Application for Registration Fee Credit for a Destroyed Vehicle

Texas Department of Motor Vehicles

The prorated portion of the registration fee for the remainder of the year must be more than $15 before a credit will be authorized.

Instructions

Submit the completed application to your local TxDMV Regional Service Center. Include the following items (if any items are not available, submit a written explanation with this application)**:**

- Your license plates and registration sticker.
- Current registration receipt.
- Negotiable Certificate of Title.
- Photograph of destroyed vehicle.
- Copy of an accident report (or a signed statement by law enforcement) to verify the date, location, and extent of the vehicle's destruction (see below).

NOTE: A registration fee credit voucher, valid for the current or following registration year, will be issued only to the person whose name appears as the owner of the vehicle on the registration and title records at the time the vehicle was destroyed. A destroyed vehicle is considered non-repairable and cannot be rebuilt/reconstructed; it may be sold for parts or crushed. **Registration fee credit vouchers are nontransferable and are not redeemable for cash**.

To process this application, contact your TxDMV Regional Service Center. Regional Service Center locations can be found online at: www.TxDMV.gov.
