Dear Ms Pinar,

I wish to thank you for your letter of 1st February 2019 requesting UNESCO's patronage for the First Iberoamerican Climántica Youth Camp organized by Climántica Project, from 6-19 April 2019 in Patarra, Puerto Quepos, Puntarenas and Dama Island, Costa Rica.

I would like to congratulate the Climántica Project of Spain on this initiative to stimulate discussion, awareness raising and actions among elementary school children and their communities around the issues of education on climate change. All of these actions can contribute to the Global Action Programme on Education for Sustainable Development.

It is my pleasure, therefore, to inform you that the Director-General has decided to grant UNESCO's patronage to the First Iberoamerican Climántica Youth Camp, and to authorize the use of the Organization's logo, in accordance with the enclosed General Conditions.

Wishing you every success with this event, and looking forward to our continued cooperation in support of education, I remain.

Yours sincerely,

Firmin Edouard Matoko
