States to respond to the strong expression of the Indian people for self-determination by assuring maximum Indian participation in the direction of educational as well as other Federal services to Indian communities so as to render such services more responsive to the needs and desires of those communities.

(b) Declaration of commitment

The Congress declares its commitment to the maintenance of the Federal Government's unique and continuing relationship with, and responsibility to, individual Indian tribes and to the Indian people as a whole through the establishment of a meaningful Indian self-determination policy which will permit an orderly transition from the Federal domination of programs for, and services to, Indians to effective and meaningful participation by the Indian people in the planning, conduct, and administration of those programs and services. In accordance with this policy, the United States is committed to supporting and assisting Indian tribes in the development of strong and stable tribal governments, capable of administering quality programs and developing the economies of their respective communities.

(c) Declaration of national goal

The Congress declares that a major national goal of the United States is to provide the quantity and quality of educational services and opportunities which will permit Indian children to compete and excel in the life areas of their choice, and to achieve the measure of self-determination essential to their social and economic well-being.

PART A—INDIAN SELF-DETERMINATION

§ 450f. Self-determination contracts

(a) Request by tribe; authorized programs

(1) The Secretary is directed, upon the request of any Indian tribe by tribal resolution, to enter into a self-determination contract or contracts with a tribal organization to plan, conduct, and administer programs or portions thereof, including construction programs—

(A) provided for in the Act of April 16, 1934 (48 Stat. 596), as amended [25 U.S.C. 452 et seq.];

(B) which the Secretary is authorized to administer for the benefit of Indians under the Act of November 2, 1921 (42 Stat. 208) [25 U.S.C. 13], and any Act subsequent thereto;

(C) provided by the Secretary of Health and Human Services under the Act of August 5, 1954 (68 Stat. 674), as amended [42 U.S.C. 2001 et seq.];

(D) administered by the Secretary for the benefit of Indians for which appropriations are made to agencies other than the Department of Health and Human Services or the Department of the Interior; and

(E) for the benefit of Indians because of their status as Indians without regard to the agency or office of the Department of Health and Human Services or the Department of the Interior within which it is performed.

The programs, functions, services, or activities that are contracted under this paragraph shall include administrative functions of the Department of the Interior and the Department of Health and Human Services (whichever is applicable) that support the delivery of services to Indians, including those administrative activities supportive of, but not included as part of, the service delivery programs described in this paragraph that are otherwise contractable. The administrative functions referred to in the preceding sentence shall be contractable without regard to the organizational level within the Department that carries out such functions.

(2) If so authorized by an Indian tribe under paragraph (1) of this subsection, a tribal organization may submit a proposal for a self-determination contract, or a proposal to amend or renew a self-determination contract, to the Secretary for review. Subject to the provisions of paragraph (4), the Secretary shall, within ninety days after receipt of the proposal, approve the proposal and award the contract unless the Secretary provides written notification to the applicant that contains a specific finding that clearly demonstrates that, or that is supported by a controlling legal authority that—

(A) the service to be rendered to the Indian beneficiaries of the particular program or function to be contracted will not be satisfactory;

(B) adequate protection of trust resources is not assured;

(C) the proposed project or function to be contracted for cannot be properly completed or maintained by the proposed contract;

(D) the amount of funds proposed under the contract is in excess of the applicable funding level for the contract, as determined under section 450j-1(a) of this title; or

(E) the program, function, service, or activity (or portion thereof) that is the subject of the proposal is beyond the scope of programs, functions, services, or activities covered under paragraph (1) because the proposal includes activities that cannot lawfully be carried out by the contractor.

Notwithstanding any other provision of law, the Secretary may extend or otherwise alter the 90-day period specified in the second sentence of this subsection,¹ if before the expiration of such period, the Secretary obtains the voluntary and express written consent of the tribe or tribal organization to extend or otherwise alter such period. The contractor shall include in the proposal of the contractor the standards under which the tribal organization will operate the contracted program, service, function, or activity, including in the area of construction, provisions regarding the use of licensed and qualified architects, applicable health and safety standards, adherence to applicable Federal, State, local, or tribal building codes and engineering standards. The standards referred to in the preceding sentence shall ensure structural integrity, accountability of funds, adequate competition for subcontracting under tribal or other applicable law, the commencement, performance,

and completion of the contract, adherence to project plans and specifications (including any applicable Federal construction guidelines and manuals), the use of proper materials and workmanship, necessary inspection and testing, and changes, modifications, stop work, and termination of the work when warranted.

(3) Upon the request of a tribal organization that operates two or more mature self-determination contracts, those contracts may be consolidated into one single contract.

(4) The Secretary shall approve any severable portion of a contract proposal that does not support a declination finding described in paragraph (2). If the Secretary determines under such paragraph that a contract proposal—

(A) proposes in part to plan, conduct, or administer a program, function, service, or activity that is beyond the scope of programs covered under paragraph (1), or

(B) proposes a level of funding that is in excess of the applicable level determined under section 450j-1(a) of this title,

subject to any alteration in the scope of the proposal that the Secretary and the tribal organization agree to, the Secretary shall, as appropriate, approve such portion of the program, function, service, or activity as is authorized under paragraph (1) or approve a level of funding authorized under section 450j-1(a) of this title. If a tribal organization elects to carry out a severable portion of a contract proposal pursuant to this paragraph, subsection (b) of this section shall only apply to the portion of the contract that is declined by the Secretary pursuant to this subsection.

(b) Procedure upon refusal of request to contract

Whenever the Secretary declines to enter into a self-determination contract or contracts pursuant to subsection (a) of this section, the Secretary shall—

(1) state any objections in writing to the tribal organization,

(2) provide assistance to the tribal organization to overcome the stated objections, and

(3) provide the tribal organization with a hearing on the record with the right to engage in full discovery relevant to any issue raised in the matter and the opportunity for appeal on the objections raised, under such rules and regulations as the Secretary may promulgate, except that the tribe or tribal organization may, in lieu of filing such appeal, exercise the option to initiate an action in a Federal district court and proceed directly to such court pursuant to section 450m-1(a) of this title.

