Nau mai haere mai ki Te Pūkenga

Welcome to Te Pūkenga

When you enrol with EIT, you'll become part of our Te Pūkenga network supporting ākonga (learners like you), right across Aotearoa.

Te Pūkenga is creating a unified network of polytechnics and industry training organisations to give you the benefit of the strengths of the whole network in your local region.

The aim is to make learning in Hawke's Bay and Tairāwhiti more connected with other parts of Aotearoa to give you more choices in what, where, and how you can learn.

What this means for you

Right now, nothing changes. You'll continue to learn in the same way, in the same place, with the same people.

From 1 January 2023 all EIT learners will be enrolled at Te Pūkenga, instead of EIT. You'll continue to be able to learn in Hawke's Bay and Tairāwhiti but you'll have access to more study options than ever.

Our ākonga will remain at the centre of everything we do. You'll be part of a system that is culturally responsive, honours Te Tiriti o Waitangi, is consistent across the country, and will let you learn at your own pace, in your own place.

Te Pūkenga is here to help you fit learning around your life.

Learn with purpose

Bringing together on-the-job, online and on campus vocational education and training that works with you, for you.

FIND IT LEARN IT BE IT

When you study at EIT you'll get the kind of experiences that will help you gain the knowledge and skills to get ahead, whether you want to break into your chosen career or change direction in life.

Experience being part of a vibrant learning community and be taught by experienced lecturers who have track records as respected academics, researchers and industry professionals.

Get the benefit of EIT's long-established connections with industry throughout New Zealand. Many of our programmes are field-based and hands-on to help you develop relevant work skills, gain practical experience, and get useful industry contacts which can set you on the path to a great job, all while you're studying.

Have the experience of studying at our modern well-equipped campuses, at our regional learning centres or at a pop-up location, and you'll gain invaluable experience using our facilities and state-of-the art technology.

There are a range of full-time, part-time and online study opportunities available to you as well as scholarships and free programme options.

At EIT, you'll get the support you need to help make sure you get rewards for your hard work. If you're serious about study and your future, EIT is right behind you.

Learn in classes that are the right size to make sure you get the involvement and support you need. EIT provides help and guidance with everything from study planning to applying for a job after you complete your studies.

Be supported by lecturers who are here for you, within a learning environment where you are treated as an individual, not a number. They'll know your name and you'll receive one-on-one attention to make sure you get the support to succeed.

YOU'LL KNOW IT WHEN YOU SEE IT

WHAT'S THE DIFFERENCE BETWEEN EIT & A UNIVERSITY?

For those with no formal qualifications or who have been away from study for a while, our entry level certificates are a unique opportunity to progress further into higher level programmes, and eventually to a degree. Or you can go straight into an entry level job position in the first step to a new career.

We also offer vocational study that is tailored to the region's specific requirements, meaning you are qualified and work-ready to get local in-demand jobs.

You no longer have to leave home to get a recognised degree as our degrees (called 'Bachelors') are absolutely equal to those offered at New Zealand universities. In fact, EIT graduates are viewed by local employers to be as good as graduates from anywhere else.

Our postgraduate offerings mean you don't have to travel and miss out on work or family to further your career.

However you define your success, when you study at EIT we'll give you the experiences and support you need, to help you achieve it.

EXPERIENCED LECTURERS

You can be confident in the quality of our teaching and your learning experience at EIT.

EIT is one of the top ITPs in New Zealand for research excellence due to the quality of our community centred research, and associated publications and level of government and external grant income.

This means that your lecturers use the latest knowledge and research in their field of expertise to inform their teaching, and many are at the forefront of knowledge creation within their discipline area.

We ensure that we provide our learners with opportunities to generate knowledge during their programme of study, providing meaningful, authentic and deep learning experiences.

We are committed to providing our learners with a rich and rewarding research informed education experience through developing enquiring minds; exposure to the latest knowledge and thinking; and changing the nature of the dialogue between lecturer and learner to become one of partnership.

HOW WE'LL SUPPORT YOU

Studying takes determination, commitment and self-discipline. As a student at EIT, you can get support to help you focus on what really matters – your studies and your future.

When you become a student at EIT, it may be your first time away from home, or the first time you've studied at a tertiary level. It may all be very new to you.

Your studies will take up a lot of your time, so you may need a hand with other parts of life.

To help you get the most out of your time here, EIT offers you support in all sorts of ways. Whether you're after help to choose the right subjects or you need some guidance to show you the best way to get into your chosen career, there's someone available to help.

Get personal one-on-one help from EIT's friendly experts who have plenty of experience assisting students like you. They're on campus to offer advice, information and guidance.

We want your time at EIT to be exciting, productive and successful, so make sure you take advantage of all the support we offer.

