Public School Transportation Services Certification

Information

This form must be completed by a commercial transportation company to certify the vehicle is the property of a commercial transportation company and is used exclusively to provide public school transportation services to a school district.

The vehicle must display the name of the exempt agency on each side of the vehicle in letters that are at least two inches high or an emblem at least 100 square inches in size. The letters or emblem must be in a color sufficiently different from the body of the vehicle to be clearly legible from at least 100 feet.

The school district must submit the completed form along with the *Application for Standard Exempt License Plates* (Form VTR-62-A) to the school district's local county tax assessor-collector's office.