(c) Liability insurance; waiver of defense

(1) Beginning in 1990, the Secretary shall be responsible for obtaining or providing liability insurance or equivalent coverage, on the most cost-effective basis, for Indian tribes, tribal organizations, and tribal contractors carrying out contracts, grant agreements and cooperative agreements pursuant to this subchapter. In obtaining or providing such coverage, the Secretary shall take into consideration the extent to which liability under such contracts or agreements are covered by the Federal Tort Claims Act.

(2) In obtaining or providing such coverage, the Secretary shall, to the greatest extent practicable, give a preference to coverage underwritten by Indian-owned economic enterprises as defined in section 1452 of this title, except that, for the purposes of this subsection, such enterprises may include non-profit corporations.

(3)(A) Any policy of insurance obtained or provided by the Secretary pursuant to this subsection shall contain a provision that the insurance carrier shall waive any right it may have to raise as a defense the sovereign immunity of an Indian tribe from suit, but that such waiver shall extend only to claims the amount and nature of which are within the coverage and limits of the policy and shall not authorize or empower such insurance carrier to waive or otherwise limit the tribe's sovereign immunity outside or beyond the coverage or limits of the policy of insurance.

(B) No waiver of the sovereign immunity of an Indian tribe pursuant to this paragraph shall include a waiver to the extent of any potential liability for interest prior to judgment or for punitive damages or for any other limitation on liability imposed by the law of the State in which the alleged injury occurs.

(d) Tribal organizations and Indian contractors deemed part of Public Health Service

For purposes of section 233 of title 42, with respect to claims by any person, initially filed on or after December 22, 1987, whether or not such person is an Indian or Alaska Native or is served on a fee basis or under other circumstances as permitted by Federal law or regulations for personal injury, including death, resulting from the performance prior to, including, or after December 22, 1987, of medical, surgical, dental, or related functions, including the conduct of clinical studies or investigations, or for purposes of section 2679, title 28, with respect to claims by any such person, on or after November 29, 1990, for personal injury, including death, resulting from the operation of an emergency motor vehicle, an Indian tribe, a tribal organization or Indian contractor carrying out a contract, grant agreement, or cooperative agreement under sections² 450f or 450h of this title is deemed to be part of the Public Health Service in the Department of Health and Human Services while carrying out any such contract or agreement and its employees (including those acting on behalf of the organization or contractor as provided in section 2671 of title 28 and including an individual who provides health care services pursuant to a personal services contract with a tribal organization for the provision of services in any facility owned, operated, or constructed under the jurisdiction of the Indian Health Service) are deemed employees of the Service while acting within the scope of their employment in carrying out the contract or agreement: *Provided*, That such employees shall be deemed to be acting within the scope of their employment in carrying out such contract or agreement when they are required, by reason of such employment, to perform medical, surgical, dental or related functions at a facility other than the facility operated pursuant

to such contract or agreement, but only if such employees are not compensated for the performance of such functions by a person or entity other than such Indian tribe, tribal organization or Indian contractor.

(e) Burden of proof at hearing or appeal declining contract; final agency action

(1) With respect to any hearing or appeal conducted pursuant to subsection (b)(3) of this section or any civil action conducted pursuant to section 450m-1(a) of this title, the Secretary shall have the burden of proof to establish by clearly demonstrating the validity of the grounds for declining the contract proposal (or portion thereof).

(2) Notwithstanding any other provision of law, a decision by an official of the Department of the Interior or the Department of Health and Human Services, as appropriate (referred to in this paragraph as the "Department") that constitutes final agency action and that relates to an appeal within the Department that is conducted under subsection (b)(3) of this section shall be made either—

(A) by an official of the Department who holds a position at a higher organizational level within the Department than the level of the departmental agency (such as the Indian Health Service or the Bureau of Indian Affairs) in which the decision that is the subject of the appeal was made; or

(B) by an administrative judge.

(g) Performance of personal services

The contracts authorized under section 450f of this title and grants pursuant to section 450h of this title may include provisions for the performance of personal services which would otherwise be performed by Federal employees including, but in no way limited to, functions such as determination of eligibility of applicants for assistance, benefits, or services, and the extent or amount of such assistance, benefits, or services to be provided and the provisions of such assistance, benefits, or services, all in accordance with the terms of the contract or grant and applicable rules and regulations of the appropriate Secretary: *Provided*, That the Sec-

(1) If a self-determination contract requires the Secretary to divide the administration of a program that has previously been administered for the benefit of a greater number of tribes than are represented by the tribal organization that is a party to the contract, the Secretary shall take such action as may be necessary to ensure that services are provided to the tribes not served by a self-determination contract, including program redesign in consultation with the tribal organization and all affected tribes.

(2) Nothing in this part shall be construed to limit or reduce in any way the funding for any program, project, or activity serving a tribe under this or other applicable Federal law. Any tribe or tribal organization that alleges that a self-determination contract is in violation of this section may apply the provisions of section 450m-1 of this title.

(j) Proposal to redesign program, activity, function, or service

Upon providing notice to the Secretary, a tribal organization that carries out a nonconstruction self-determination contract may propose a redesign of a program, activity, function, or service carried out by the tribal organization under the contract, including any nonstatutory program standard, in such manner as to best meet the local geographic, demographic, economic, cultural, health, and institutional needs of the Indian people and tribes served under the contract. Not later than 30 days after receiving such final contract proposal, the Secretary shall approve the contract proposal and award the contract, unless, during such period the

Secretary declines the proposal pursuant to subsections (a)(2) and (b)² of section 450f of this title (including providing opportunity for an appeal pursuant to section 450f(b) of this title).