DISCOVER YOUR IT

Some people know exactly what they want to do in life, so choosing what to study is easy for them. They know what they are good at; they know their strengths and how they want to use them. But for many people it's not so easy. There are lots of courses, many different jobs, and plenty of career choices out there. So making the right decision about what to study can seem daunting.

It's important to get lots of information to help you make a well-informed decision. A good place to start is the Government's Careers NZ website at careers.govt.nz.

It's a good idea to think about what you're interested in. Spend some time thinking about what you like and don't like, and what you're good at. If you have a profession in mind, you could talk to people who are working in the industry. They can tell you which skills, experience and qualifications you need.

You may find that you have knowledge, skills or previous achievements that can count towards your qualification. At EIT, we've got lots of experience supporting students to make important decisions and pointing them in the right direction. Come and have a chat with us. We can put you in touch with programme coordinators and arrange an appointment to talk with the career's advisor about your career, training and education choices.

SUPPORT SERVICES AVAILABLE

For a full list of services available, visit eit.ac.nz/students

CHILDCARE

Ōtātara Children's Centre at EIT Hawke's Bay and Manaaki Tamariki Childcare Centre at EIT Tairāwhiti are available, giving you peace of mind that your children are in safe hands while you study. Bookings are essential.

EIT STUDENTS' ASSOCIATION

YOUUnited is here to represent you. From looking after your interests to organising social events and activities. Plus YOUUnited arranges discounts and exclusive deals for EIT students only.

SCHOOLS & COMMUNITY LIAISON

EIT's liaison team can hold events and presentations for schools, community and industry, either on campus or at your location. In addition to information and enrolment days, groups and individuals can book a campus tour year-round.

ACADEMIC LEARNING SERVICES

You can get help and advice on all aspects of study, including study skills, writing assignments, computing, maths, academic writing and planning study time.

TRADES ACADEMY

If you're at secondary school you can get practical, hands-on training in trades and other programmes, one or two days a week, and earn credits towards your NCEA Level 3 qualification.

CHAPLAINCY

EIT has a team of chaplains available for you. They are mostly volunteers and represent all the main faiths and forms of spirituality.

BOOKSHOP

The Ōtātara Bookshop caters for stationery and textbook needs for students on all campuses. The shop also sells stamps, a range of greeting cards and small gift items.

POUWHIRINAKI - MĀORI & PASIFIKA STUDENT SUPPORT

You can get advice, mentoring and support in pastoral care, cultural needs and values, te reo Māori, waiata and tikanga, scholarships, iwi and hapū registrations and grants.

MĀORI & PASIFIKA

Our support team works with organisations, fanau, iwi, hapū and whānau. You can get guidance with study options, academic support and much more.

STAR & GATEWAY

Want help making the move from secondary school to tertiary education and training, plus gain credits towards your chosen career qualification while studying NCEA? Talk to the STAR/Gateway Coordinator.

DISABILITY & WELLBEING SERVICES

Dedicated support includes adaptive technology, alternative exam arrangements, assistance with funding and disability car parking on-campus.

CAREER DEVELOPMENT

EIT Career Development Services can help you make career choices, work out what to study, and give you guidance and information about finding a job, or kick-starting your career.

DISABILITY & WELLBEING SUPPORT

Barbara West
Student Disability & Wellbeing Advisor
(Hawke's Bay Campus)

Karen Albert
Student Support Advisor (Tairāwhiti Campus)

Support is available for students with disabilities which includes physical, intellectual, sensory, and learning (including specific learning needs such as dyslexia, dyspraxia, dysgraphia) and mental health conditions. Support is designed to provide equitable opportunities to disabled students and is available to all students with permanent or temporary disabilities or health conditions, including when recovering from injury or surgery. We are dedicated to providing an environment that gives students opportunities to achieve their maximum academic and personal potential.

EIT is committed to the principles of Kia Ōrite, the Code of Practice for an inclusive tertiary environment. Services are available depending upon your needs and range from information and advice to alternative arrangements for tests and exams.

Contact us early so we can assist you confidentially with your requirements.

Hawke's Bay Campus on (06) 974 8000

Tairāwhiti Campus on (06) 869 0810

CAREER PREPARATION

If you need study or career advice, come and talk to Shelley Oliver. Shelley can help with your career preparation, helping you to explore different career opportunities and help choose the right study options for you. The following services are offered to all current students and graduates of EIT.

- ▶ Career Planning
- ▶ Career Preparation
- ▶ Course Advice
- ▶ CV and Cover Letter
- ▶ Job Search Strategies
- ▶ Interview Preparation
- ▶ Job Vacancies.

Career planning and course advice is offered to future students and members of the public who are considering their future study and employment options.

Shelley Oliver (Hawke's Bay Campus)

CAMPUSES BUILT FOR YOUR NEEDS

EIT offers you qualifications from certificate to postgraduate level at campuses in Hawke's Bay, Tairāwhiti (Gisborne) and Auckland (International only). Or you can learn closer to home at one of the Regional Learning Centres in Hastings, Maraenui, Ruatoria, Waipukurau and Wairoa, plus other pop-up centres near you.

