ASSOCIATION FOR PROGRESSIVE COMMUNICATIONS**EXECUTIVE BOARD'S RESPONSIBILITIES AND APPROVAL****ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013**

The association are required by their Bylaws, to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the association as at the end of the financial year and the results of its operations and cash flows for the year then ended, in conformity with its accounting policies. The external auditors are engaged to express an independent opinion on the annual financial statements.

The annual financial statements are prepared in accordance with our accounting policies and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgements and estimates.

The board acknowledge that they are ultimately responsible for the system of internal financial controls established by the association and place considerable importance on maintaining a strong control environment. To enable the board to meet these responsibilities, the management committee sets out standards for internal control aimed at reducing the risk of error or loss in a cost - effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the association and employees are required to maintain the highest ethical standards in ensuring the association's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the organisation is on identifying, assessing, managing and monitoring all known forms of risk across the association. While operating risk cannot be fully eliminated, the association endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The board are of the opinion, based on the information and explanations given by management, that the system of internal controls provides reasonable assurance that the financial records may be relied on for the presentation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The board have reviewed the association's cash flow forecast for the year to 31st December 2014 and, in the light of this review and the current financial position, they are satisfied that the association has or has access to adequate resources to continue in operational existence for the foreseeable future.

Although the board is primarily responsible for the financial affairs of the association, it is supported by the association's external auditors.

The external auditors are responsible for independently reviewing and reporting on the association's annual financial statements. The annual financial statements have been examined by the association's external auditors and their report is presented on pages 2 and 3.

The annual financial statements set out on pages 4 to 39, were approved by the board on the 15th June 2014 and were signed on its behalf by:

INDEPENDENT AUDITOR'S REPORT**TO THE EXECUTIVE BOARD****ASSOCIATION FOR PROGRESSIVE COMMUNICATIONS****Report on the financial statements**

We have audited the accompanying financial statements of the Association for Progressive Communications which comprise the executive board's report, statement of financial position as at 31 December 2013, and the statement of comprehensive income, statement of changes in reserves and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory notes set out on pages 4 to 18.

The Executive board's responsibility for the financial statements

The association's executive board is responsible for the preparation and the fair presentation of these financial statements in accordance with its accounting policies. This responsibility includes : designing implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing. These standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Unqualified Opinion

In our opinion, these financial statements fairly present, in all material respects, the financial position of the Association for Progressive Communications as at 31 December 2013, and of its financial performance and its cash flows for the year then ended in accordance with its accounting policies.

Emphasis of Matter

Without qualifying our opinion we draw attention to the following matter :

1. As is explained in note 12 to the financial statements, the association needs ongoing donor support if it is to continue operations. These financial statements have been prepared on the basis of accounting practices applicable to a going concern which assumes that the association will generate sufficient funds by way of grants from donors to continue funding its activities in the ensuing year. Accordingly they do not include any adjustments, relating to the recoverability and classification of assets or to the amounts and classification of liabilities, that would be necessary if the association were unable to continue as a going concern.

Supplementary information

The supplementary schedules set out on pages 19 to 39 do not form part of the annual financial statements and are presented as additional information. We have not audited these schedules and accordingly we do not express an opinion on them.

ASSOCIATION FOR PROGRESSIVE COMMUNICATIONS

REPORT OF THE EXECUTIVE BOARD FOR THE YEAR ENDED 31 DECEMBER 2013

Your Executive Board presents its report, together with the audited annual financial statements of the Association for the year ended 31 December 2013.

General

The principal object of the association is to empower and support organisations, social movements and individuals in and through the use of information and communication technologies to build strategic communities and initiatives for the purpose of making meaningful contributions to equitable human development, social justice, participatory political processes and environmental sustainability.

Results for the year

The results of operations for the year are fully disclosed in the attached annual financial statements.

Equipment

During the year under review, the Association acquired equipment to the value of USD Nil (2012 - USD Nil).

Post financial position events

No material fact or circumstance has occurred between the statement of financial position date and the date of this report.

Executive Board of the Association

The following served on the Board during the year under review :-

Anriette Esterhuysen, South Africa (executive director)
Valentina Pellizzer, Bosnia and Herzegovina (chair)
Andrew Garton, Australia/Indonesia (secretary)
J Casasbuenas, (treasurer), Colombia
Graciela Selaimen, Brazil
Shahzad Ahmad, Pakistan
Liz Probert, United Kingdom

Auditors

Douglas and Velcich were retained as auditors.

ASSOCIATION FOR PROGRESSIVE COMMUNICATIONS

NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2013

1. ACCOUNTING POLICIES

The financial statements are prepared on the historical cost basis, except for financial instruments as indicated below. The financial statements incorporate the following principal accounting policies which are consistent, in all material respects, with those applied in the previous year :-

1.1 Accounting convention

The Association is registered as a nonprofit public benefit corporation under the Nonprofit Public Benefit Corporation Law for charitable purposes under the Office of the Secretary of State of California Act, and as such is a corporation not organised for the private gain of any person.