Notwithstanding any other provision of law, the rental rates for housing provided to an employee by the Federal Government in Alaska pursuant to a self-determination contract shall be determined on the basis of—

A, §101(e) [title I], Oct. 21, 1998, 105 Stat. 2681-231, 2681-246, provided in part that: "hereafter funds made available to tribes and tribal organizations through contracts, compact agreements, or grants, as authorized by the Indian Self-Determination Act of 1975 [25 U.S.C. 450f et seq.] or grants authorized by the Indian Education Amendments of 1988 (25 U.S.C. 2001 and 2008A [probably means prior versions of 25 U.S.C. 2001 and 2008a]) shall remain available until expended by the contractor or grantee".

§ 450j-1. Contract funding and indirect costs

(a) Amount of funds provided

(1) The amount of funds provided under the terms of self-determination contracts entered

into pursuant to this subchapter shall not be less than the appropriate Secretary would have otherwise provided for the operation of the programs or portions thereof for the period covered by the contract, without regard to any organizational level within the Department of the Interior or the Department of Health and Human Services, as appropriate, at which the program, function, service, or activity or portion thereof, including supportive administrative functions that are otherwise contractable, is operated.

(2) There shall be added to the amount required by paragraph (1) contract support costs which shall consist of an amount for the reasonable costs for activities which must be carried on by a tribal organization as a contractor to ensure compliance with the terms of the contract and prudent management, but which—

(A) normally are not carried on by the respective Secretary in his direct operation of the program; or

(B) are provided by the Secretary in support of the contracted program from resources other than those under contract.

(3)(A) The contract support costs that are eligible costs for the purposes of receiving funding under this subchapter shall include the costs of reimbursing each tribal contractor for reasonable and allowable costs of—

(i) direct program expenses for the operation of the Federal program that is the subject of the contract, and

(ii) any additional administrative or other expense related to the overhead incurred by the tribal contractor in connection with the operation of the Federal program, function, service, or activity pursuant to the contract,

except that such funding shall not duplicate any funding provided under subsection (a)(1) of this section.

(B) On an annual basis, during such period as a tribe or tribal organization operates a Federal program, function, service, or activity pursuant to a contract entered into under this subchapter, the tribe or tribal organization shall have the option to negotiate with the Secretary the amount of funds that the tribe or tribal organization is entitled to receive under such contract pursuant to this paragraph.

(4) For each fiscal year during which a self-determination contract is in effect, any savings attributable to the operation of a Federal program, function, service, or activity under a self-determination contract by a tribe or tribal organization (including a cost reimbursement construction contract) shall—

(A) be used to provide additional services or benefits under the contract; or

(B) be expended by the tribe or tribal organization in the succeeding fiscal year, as provided in section 13a of this title.

(5) Subject to paragraph (6), during the initial year that a self-determination contract is in effect, the amount required to be paid under paragraph (2) shall include startup costs consisting of the reasonable costs that have been incurred or will be incurred on a one-time basis pursuant to the contract necessary—

(A) to plan, prepare for, and assume operation of the program, function, service, or activity that is the subject of the contract; and

(B) to ensure compliance with the terms of the contract and prudent management.

(6) Costs incurred before the initial year that a self-determination contract is in effect may not be included in the amount required to be paid under paragraph (2) if the Secretary does not receive a written notification of the nature and extent of the costs prior to the date on which such costs are incurred.

(b) Reductions and increases in amount of funds provided

The amount of funds required by subsection (a) of this section—

(1) shall not be reduced to make funding available for contract monitoring or administration by the Secretary;

(2) shall not be reduced by the Secretary in subsequent years except pursuant to—

(A) a reduction in appropriations from the previous fiscal year for the program or function to be contracted;

(B) a directive in the statement of the managers accompanying a conference report on an appropriation bill or continuing resolution;

(C) a tribal authorization;

(D) a change in the amount of pass-through funds needed under a contract; or

(E) completion of a contracted project, activity, or program;

(3) shall not be reduced by the Secretary to pay for Federal functions, including, but not limited to, Federal pay costs, Federal employee retirement benefits, automated data processing, contract technical assistance or contract monitoring;

(4) shall not be reduced by the Secretary to pay for the costs of Federal personnel displaced by a self-determination contract; and

(5) may, at the request of the tribal organization, be increased by the Secretary if necessary to carry out this subchapter or as provided in section 450j(c) of this title.

Notwithstanding any other provision in this subchapter, the provision of funds under this subchapter is subject to the availability of appropriations and the Secretary is not required to reduce funding for programs, projects, or activities serving a tribe to make funds available to another tribe or tribal organization under this subchapter.

(c) Annual reports

Not later than May 15 of each year, the Secretary shall prepare and submit to Congress an annual report on the implementation of this subchapter. Such report shall include—

(1) an accounting of the total amounts of funds provided for each program and the budget activity for direct program costs and contract support costs of tribal organizations under self-determination;

(2) an accounting of any deficiency in funds needed to provide required contract support costs to all contractors for the fiscal year for which the report is being submitted;

(3) the indirect cost rate and type of rate for each tribal organization that has been negotiated with the appropriate Secretary;

(4) the direct cost base and type of base from which the indirect cost rate is determined for each tribal organization;

(5) the indirect cost pool amounts and the types of costs included in the indirect cost pool; and

(6) an accounting of any deficiency in funds needed to maintain the preexisting level of services to any Indian tribes affected by contracting activities under this subchapter, and a statement of the amount of funds needed for transitional purposes to enable contractors to convert from a Federal fiscal year accounting cycle, as authorized by section 450j(d) of this title.

(d) Treatment of shortfalls in indirect cost recoveries

(1) Where a tribal organization's allowable indirect cost recoveries are below the level of indirect costs that the tribal organizations should have received for any given year pursuant to its approved indirect cost rate, and such shortfall is the result of lack of full indirect cost funding by any Federal, State, or other agency, such shortfall in recoveries shall not form the basis for any theoretical over-recovery or other adverse adjustment to any future years' indirect cost rate or amount for such tribal organization, nor shall any agency seek to collect such shortfall from the tribal organization.