EIT Hawke's Bay, located in Taradale is one of New Zealand's most attractive campuses with superb architecture and shaded outdoor areas for study and relaxation on warm days. EIT's main campus in Tairāwhiti and our Rural Studies Unit are in the heart of Gisborne, near the Taruheru River, and you can't get more central than EIT Auckland's location on Queen Street.

Our Regional Learning Centres are conveniently located, easy to access, close to public transport, where available and tailored to meet the needs of students and staff.

Our campuses have top quality facilities, purpose-built for EIT programmes, including high-tech trades workshops, professional-standard training kitchens and fully-equipped wine science and viticulture laboratories.

EIT's libraries put resources at your fingertips, with expert librarians on-hand to help you. You can get your textbooks and stationery from the Ōtātara Bookshop at the Hawke's Bay Campus and make use of the campus-wide free wifi.

You can have your work professionally printed through our fully-equipped printing services (Reprographics) who handle everything from large format printing to document binding, for a price that won't put a dent in your finances.

Hungry after all your study? You can enjoy bustling campus cafés and student training cafés to catch up with fellow students over a cup of coffee or lunch.

The EIT Tairāwhiti main campus is located in the city centre

Gisborne city centre

WHERE YOU CAN LIVE WHILE YOU STUDY

Accommodation is available in the EIT Student Village opposite the Hawke's Bay Campus. Evaluated by Qualmark New Zealand with a 4 star plus student accommodation rating and has a silver environmental award.

The Student Village is a self-catering complex of 12 villas housing six students in each. Both New Zealand and international students live together (mixed gender). Each student has their own furnished bedroom. Students share lounge, kitchen, dining, laundry and bathroom facilities in each villa.

It is a great environment to meet other students, study and relax together. The EIT Student Village is located opposite the Hawke's Bay campus and is next to the Pettigrew Green Arena and bus stops for both Napier and Hastings.

There are regular office hours and 24-hour support arrangements for resident students.

The EIT Student Village is \$200 per week with a minimum of 10 weeks in advance (\$2,000), plus a \$400 bond payable on application and includes:

- ▶ Single furnished bedroom
- ▶ Furnished kitchen, dining and lounge
- ▶ Bathroom and laundry facilities
- ▶ Storage shed in each villa
- ▶ Onsite car parking

You can contract for the academic year (40 weeks) or one semester (20 weeks). Where the programme is shorter than one semester you can contract for the length of your enrolled programme based on room availability.

Rooms fill fast so enquire today.

Contact: eitsv@eit.ac.nz or download an application form at eit.ac.nz.

Other accommodation options include:

- ▶ The Lime Tree, a new, modern student lifestyle village in Hastings. The Lime Tree has a mix of spacious comfortable single and twin share rooms with separate well-appointed bathrooms.
- ▶ Flats on York or Flats on Gloucester, are ideal for students who want flexibility and independence, or those with partners.

STUDY ONLINE WITH EIT & eCAMPUS NZ

eCAMPUS NZ

Gain industry-recognised education through flexible online study at eCampus.

Brought to you by several of New Zealand's major tertiary education providers including EIT, eCampus is an alternative tertiary education service that is leading edge and puts your needs first. Study the way you want to - all eCampus programmes are able to be studied part-time and have flexible start dates.

This means you have the freedom to choose when to study and how to make your programme meet your requirements. You will be supported by your own personal advisor who will follow you through your learning journey, helping you along the way to reach your study goals.

To find out more check out online.eit.ac.nz

BUSINESS

NZ Certificate in Business (Small Business) [Level 3 & 4]

Prepare to start a small business – identify and assess the opportunities and requirements for small businesses. This programme will prepare you well for small business in New Zealand.

NZ Certificate in Business (Introduction to Team Leadership) [Level 3]

Become a team leader with the confidence you need to succeed. Take your first step to management by gaining the skills and most importantly the confidence to give direction, feedback and motivation.

NZ Certificate in Business (Administration and Technology) [Level 3 & 4]

The administration team is often the oil that ensures the smooth running of a business or organisation. It takes systems knowledge and expertise to provide great service to the rest of the team and increase productivity. You will learn the finer points of delivering high quality administrative support to your organisation.

NZ Certificate in Business (Accounting Support Services) [Level 4]

The purpose of this qualification is to provide New Zealand business entities with people who can carry out a broad range of accounting support services to work in a range of accounting support and bookkeeping roles in business entities.

NZ Certificate in Project Management [Level 4]

So you want to move into project management? Arm yourself with the knowledge and skills to lead, plan and execute a project with confidence. Learn the complex techniques to successful project management and develop your planning and problem solving skills.

NZ Certificate in Business (First Line Management) [Level 4]

Become a leader who motivates and inspires a team.