1.2 Equipment

The cost of an item of tangible assets is recognised as an asset when:

- it is probable that future economic benefits associated with the item will flow to the association; and
- the cost of the item can be measured reliably.

Costs include costs incurred initially to acquire or construct an item of tangible assets and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of tangible assets, the carrying amount of the replaced part is derecognised.

Tangible assets are carried at cost less accumulated depreciation and any impairment losses.

Depreciation is provided on all tangible assets other than freehold land, to write down the cost, less residual value, by equal instalments over their useful lives as follows:

Item	Useful life
Computer equipment	3 years
Furniture and fittings	5 years

The depreciation charge for each period is recognised in profit or loss, unless it is included in the carrying amount of another asset.

The gain or loss arising from the derecognising of an item of equipment is included in profit or loss when the item is derecognised. The gain or loss arising from the derecognising of an item of equipment is determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item.

ASSOCIATION FOR PROGRESSIVE COMMUNICATIONS**NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR
THE YEAR ENDED 31 DECEMBER 2013 (Continued)****1. ACCOUNTING POLICIES (Continued)****1.3 Financial instruments****Measurement**

Financial instruments carried on the statement of financial position include bank balances, accounts receivables and accounts payable. Financial instruments are initially measured at cost as at trade date, which includes transaction costs. Subsequent to initial recognition, these instruments are measured as set out below :-

Cash and cash equivalents

Cash and cash equivalents are measured at fair value.

Accounts receivable

Accounts receivables originated by the association are treated as loans and receivables, and are carried at amortised cost.

Accounts payable

Accounts payable which are short - term obligation, are stated at their nominal value.

1.4 Impairment

The carrying amounts of assets are reviewed at financial position date to determine whether there is any indication of impairment. If there is such indication, the assets are written down to the estimated recoverable amounts. The recoverable amount is the higher of the net selling price and the value in use.

1.5 Provisions

Provisions are recognised when the association has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation can be made.

1.6 Income recognition

Income from grant and contract income is generally recognised and brought to account in the period to which it relates. All other income is brought to account as and when received.

1.7 Interest income

Interest is brought to account as and when received.

ASSOCIATION FOR PROGRESSIVE COMMUNICATIONS**NOTES TO THE ANNUAL FINANCIAL STATEMENTS FOR
THE YEAR ENDED 31 DECEMBER 2013 (Continued)****1. ACCOUNTING POLICIES (Continued)****1.8 Expenditure**

Expenditure is accounted for on the accrual basis of accounting.

1.9 Project accounting and expense allocation

In terms of its contractual obligations to donors, the association's policy is to allocate project expenses that are clearly identifiable as such, directly against project funds. Indirect and shared costs are either apportioned on the basis of management estimates, or accounted for in the management systems fund or recovered through either the levy of a project implementation, consulting or administration fee.

Accrued and deferred grant income is based on the balance of the project fund after taking into account the direct, indirect and shared costs as described above. The unexpended surplus of the project fund is deferred to the following year or the deficit is accrued in the year under review.

1.10 Employee benefits**Short-term employee benefits**

The cost of short-term employee benefits, (those payable within 12 months after the service is rendered, such as paid vacation leave and sick leave, bonuses, and non-monetary benefits such as medical care), are recognised in the period in which the service is rendered and are not discounted.

The expected cost of compensated absences is recognised as an expense as the employee renders service that increases their entitlement or, in the case of non-accumulating absences, when the absence occurs.

The expected cost of bonus payments is recognised as an expense when there is a legal or constructive obligation to make such payments as a result of past performance.

Working capital changes	(40 662)	44 076
Decrease/(increase) in accounts receivable	13 369	(5 241)
(Decrease)/increase in accounts payable	(54 031)	49 317
Cash generated from operations	610 687	170 381

12. GOING CONCERN

The existence of the association is dependent on the continued support of its donors, by way of grants. Should the grants be withdrawn it is highly unlikely that the association will be able to continue as a going concern. Donors have agreed to continue supporting the association in 2014. The Association has core grant support from Hivos and Sida beyond the 2013 year.

13. FINANCIAL RISK**13.1 Currency risk**

The association is exposed to currency risk to the extent that grants are received by the association in foreign currency.

13.2 Interest rate risk

The association is exposed to interest rate risk, as it places funds at both fixed and floating interest rates. The risk is managed by maintaining an appropriate mix between fixed and floating rates and placings within market expectations.

13.3 Liquidity risk

The association manages liquidity risk by monitoring forecast cash flows and ensuring that adequate cash reserves are maintained.

ASSOCIATION FOR PROGRESSIVE COMMUNICATIONS

INDEX TO THE SUPPLEMENTARY SCHEDULES
FOR THE YEAR ENDED 31 DECEMBER 2013

Contents	Page
The supplementary schedules set out on pages 20 to 39 are presented for information purposes and are not covered by the audit opinion.