(2) Nothing in this subsection shall be construed to authorize the Secretary to fund less than the full amount of need for indirect costs associated with a self-determination contract.

(e) Liability for indebtedness incurred before fiscal year 1992

Indian tribes and tribal organizations shall not be held liable for amounts of indebtedness attributable to theoretical or actual under-recoveries or theoretical over-recoveries of indirect costs, as defined in Office of Management and Budget Circular A-87, incurred for fiscal years prior to fiscal year 1992.

(f) Limitation on remedies relating to cost disallowances

Any right of action or other remedy (other than those relating to a criminal offense) relating to any disallowance of costs shall be barred unless the Secretary has given notice of any such disallowance within three hundred and sixty-five days of receiving any required annual single agency audit report or, for any period covered by law or regulation in force prior to October 19, 1984, any other required final audit report. Such notice shall set forth the right of appeal and hearing to the board of contract appeals pursuant to section 450m-1 of this title. For the purpose of determining the 365-day period specified in this paragraph, an audit report shall be deemed to have been received on the date of actual receipt by the Secretary, if, within 60 days after receiving the report, the Secretary does not give notice of a determination by the Secretary to reject the single-agency report as insufficient due to noncompliance with chapter 75 of title 31 or noncompliance with any other applicable law. Nothing in this subsection shall be deemed to enlarge the rights of the Secretary with respect to section 476 of this title.

(g) Addition to contract of full amount contractor entitled; adjustment

Upon the approval of a self-determination contract, the Secretary shall add to the contract the full amount of funds to which the contractor is entitled under subsection (a) of this section, subject to adjustments for each subsequent year that such tribe or tribal organization administers a Federal program, function, service, or activity under such contract.

(h) Indirect costs for contracts for construction programs

In calculating the indirect costs associated with a self-determination contract for a construction program, the Secretary shall take into consideration only those costs associated with the administration of the contract and shall not take into consideration those moneys actually passed on by the tribal organization to construction contractors and subcontractors.

(i) Indian Health Service and Bureau of Indian Affairs budget consultations

On an annual basis, the Secretary shall consult with, and solicit the participation of, Indian tribes and tribal organizations in the development of the budget for the Indian Health Service and the Bureau of Indian Affairs (including participation of Indian tribes and tribal organizations in formulating annual budget requests that the Secretary submits to the President for submission to Congress pursuant to section 1105 of title 31).

(j) Use of funds for matching or cost participation requirements

Notwithstanding any other provision of law, a tribal organization may use funds provided under a self-determination contract to meet matching or cost participation requirements under other Federal and non-Federal programs.

(k) Allowable uses of funds without approval of Secretary

Without intending any limitation, a tribal organization may, without the approval of the Secretary, expend funds provided under a self-determination contract for the following purposes, to the extent that the expenditure of the funds is supportive of a contracted program:

- (1) Depreciation and use allowances not otherwise specifically prohibited by law, including the depreciation of facilities owned by the tribe or tribal organization.
- (2) Publication and printing costs.
- (3) Building, realty, and facilities costs, including rental costs or mortgage expenses.
- (4) Automated data processing and similar equipment or services.
- (5) Costs for capital assets and repairs.
- (6) Management studies.
- (7) Professional services, other than services provided in connection with judicial proceedings by or against the United States.
- (8) Insurance and indemnification, including insurance covering the risk of loss of or damage to property used in connection with the contract without regard to the ownership of such property.
- (9) Costs incurred to raise funds or contributions from non-Federal sources for the purpose

of furthering the goals and objectives of the self-determination contract.

(10) Interest expenses paid on capital expenditures such as buildings, building renovation, or acquisition or fabrication of capital equipment, and interest expenses on loans necessitated due to delays by the Secretary in providing funds under a contract.

(11) Expenses of a governing body of a tribal organization that are attributable to the management or operation of programs under this subchapter.

(12) Costs associated with the management of pension funds, self-insurance funds, and other funds of the tribal organization that provide for participation by the Federal Government.

(l) Suspension, withholding, or delay in payment of funds

(1) The Secretary may only suspend, withhold, or delay the payment of funds for a period of 30 days beginning on the date the Secretary makes a determination under this paragraph to a tribal organization under a self-determination contract, if the Secretary determines that the tribal organization has failed to substantially carry out the contract without good cause. In any such case, the Secretary shall provide the tribal organization with reasonable advance written notice, technical assistance (subject to available resources) to assist the tribal organization, a hearing on the record not later than 10 days after the date of such determination or such later date as the tribal organization shall approve, and promptly release any funds withheld upon subsequent compliance.

(2) With respect to any hearing or appeal conducted pursuant to this subsection, the Secretary shall have the burden of proof to establish by clearly demonstrating the validity of the grounds for suspending, withholding, or delaying payment of funds.

(m) Use of program income earned

The program income earned by a tribal organization in the course of carrying out a self-determination contract—

(1) shall be used by the tribal organization to further the general purposes of the contract; and

(2) shall not be a basis for reducing the amount of funds otherwise obligated to the contract.

(n) Reduction of administrative or other responsibilities of Secretary; use of savings

To the extent that programs, functions, services, or activities carried out by tribal organizations pursuant to contracts entered into under this subchapter reduce the administrative or other responsibilities of the Secretary with respect to the operation of Indian programs and result in savings that have not otherwise been included in the amount of contract funds determined under subsection (a) of this section, the Secretary shall make such savings available for the provision of additional services to program beneficiaries, either directly or through contractors, in a manner equitable to both direct and contracted programs.

(o) Rebudgeting by tribal organization

Notwithstanding any other provision of law (including any regulation), a tribal organization that carries out a self-determination contract may, with respect to allocations within the approved budget of the contract, rebudget to meet contract requirements, if such rebudgeting would not have an adverse effect on the performance of the contract.

Such proposed regulations shall contain all Federal requirements applicable to self-determination contracts and grants under this Act.