Managing a team is all about having the confidence and the techniques to lead effectively. Gain the self-assurance to be a great leader. This programme will give you the systems and tools to lead in a capable and confident manner and the motivation to take your career in management to the next level.

NZ Diploma in Business [Level 5]

Advance yourself – gain the tools you require to be a great business person. Specialise in leadership and management, accounting, administration and technology, human resources, sales and marketing or project management.

COMPUTING

NZ Certificate in Computing Intermediate User [Level 3]

Balance your family life, work and other commitments comfortably while building on your introductory skills of the Microsoft Suite (Word and Excel) plus learn to use Access database web design skills.

NZ Certificate in Information Technology Essentials [Level 4]

Take the first step to a new career. It's not always easy to change direction or start afresh but the rewards can be powerful. If you have decided that a new career in IT is just what you need, then this certificate will provide the first building block of your new career.

TEACHING

NZ Certificate in Adult and Tertiary Teaching [Level 5]

If you aspire to teach and want a career in adult and tertiary teaching or training, this is a fantastic qualification to set you on your teaching career path.

NZ Certificate in Adult Literacy and Numeracy Education Vocational Workplace [Level 5]

If you are a teaching practitioner and want to develop your skills in teaching numeracy and literacy to adult learners, this qualification is for you. Gain the tools to teach reading, writing and numeracy to adult learners.

Left to right: Ewan Sinclair | NZ Certificate in Tourism [Level 3] Graduate, Michaela Walsh | Bachelor of Nursing Student, Jonathon Markowski | Services Pathway Graduate, Hiraina Green | NZ Certificate in Building, Construction and Allied Trades Skills Student (Tairāwhiti Campus)

FINANCIAL SUPPORT FOR YOUR STUDY

EIT has a number of ways to help financially support your study. This could be through one of the many free programmes we offer (see page 14) or the range of scholarships we have available.

Scholarships make life easier by helping to cover your fees and living expenses while you complete your qualification. You don't always need to be an academic high-flyer to qualify.

We offer scholarships awarded to eligible Māori and Pasifika learners, scholarships for postgraduate students, and scholarships that are generously offered by our industry partners.

EIT's Year 13 Degree Scholarship for instance (see page 15), allows school leavers to study a full year for free. Last year, over 100 students received this grant and will be able to finish their degree with a manageable student loan. For these students this scholarship is one of the reasons why they chose EIT over a bigger university.

EIT is also delighted to be one of the New Zealand tertiary institutions to offer a fees-free year of tuition for eligible first-time tertiary students through the Government Fees-Free initiative.

There are many other scholarships that are specific to the programme that you decide to study, be it nursing, horticulture, business or trades.

So make sure you find out what's available on eit.ac.nz/students/scholarships or for general scholarship information please contact scholarships@eit.ac.nz.

With your name & address for a Year 13 Degree Scholarship Application Pack

UNDERSTANDING QUALIFICATIONS

Programmes & Courses	A programme results in a qualification and consists of a number of courses. Some programmes consist of compulsory courses while others have a selection of elective courses or a combination.
Credits	Courses consist of credits, and when a course is successfully completed, the credits will be counted towards the qualification. One credit usually equals 10 -12 hours of learning.
Levels	Levels indicate the depth of knowledge and complexity of skills required. The higher the level, the more complex the concepts and skill sets. In New Zealand, the levels progress from Level 1 to Level 10.
Entry Criteria	See below for general entry criteria, however most programmes have further entry requirements. Please check specific entry criteria in the relevant programme information at eit.ac.nz.
Short Courses	Do not generally result in formal qualifications.
Certificate	Levels 1 - 4 12 weeks - 2 years Provides an introduction to a subject and may be a pathway to higher level study. Entry Criteria: Open entry - NCEA Level 3
Diploma	Levels 4 - 6 1 - 2 years 120 credits Entry Criteria: NCEA Level 2 or Level 3
Bachelor Degree	Level 7 3 - 4 years 360 credits (Honours: Level 8 480 credits) Entry Criteria: University Entrance
Graduate Certificate Graduate Diploma	Level 7 6 months - 2 years Certificate: 60 credits, diploma 120 credits This allows a degree graduate to study further courses at the same level as their degree but in a different or additional specialisation. Entry Criteria: Bachelor Degree
Postgraduate Certificate Postgraduate Diploma	Level 8 6 months - 1 year Certificate: 60 credits, diploma 120 credits Postgraduate study extends knowledge and skills after completing a bachelor's degree, and prepares students for independent research. Entry Criteria: Bachelor Degree
Master Degree	Levels 9 and above 1.5 - 2 years 120 - 240 credits A master's degree qualifies individuals who apply an advanced body of knowledge in a range of contexts for research, a pathway for further learning and professional practice. Entry Criteria: Bachelor Degree

HOW TO ENROL

Tipuna Jones | NZ Certificate in Exercise [Level 5] Graduate (Tairāwhiti Campus)

HOW TO ENROL

There is an easy 3-step process to follow when enrolling at EIT.