“(2) Within six months from October 5, 1988, the Secretary shall present the proposed regulations to the Select Committee on Indian Affairs of the United States Senate and to the Committee on Interior and Insular Affairs of the United States House of Representatives.

“(3) Within seven months from October 5, 1988, the Secretary shall publish proposed regulations in the Federal Register for the purpose of receiving comments from tribes and other interested parties.

“(4) Within ten months from October 5, 1988, the Secretary shall promulgate regulations to implement the provisions of such Act.”

Subsec. (c). Pub. L. 103-437, §10(c)(2)(B), substituted “Committee on Energy and Natural Resources of the Senate and the Committee on Natural Resources of the House of Representatives” for “Committees on Interior and Insular Affairs of the United States Senate and House of Representatives”.

Subsecs. (d), (e). Pub. L. 103-413, §105(2), added subsecs. (d) and (e).

1990—Subsec. (c). Pub. L. 101-644 inserted “, with the participation of Indian tribes and tribal organizations,” after “authorized”.

1988—Subsec. (a). Pub. L. 100-472, §207(a), substituted “Health and Human Services” for “Health, Education, and Welfare”, and inserted proviso relating to promulgation of Federal requirements for self-determination contracts as regulations.

Subsec. (b). Pub. L. 100-472, §207(b), amended subsec. (b) generally. Prior to amendment, subsec. (b) read as follows:

“(1) Within six months from January 4, 1975, the Secretary of the Interior and the Secretary of Health and Human Services shall each to the extent practicable, consult with national and regional Indian organizations to consider and formulate appropriate rules and regulations to implement the provisions of this subchapter.

“(2) Within seven months from January 4, 1975, the Secretary of the Interior and the Secretary of Health and Human Services shall each present the proposed rules and regulations to the Committees on Interior and Insular Affairs of the United States Senate and House of Representatives.

“(3) Within eight months from January 4, 1975, the Secretary of the Interior and the Secretary of Health and Human Services shall publish proposed rules and regulations in the Federal Register for the purpose of receiving comments from interested parties.

“(4) Within ten months from January 4, 1975, the Secretary of the Interior and the Secretary of Health and

Human Services shall promulgate rules and regulations to implement the provisions of this subchapter.”

§ 450m. Rescission of contract or grant and assumption of control of program, etc.; authority; grounds; procedure; correction of violation as prerequisite to new contract or grant agreement; construction with occupational safety and health requirements

Each contract or grant agreement entered into pursuant to sections 450f, 450g, and 450h¹ of this title shall provide that in any case where the appropriate Secretary determines that the tribal organization's performance under such

contract or grant agreement involves (1) the violation of the rights or endangerment of the health, safety, or welfare of any persons; or (2) gross negligence or mismanagement in the handling or use of funds provided to the tribal organization pursuant to such contract or grant agreement, or in the management of trust fund, trust lands or interests in such lands pursuant to such contract or grant agreement, such Secretary may, under regulations prescribed by him and after providing notice and a hearing on the record to such tribal organization, rescind such contract or grant agreement, in whole or in part, and assume or resume control or operation of the program, activity, or service involved if he determines that the tribal organization has not taken corrective action as prescribed by the Secretary to remedy the contract deficiency, except that the appropriate Secretary may, upon written notice to a tribal organization, and the tribe served by the tribal organization, immediately rescind a contract or grant, in whole or in part, and resume control or operation of a program, activity, function, or service, if the Secretary finds that (i) there is an immediate threat of imminent harm to the safety of any person, or imminent substantial and irreparable harm to trust funds, trust lands, or interests in such lands, and (ii) such threat arises from the failure of the contractor to fulfill the requirements of the contract. In such cases, the Secretary shall provide the tribal organization with a hearing on the record within ten days or such later date as the tribal organization may approve. Such Secretary may decline to enter into a new contract or grant agreement and retain control of such program, activity, or service until such time as he is satisfied that the violations of rights or endangerment of health, safety, or welfare which necessitated the rescission has been corrected. In any hearing or appeal provided for under this section, the Secretary shall have the burden of proof to establish, by clearly demonstrating the validity of the grounds for rescinding, assuming, or reassuming the contract that is the subject of the hearing. Nothing in this section shall be construed as contravening the Occupational Safety and Health Act of 1970, as amended [29 U.S.C. 651 et seq.].

PART D—TRIBAL SELF-GOVERNANCE— DEPARTMENT OF THE INTERIOR

§ 458aa. Establishment

The Secretary of the Interior (hereinafter in this part referred to as the "Secretary") shall establish and carry out a program within the Department of the Interior to be known as Tribal Self-Governance (hereinafter in this part referred to as "Self-Governance") in accordance with this part.

(Pub. L. 93-638, title IV, §401, as added Pub. L. 103-413, title II, §204, Oct. 25, 1994, 108 Stat. 4271.)

SHORT TITLE

For short title of title II of Pub. L. 103-413, which enacted this part, as the "Tribal Self-Governance Act of 1994", see section 201 of Pub. L. 103-413, set out as a Short Title of 1994 Amendment note under section 450 of this title.

CONGRESSIONAL STATEMENT OF FINDINGS

Section 202 of Pub. L. 103-413 provided that: "Congress finds that—

"(1) the tribal right of self-government flows from the inherent sovereignty of Indian tribes and nations;

"(2) the United States recognizes a special government-to-government relationship with Indian tribes, including the right of the tribes to self-governance, as reflected in the Constitution, treaties, Federal statutes, and the course of dealings of the United States with Indian tribes;

"(3) although progress has been made, the Federal bureaucracy, with its centralized rules and regulations, has eroded tribal self-governance and dominates tribal affairs;

"(4) the Tribal Self-Governance Demonstration Project [established by title III of Pub. L. 93-638, formerly set out as a note under 25 U.S.C. 450f] was designed to improve and perpetuate the government-to-government relationship between Indian tribes and the United States and to strengthen tribal control over Federal funding and program management; and

"(5) Congress has reviewed the results of the Tribal Self-Governance Demonstration Project and finds that—

“(A) transferring control to tribal governments, upon tribal request, over funding and decision-making for Federal programs, services, functions, and activities, or portions thereof, is an effective way to implement the Federal policy of government-to-government relations with Indian tribes; and

“(B) transferring control to tribal governments, upon tribal request, over funding and decision-making for Federal programs, services, functions, and activities strengthens the Federal policy of Indian self-determination.”