STEP 1

Go online to eit.ac.nz to see the programmes available for you to study at EIT.

Once you find a programme which you are interested in online, you can download the course information to find out more.

STEP 2

Applying through your RealMe account

You can now use your RealMe verified identity to apply for study at EIT. If you use your RealMe verified identity you won't need to provide us with a copy of your primary ID or sign a copy of your application form.

Applying online

If you apply online without using RealMe then you will be sent a summary of your enrolment to check and sign. Your enrolment won't progress until you have sent this back to us. Please return this quickly along with any documentation we request from you, so we can get your enrolment sorted.

Applying by post

You can also apply using a paper enrolment form. Please email us at info@eit.ac.nz and we will send one out to you.

Once your application has been processed, you will receive an acceptance letter from your Faculty with programme information. This will include the start date of your study and any special information regarding your programme. You may also be sent course selection forms which you need to complete and return to EIT. Depending on your chosen programme of study, you may be invited to attend an interview before you are accepted.

STEP 3

Arrangement for full payment of enrolment fees must be made before the start of your programme. You will receive an invoice with payment details.

Fees-Free government scheme: Tertiary education is fees-free for eligible domestic tertiary students. To check if you are eligible, go to FeesFree.govt.nz and enter your National Student Number (NSN).

If you are not eligible you will be responsible for paying your fees.

You can find out more about scholarships and other options for paying your fees at eit.ac.nz.

StudyLink: If you need to pay for your own study you can choose to apply for your Student Loan and Student Allowance with StudyLink. You should do this early, even if you haven't yet been accepted on your programme. You can change your details later if anything changes. Visit studylink.govt.nz to find out more about StudyLink.

0800 22 55 348 | www.eit.ac.nz | info@eit.ac.nz

STUDENT SERVICES LEVY

The Student Services Levy is a compulsory non-tuition fee that is charged to students enrolled at EIT. The levy is to contribute to the provision of quality student services that support learning. The funds received by EIT from the levy are ring-fenced, meaning they can only be spent on student services.

STUDENT LOANS AND ALLOWANCES

StudyLink is a service of the Ministry of Social Development. Apply well before your programme begins (even if you haven't been accepted yet) so you'll be ready to get your payments when you need them most. Check out what you qualify for at studylink.govt.nz.

BEAUTY

Te Kura Kaupapa Hauora, Hākinakina

To find out more check out beauty.eit.ac.nz

In today's busy, stressful world, beauty therapists have people's happiness and wellbeing in their hands. EIT's programmes will give you all the skills you need for a rewarding career in the beauty industry.

Plus you'll get hands-on experience looking after real clients using the latest equipment at "Refresh" - EIT's on-campus beauty therapy clinic.

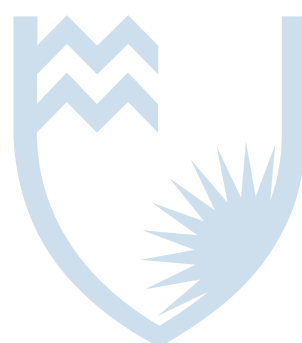

You can start by learning about skincare, makeup techniques and customer service.

Other programmes cover varied beauty therapy treatments, including eyelash tinting, spray tanning, nail treatments and facials.

Advance to the diploma and gain more skills in advanced treatments - skincare, spa treatments and electrolysis.

YOUR CAREER OPPORTUNITIES

There are many job opportunities in the beauty therapy and retail industries, ranging from cosmetic counters through to beauty therapy clinics and day spas.

DIPLOMA

NZ Diploma in Beauty Therapy

Advance your skills with the NZ Diploma in Beauty Therapy, which covers spa treatments, nutritional advice, advanced skin treatments and electrical therapies to enhance people's appearance and make them feel fantastic.

Length	1 year full-time*	Start Date	February and July	Location	Hawke's Bay
--------	-------------------	------------	-------------------	----------	-------------

* Part-time study available.

CERTIFICATES

NZ Certificate in Beauty Therapy [Level 4]

Do you want to help people to feel great? You'll learn all the skills needed to begin working in a beauty therapy clinic. Learn how to do beauty treatments like eye lash tinting, spray tanning, massage and facials. On successful completion of the NZ Certificate in Beauty Therapy, students can progress to the NZ Diploma in Beauty Therapy.

Length	1 year full-time*	Start Date	February and July	Location	Hawke's Bay
--------	-------------------	------------	-------------------	----------	-------------

* Part-time study available.

NZ Certificate in Makeup and Skin Care (Introduction) [Level 3]

If you're interested in learning all the essentials about skin care and makeup, this certificate is the one for you. You'll learn all the latest makeup techniques, and how to advise people on their skincare and products that'll make them look and feel wonderful!

Length	17 weeks full-time	Start Date	February and July	Location	Hawke's Bay Regional Learning Centre
--------	--------------------	------------	-------------------	----------	--------------------------------------

FREE NZ Certificate in Foundation Skills [Level 2]

Get introduced to a range of subject areas and practical skills that will give you options for future work and/or study. You could focus on hair, beauty and wellbeing, or explore a wider range of topics including fitness and exercise, horticulture, hospitality, fashion and outdoor adventure.

Activities are hands-on, and you will learn all about goal setting, communication skills and numeracy within a styling or other context. Practical and theory tasks are combined and embedded throughout all aspects of the programme with a view to providing a foundation for further study or employment.

Length	17 weeks full-time	Start Date	February and July*	Location	Hawke's Bay, Tairāwhiti, Wairoa, Maraenui and Central Hawke's Bay Learning Centres**
--------	--------------------	------------	--------------------	----------	--------------------------------------------------------------------------------------

* February intake available in all locations. July intake available in Hawke's Bay only.

** Programme offering subject to enrolments in some areas.

BUSINESS

Te Kura Kaupapa Kaipakihi

Accounting | Marketing | Digital Business | Management |
Logistics and Supply Chain Management | Human Resources

To find out more check out
business.eit.ac.nz

REAL LIFE . REAL LEARNING . REAL BUSINESS

Join the School of Business for a qualification that can lead to employment locally, nationally or internationally.

At EIT's School of Business you'll receive a strong foundation in all aspects of business with theory and practical experience.

You can choose to specialise in accounting, digital business, operational management, human resources, sales and marketing or entrepreneurship. Your study will also focus on an internship where you can put theory into action to impress a prospective employer.

You'll be taught by expert lecturers in classes which are exactly the right size to give you personal attention and involvement, so you can get down to business.

Our programmes are closely connected to the business and wider community so they are relevant and will help you build your networks for the future.

YOUR CAREER OPPORTUNITIES

In this highly competitive world, businesses and organisations need people with skills and knowledge that can give them an edge.

Opportunities for qualified business people include starting your own business, working in private companies, government and non-profit sectors.

POSTGRADUATE PROGRAMMES

Postgraduate Certificate, Diploma or Master in Digital Business

The Digital Business Postgraduate programmes are designed for those who have completed their Bachelor's degree in Computing, Information Technology, Business or related fields and who aspire to advance their skill level beyond that which they have attained in their Bachelor studies.

The Digital Business suite of Postgraduate programmes focusses on providing a management perspective on contemporary and emerging technologies. Graduates of the programmes will be equipped with the ability to harness digital technologies that will enable them to manage technology for business and effect digital transformation for organisations.

Length	6-24 months full-time*	Start Date	February, May, July, October	Location	Hawke's Bay
--------	------------------------	------------	------------------------------	----------	-------------

* Part-time study available. Length of time depends on qualification chosen.

Postgraduate Certificate, Diploma or Master in Applied Management

These qualifications are designed to broaden your expertise of applied management to ensure your knowledge and skills are current. The applied management qualification combines a masters, postgraduate diploma and a postgraduate certificate into a flexible, multi-layered programme designed to extend, deepen and consolidate your future at the forefront of business and management.

You'll gain specialised business knowledge and skills and the ability to apply business knowledge by building on existing qualifications and experience, resulting in a comprehensive understanding, professional competence and leadership skills in modern business and management.

Length	6-24 months full-time*	Start Date	February, May, July, October	Location	Hawke's Bay (Blended delivery)**
--------	------------------------	------------	------------------------------	----------	----------------------------------

* Part-time study available. Length of time depends on qualification chosen.

** Blended delivery (consisting of self-directed activities, field work and on-campus classes).

Postgraduate Certificate, Diploma or Master in Logistics and Supply Chain Management

The Postgraduate Programme Suite in Logistics and Supply Chain Management will prepare and upskill you so you are capable of working successfully in the 21st century national and global logistics and supply chain industry. The programmes have been specifically designed to provide postgraduate study for those with an undergraduate degree level qualification (or with industry experience deemed to be equivalent).

The programmes are designed to build on knowledge gained from previous study in business or related disciplines and in other degree study. They will provide advanced theoretical and technical skills in logistics and supply chain management and challenge you to critically assess logistics and supply chain systems. The different programmes are designed to meet differing student backgrounds and to prepare graduates for different entry points and roles within the industry.

Length	6-24 months full-time*	Start Date	February, May, July, October	Location	Hawke's Bay
--------	------------------------	------------	------------------------------	----------	-------------

* Part-time study available. Length of time depends on qualification chosen.

Postgraduate Certificate in Business Analytics

Contemporary organisations depend on their data. Increasingly, a successful career requires the ability to explore and critically evaluate data in order to make sense of large and complex data sets. Contemporary professionals must be able to demystify data and present findings to others in a way that is easily and quickly understood.