CONGRESSIONAL DECLARATION OF POLICY

Section 203 of title II of Pub. L. 103-413 provided that: “It is the policy of this title [enacting this part] to permanently establish and implement tribal self-governance—

“(1) to enable the United States to maintain and improve its unique and continuing relationship with, and responsibility to, Indian tribes;

“(2) to permit each Indian tribe to choose the extent of the participation of such tribe in self-governance;

“(3) to coexist with the provisions of the Indian Self-Determination Act [title I of Pub. L. 93-638, see Short Title note set out under section 450 of this title] relating to the provision of Indian services by designated Federal agencies;

“(4) to ensure the continuation of the trust responsibility of the United States to Indian tribes and Indian individuals;

“(5) to permit an orderly transition from Federal domination of programs and services to provide Indian tribes with meaningful authority to plan, conduct, redesign, and administer programs, services, functions, and activities that meet the needs of the individual tribal communities; and

“(6) to provide for an orderly transition through a planned and measurable parallel reduction in the Federal bureaucracy.”

§ 458bb. Selection of participating Indian tribes

Each Indian tribe that is participating in the Tribal Self-Governance Demonstration Project at the Department of the Interior under title III¹ on October 25, 1994, shall thereafter participate in Self-Governance under this part and cease participation in the Tribal Self-Governance Demonstration Project under title III¹ with respect to the Department of the Interior.

(b) Additional participants

(1) In addition to those Indian tribes participating in self-governance under subsection (a) of this section, the Secretary, acting through the Director of the Office of Self-Governance, may select up to 50 new tribes per year from the applicant pool described in subsection (c) of this section to participate in self-governance.

(2) If each tribe requests, two or more otherwise eligible Indian tribes may be treated as a single Indian tribe for the purpose of participating in Self-Governance as a consortium.

(c) Applicant pool

The qualified applicant pool for Self-Governance shall consist of each tribe that—

(1) successfully completes the planning phase described in subsection (d) of this section;

(2) has requested participation in Self-Governance by resolution or other official action by the tribal governing body; and

(3) has demonstrated, for the previous three fiscal years, financial stability and financial management capability as evidenced by the tribe having no material audit exceptions in the required annual audit of the self-determination contracts of the tribe.

(d) Planning phase

Each Indian tribe seeking to begin participation in Self-Governance shall complete a planning phase in accordance with this subsection. The tribe shall be eligible for a grant to plan and negotiate participation in Self-Governance. The planning phase shall include—

(3) Subject to paragraph (4) of this subsection and paragraphs (1) through (3) of subsection (b) of this section, the Secretary shall provide funds to the tribe under an agreement under this part for programs, services, functions, and activities, or portions thereof, in an amount equal to the amount that the tribe would have been eligible to receive under contracts and grants under this subchapter, including amounts for direct program and contract support costs and, in addition, any funds that are specifically or function-

“(1) the tribal right of self-government flows from the inherent sovereignty of Indian tribes and nations;

“(2) the United States recognizes a special government-to-government relationship with Indian tribes, including the right of the Indian tribes to self-governance, as reflected in the Constitution, treaties, Federal statutes, and the course of dealings of the United States with Indian tribes;

“(3) although progress has been made, the Federal bureaucracy, with its centralized rules and regulations, has eroded tribal self-governance and dominates tribal affairs;

“(4) the Tribal Self-Governance Demonstration Project, established under title III of the Indian Self-Determination and Education Assistance Act (Pub. L. 93-638, former) 25 U.S.C. 450f note) was designed to improve and perpetuate the government-to-government relationship between Indian tribes and the United States and to strengthen tribal control over Federal funding and program management;

“(5) although the Federal Government has made considerable strides in improving Indian health care, it has failed to fully meet its trust responsibilities and to satisfy its obligations to the Indian tribes under treaties and other laws; and

“(6) Congress has reviewed the results of the Tribal Self-Governance Demonstration Project and finds that transferring full control and funding to tribal governments, upon tribal request, over decision making for Federal programs, services, functions, and activities (or portions thereof)—

“(A) is an appropriate and effective means of implementing the Federal policy of government-to-government relations with Indian tribes; and

“(B) strengthens the Federal policy of Indian self-determination.”

DECLARATION OF POLICY

Pub. L. 106-260, §3, Aug. 18, 2000, 114 Stat. 712, provided that: “It is the policy of Congress—

“(A) to enable the United States to maintain and improve its unique and continuing relationship with, and responsibility to, Indian tribes;

“(B) to permit each Indian tribe to choose the extent of its participation in self-governance in accordance with the provisions of the Indian Self-Determination and Education Assistance Act [25 U.S.C. 450 et seq.] relating to the provision of Federal services to Indian tribes;

“(C) to ensure the continuation of the trust responsibility of the United States to Indian tribes and Indian individuals;

“(D) to affirm and enable the United States to fulfill its obligations to the Indian tribes under treaties and other laws;

“(E) to strengthen the government-to-government relationship between the United States and Indian tribes through direct and meaningful consultation with all tribes;

“(F) to permit an orderly transition from Federal domination of programs and services to provide Indian tribes with meaningful authority, control, funding, and discretion to plan, conduct, redesign, and administer programs, services, functions, and activities (or portions thereof) that meet the needs of the individual tribal communities;

“(G) to provide for a measurable parallel reduction in the Federal bureaucracy as programs, services, functions, and activities (or portion thereof) are assumed by Indian tribes;

“(H) to encourage the Secretary to identify all programs, services, functions, and activities (or portions thereof) of the Department of Health and Human Services that may be managed by an Indian tribe under this Act [see Short Title of 2000 Amendments note set out under section 450 of this title] and to assist Indian tribes in assuming responsibility for such programs, services, functions, and activities (or portions thereof); and

Compacts or funding agreements negotiated between the Secretary and an Indian tribe shall include a provision that requires the Indian tribe to report on health status and service delivery—

(A) to the extent such data is not otherwise available to the Secretary and specific funds for this purpose are provided by the Secretary under the funding agreement; and

(B) if such reporting shall impose minimal burdens on the participating Indian tribe and such requirements are promulgated under section 458aaa-16 of this title.