The Postgraduate Certificate in Business Analytics will provide you with the tool-kit required to confidently work with data. The programme is carefully structured to guide the development of your skills. We begin by building your mastery of Excel as a key data analytic and data presentation tool, and progress through the strategic analysis of financial data to the use of sophisticated data platforms, and data interrogation and presentation tools. As you progress through the programme, you will have the opportunity to relate the topics covered directly to your own organisation. The programme has been structured specifically for industry professionals. Learning is flexible and the programme can be taken at a pace which works around your life.

Length	6 months full-time*	Start Date	February, May, July, October	Location	Blended - face-to-face and online
--------	---------------------	------------	------------------------------	----------	-----------------------------------

* Part-time study available (up to 3 years).

GRADUATE DIPLOMAS

Graduate Diploma in Business

The Graduate Diploma in Business is designed for graduates who wish to increase their knowledge or change direction. This qualification is suitable for business and non-business graduates as well as professionals who need business knowledge to progress in their chosen career.

Endorsements include:

- ▶ Management
- ▶ Logistics and Supply Chain Management
- ▶ Unendorsed
- ▶ Human Resource Management
- ▶ Sales and Marketing

Those with significant business experience but needing certification should apply also.

Length	1 year full-time*	Start Date	February, May, July, October	Location	Hawke's Bay
--------	-------------------	------------	------------------------------	----------	-------------

* Part-time study available.

Graduate Diploma in Professional Accounting

If you have already completed a degree in business studies with a strong component in accounting, this programme will enable you to meet all academic requirements for membership of Chartered Accountants Australia New Zealand (CAANZ) and CPA Australia. This programme prepares you for provisional membership of either professional body.

An extended version of this programme is also open to those with non-accounting and non-business degrees. If you have a degree in a field other than business, you are welcome to apply but you must liaise with the programme coordinator before enrolment.

Length	1 year full-time*	Start Date	February, May, July, October	Location	Hawke's Bay
--------	-------------------	------------	------------------------------	----------	-------------

* Part-time study available.

DEGREES

Bachelor of Business Studies

This degree will give you a strong foundation in business and help you gain the skills today's employers demand. You'll benefit from a wide-ranging business education with plenty of practical experience. We offer Accounting, Management, Marketing and a double major in Management and Marketing and you can choose to specialise in Operational Management or Human Resources. Your study will also focus on real-life business projects and workplace experiences. Small classes and experienced staff mean you'll get the right level of support to show employers you mean business.

This programme distinguishes itself by being practically orientated and having an internship element for real-world learning.

Length	3 years full-time*	Start Date	February, May, July, October	Location	Hawke's Bay and Tairāwhiti**
--------	--------------------	------------	------------------------------	----------	------------------------------

* Part-time study available. ** Accounting and Management majors only available at our Tairāwhiti campus.

DIPLOMA

NZ Diploma in Business

This programme is practically orientated, providing you with a firm understanding of business in New Zealand along with the most valuable attributes that are required in the modern business era. You can choose to specialise in either accounting or leadership and management. Once completed, you can progress directly to the second year of the Bachelor of Business Studies.

Length	1 year full-time*	Start Date	February, May, July, October	Location	Hawke's Bay, Tairāwhiti and online**
--------	-------------------	------------	------------------------------	----------	--------------------------------------

* Part-time study available. ** Online delivery available via eCampus, see page 14.

Taylah-Payton Brown (left) and Devon Walsh | Bachelor of Business Studies Students (Tairāwhiti Campus)

CERTIFICATES

NZ Certificate in Business (First Line Management) [Level 4]

Managing a team is all about having the confidence and the techniques to lead effectively. This qualification will give you the self-assurance to be a great leader. COMPUTING

Te Kura Pūkenga Rorohiko

Software | Infrastructure | Analytics and Information |
Machine Learning and Automation

To find out more check out
computing.eit.ac.nz

Your IT future starts here.

At EIT you can gain a practical hands-on qualification that is designed to help you gain employment in the IT industry.

All courses include real-world examples and case studies.

The Bachelor of Computing Systems includes an internship or project, which ensures that all graduates are work-ready for demanding technology positions.

Part-time study options are available for the Graduate Diploma and Postgraduate programmes to provide you with the flexibility for upskilling or to cater for those wanting to gain a qualification whilst working.

Many EIT Bachelor of Computing Systems students have managed to secure their first professional graduate IT role during their compulsory internship, by proving their mettle in the real world, and bootstrapping their IT career through the relationships built by studying locally, and engaging with industry.

As an in-demand IT graduate you can take your skills anywhere in the world, be well paid and work in a fast-paced and constantly evolving industry.

There's a huge variety of jobs, so take your pick.