(2) Reassumption

(A) In general

Compacts or funding agreements negotiated between the Secretary and an Indian tribe shall include a provision authorizing the Secretary to reassume operation of a program, service, function, or activity (or portions thereof) and associated funding if there is a specific finding relative to that program, service, function, or activity (or portion thereof) of—

(i) imminent endangerment of the public health caused by an act or omission of the Indian tribe, and the imminent endangerment arises out of a failure to carry out the compact or funding agreement; or

(ii) gross mismanagement with respect to funds transferred to a tribe by a compact or funding agreement, as determined by the Secretary in consultation with the Inspector General, as appropriate.

(B) Prohibition

The Secretary shall not reassume operation of a program, service, function, or activity (or portions thereof) unless—

(i) the Secretary has first provided written notice and a hearing on the record to the Indian tribe; and

(ii) the Indian tribe has not taken corrective action to remedy the imminent endangerment to public health or gross mismanagement.

(C) Exception

(i) In general

Notwithstanding subparagraph (B), the Secretary may, upon written notification to the Indian tribe, immediately reassume operation of a program, service, function, or activity (or portion thereof) if—

(I) the Secretary makes a finding of imminent substantial and irreparable endangerment of the public health caused by an act or omission of the Indian tribe; and

(II) the endangerment arises out of a failure to carry out the compact or funding agreement.

(ii) Reassumption

If the Secretary reassumes operation of a program, service, function, or activity (or portion thereof) under this subparagraph, the Secretary shall provide the Indian tribe with a hearing on the record not later than 10 days after such reassumption.

(D) Hearings

In any hearing or appeal involving a decision to reassume operation of a program, service, function, or activity (or portion thereof), the Secretary shall have the burden

of proof of demonstrating by clear and convincing evidence the validity of the grounds for the reassumption.

(b) Final offer

In the event the Secretary and a participating Indian tribe are unable to agree, in whole or in part, on the terms of a compact or funding agreement (including funding levels), the Indian tribe may submit a final offer to the Secretary. Not more than 45 days after such submission, or within a longer time agreed upon by the Indian tribe, the Secretary shall review and make a determination with respect to such offer. In the absence of a timely rejection of the offer, in whole or in part, made in compliance with subsection (c) of this section, the offer shall be deemed agreed to by the Secretary.

(c) Rejection of final offers

(1) In general

If the Secretary rejects an offer made under subsection (b) of this section (or one or more provisions or funding levels in such offer), the Secretary shall provide—

(A) a timely written notification to the Indian tribe that contains a specific finding that clearly demonstrates, or that is supported by a controlling legal authority, that—

(i) the amount of funds proposed in the final offer exceeds the applicable funding level to which the Indian tribe is entitled under this part;

(ii) the program, function, service, or activity (or portion thereof) that is the subject of the final offer is an inherent Federal function that cannot legally be delegated to an Indian tribe;

(iii) the Indian tribe cannot carry out the program, function, service, or activity (or portion thereof) in a manner that would not result in significant danger or risk to the public health; or

(iv) the Indian tribe is not eligible to participate in self-governance under section 458aaa-2 of this title;

(B) technical assistance to overcome the objections stated in the notification required by subparagraph (A);

(C) the Indian tribe with a hearing on the record with the right to engage in full discovery relevant to any issue raised in the matter and the opportunity for appeal on the objections raised, except that the Indian tribe may, in lieu of filing such appeal, directly proceed to initiate an action in a Federal district court pursuant to section 450m-1(a) of this title; and

(D) the Indian tribe with the option of entering into the severable portions of a final proposed compact or funding agreement, or provision thereof, (including a lesser funding amount, if any), that the Secretary did not reject, subject to any additional alterations necessary to conform the compact or funding agreement to the severed provisions.

(2) Effect of exercising certain option

If an Indian tribe exercises the option specified in paragraph (1)(D), that Indian tribe shall

retain the right to appeal the Secretary's rejection under this section, and subparagraphs (A), (B), and (C) of that paragraph shall only apply to that portion of the proposed final compact, funding agreement, or provision thereof that was rejected by the Secretary.

(d) Burden of proof

With respect to any hearing or appeal or civil action conducted pursuant to this section, the Secretary shall have the burden of demonstrating by clear and convincing evidence the validity of the grounds for rejecting the offer (or a provision thereof) made under subsection (b) of this section.

(e) Good faith

In the negotiation of compacts and funding agreements the Secretary shall at all times negotiate in good faith to maximize implementation of the self-governance policy. The Secretary shall carry out this part in a manner that maximizes the policy of tribal self-governance, in a manner consistent with the purposes specified in section 3 of the Tribal Self-Governance Amendments of 2000.

(f) Savings

To the extent that programs, functions, services, or activities (or portions thereof) carried out by Indian tribes under this part reduce the administrative or other responsibilities of the Secretary with respect to the operation of Indian programs and result in savings that have not otherwise been included in the amount of tribal shares and other funds determined under section 458aaa-7(c) of this title, the Secretary shall make such savings available to the Indian tribes, inter-tribal consortia, or tribal organizations for the provision of additional services to program beneficiaries in a manner equitable to directly served, contracted, and compacted programs.

(g) Trust responsibility

The Secretary is prohibited from waiving, modifying, or diminishing in any way the trust responsibility of the United States with respect to Indian tribes and individual Indians that exists under treaties, Executive orders, other laws, or court decisions.

(h) Decisionmaker

A decision that constitutes final agency action and relates to an appeal within the Department of Health and Human Services conducted under subsection (c) of this section shall be made either—

- (1) by an official of the Department who holds a position at a higher organizational level within the Department than the level of the departmental agency in which the decision that is the subject of the appeal was made; or
- (2) by an administrative judge.

§ 458aaa-7. Transfer of funds**(a) In general**

Pursuant to the terms of any compact or funding agreement entered into under this part, the Secretary shall transfer to the Indian tribe all funds provided for in the funding agreement, pursuant to subsection (c) of this section, and provide funding for periods covered by joint resolution adopted by Congress making continuing appropriations, to the extent permitted by such resolutions. In any instance where a funding agreement requires an annual transfer of funding to be made at the beginning of a fiscal year, or requires semiannual or other periodic transfers of funding to be made commencing at the beginning of a fiscal year, the first such transfer shall be made not later than 10 days after the apportionment of such funds by the Office of Management and Budget to the Department, unless the funding agreement provides otherwise.

(b) Multiyear funding

The Secretary is authorized to employ, upon tribal request, multiyear funding agreements. References in this part to funding agreements shall include such multiyear funding agreements.

(c) Amount of funding

The Secretary shall provide funds under a funding agreement under this part in an amount equal to the amount that the Indian tribe would have been entitled to receive under self-determination contracts under this subchapter, including amounts for direct program costs specified under section 450j-1(a)(1) of this title and amounts for contract support costs specified under section 450j-1(a) (2), (3), (5), and (6) of this title, including any funds that are specifically or functionally related to the provision by the Secretary of services and benefits to the Indian tribe or its members, all without regard to the organizational level within the Department where such functions are carried out.

(d) Prohibitions**(1) In general**

Except as provided in paragraph (2), the Secretary is expressly prohibited from—

(A) failing or refusing to transfer to an Indian tribe its full share of any central, headquarters, regional, area, or service unit office or other funds due under this subchapter, except as required by Federal law;

(B) withholding portions of such funds for transfer over a period of years; and

(C) reducing the amount of funds required under this subchapter—

(i) to make funding available for self-governance monitoring or administration by the Secretary;

(ii) in subsequent years, except pursuant to—

(I) a reduction in appropriations from the previous fiscal year for the program or function to be included in a compact or funding agreement;

(II) a congressional directive in legislation or accompanying report;

(III) a tribal authorization;

(IV) a change in the amount of pass-through funds subject to the terms of the funding agreement; or

(V) completion of a project, activity, or program for which such funds were provided;

(iii) to pay for Federal functions, including Federal pay costs, Federal employee retirement benefits, automated data processing, technical assistance, and monitoring of activities under this subchapter; or

(iv) to pay for costs of Federal personnel displaced by self-determination contracts under this subchapter or self-governance;

(2) Exception

The funds described in paragraph (1)(C) may be increased by the Secretary if necessary to carry out this subchapter or as provided in section 450j(c)(2) of this title.

(e) Other resources

In the event an Indian tribe elects to carry out a compact or funding agreement with the use of Federal personnel, Federal supplies (including supplies available from Federal warehouse facilities), Federal supply sources (including lodging, airline transportation, and other means of transportation including the use of interagency motor pool vehicles) or other Federal resources (including supplies, services, and resources available to the Secretary under any procurement contracts in which the Department is eligible to participate), the Secretary shall acquire and transfer such personnel, supplies, or resources to the Indian tribe.

(f) Reimbursement to Indian Health Service

With respect to functions transferred by the Indian Health Service to an Indian tribe, the Indian Health Service shall provide goods and services to the Indian tribe, on a reimbursable basis, including payment in advance with subsequent adjustment. The reimbursements received from those goods and services, along with the funds received from the Indian tribe pursuant to this part, may be credited to the same or subsequent appropriation account which provided the funding, such amounts to remain available until expended.

(g) Prompt Payment Act

Chapter 39 of title 31 shall apply to the transfer of funds due under a compact or funding agreement authorized under this part.

(h) Interest or other income on transfers

An Indian tribe is entitled to retain interest earned on any funds paid under a compact or funding agreement to carry out governmental or health purposes and such interest shall not diminish the amount of funds the Indian tribe is authorized to receive under its funding agreement in the year the interest is earned or in any subsequent fiscal year. Funds transferred under this part shall be managed using the prudent investment standard.

(i) Carryover of funds

All funds paid to an Indian tribe in accordance with a compact or funding agreement shall remain available until expended. In the event that an Indian tribe elects to carry over funding from 1 year to the next, such carryover shall not diminish the amount of funds the Indian tribe is authorized to receive under its funding agreement in that or any subsequent fiscal year.

(j) Program income

All Medicare, Medicaid, or other program income earned by an Indian tribe shall be treated as supplemental funding to that negotiated in the funding agreement. The Indian tribe may retain all such income and expend such funds in the current year or in future years except to the extent that the Indian Health Care Improvement Act (25 U.S.C. 1601 et seq.) provides otherwise for Medicare and Medicaid receipts. Such funds shall not result in any offset or reduction in the amount of funds the Indian tribe is authorized to receive under its funding agreement in the year the program income is received or for any subsequent fiscal year.

(k) Limitation of costs

An Indian tribe shall not be obligated to continue performance that requires an expenditure of funds in excess of the amount of funds transferred under a compact or funding agreement. If at any time the Indian tribe has reason to believe that the total amount provided for a specific activity in the compact or funding agreement is insufficient the Indian tribe shall provide reasonable notice of such insufficiency to the Secretary. If the Secretary does not increase the amount of funds transferred under the funding agreement, the Indian tribe may suspend performance of the activity until such time as additional funds are transferred.