YOUR CAREER OPPORTUNITIES

Gain a practical qualification to help you seek employment in the well-paid, fast-moving IT industry.

There is a huge variety of jobs depending on your specialisation and passion, including business/systems analyst, data and business intelligence analyst, programmer/developer, database administrator, helpdesk and IT support, systems and network administrator, Internet of Things and automation support.

POSTGRADUATE PROGRAMMES

Master of Information Technology

The Master of Information Technology programme has been designed to produce IT graduates who are able to think critically and have a number of high level skills in the IT field that can be applied in a wide range of situations. It enables those who have completed a Bachelors' Degree in information technology/computing to achieve a postgraduate level qualification in information technology.

Length	18 months full-time*	Start Date	February and July	Location	Hawke's Bay
--------	----------------------	------------	-------------------	----------	-------------

* Up to 2 years full-time, depending on credit level chosen. Part-time study available.

Postgraduate Diploma in Information Technology

If you are a computing degree graduate this diploma will further prepare and enhance your employment opportunities in the IT sector where there are recognised skills shortages in New Zealand and internationally.

The Postgraduate Diploma in Information Technology (PGDipIT) programme has been designed to produce IT postgraduates who are able to think critically and have a number of high level skills in the IT field that can be applied in a wide range of situations. This diploma will also introduce you to research in IT. As a graduate of the PGDipIT you'll have an understanding of the broad conceptual and theoretical elements involved in the IT arena.

Length	1 year full-time*	Start Date	February and July	Location	Hawke's Bay
--------	-------------------	------------	-------------------	----------	-------------

* Part-time study available.

Postgraduate Certificate in Information Technology

Enhance your employment opportunities in the IT sector where there are recognised skills shortages in New Zealand and internationally.

This programme is designed to produce IT strategists who are able to think critically, and apply high level skills in the IT field appropriate to a wide range of situations. This programme will also introduce you to research and allow you to integrate and apply your current IT industry experience to get recognition and gain a higher qualification. You must have a computing degree, equivalent IT qualification or IT experience.

Length	6 months full-time*	Start Date	February and July	Location	Hawke's Bay
--------	---------------------	------------	-------------------	----------	-------------

* Part-time study available.

GRADUATE DIPLOMA

Graduate Diploma in Information Technology

Gain advanced technical skills and insight so you can adapt to technological changes and meet the challenging demands of the IT world. Your new skill set will enhance an existing qualification from another field and put you in good stead within your current or future workplace. You must have a bachelor degree or equivalent qualification.

Length	1 year full-time*	Start Date	February and July	Location	Hawke's Bay
--------	-------------------	------------	-------------------	----------	-------------

* Part-time study available.

Niamh Athy (left) and Shania McLeod | Bachelor of Computing Systems Students (Tairāwhiti Campus)

Tremaine Rose, Nicholson-Reddy & Jahnne Chatterton | Bachelor of Computing Systems Students (Hawke's Bay Campus)

DEGREE

Bachelor of Computing Systems

Develop a sound knowledge of computer hardware, data communications, information systems and data analytics, IT management, networking, software development and systems analysis and design. Join the global phenomenon of emerging Internet of Things technology. Majors include Systems Development, Support and Infrastructure, Information Systems, Intelligent Systems, or Unendorsed.

This degree will give you an understanding of, and the ability to develop, high quality computing solutions. You will explore the processes and practices necessary to meet the demands of a professional career in the fast moving computer world. As part of your programme, you will undertake a major industry-based project or internship. This provides an opportunity for you to demonstrate your potential to employers and provides a taste of "real world" computing.

ENGLISH LANGUAGE

Te Puna Reo Ingarihi

To find out more check out english.eit.ac.nz

Learning English can open doors to work, study and friendship. At EIT you'll be able to improve your English in well-equipped classrooms, where the focus is on interaction and conversation.

You'll learn to 'live the language' as you develop your skills, taught by highly qualified and experienced teachers. You'll make full use of EIT's Language Laboratory, where the focus is on helping you become fluent in English.

EIT is a registered British Council IELTS Testing Centre offering IELTS on paper and IELTS on computer exams throughout the year.

YOUR CAREER OPPORTUNITIES

Reading, writing, listening to and speaking English effectively and confidently benefits you, no matter what your job or career.

Being proficient in English helps create opportunities. In any workplace it's important to communicate, and having a good command of English will help you, now and in the future.

CERTIFICATES

FREE NZ Certificate in English Language (NZCEL)

[Level 1 Foundation - Level 5]

Study general or academic English and get a nationally recognised qualification. Study may be classroom based or in the language lab and include off-site visits, giving you the opportunity to live the language.

Length	16 weeks per qualification full-time	Start Date	Various start dates	Location	Hawke's Bay
--------	--------------------------------------	------------	---------------------	----------	-------------

* Conditions apply.

FREE English for Living Classes

This course will help students to use English, learn colloquial phrases and improve oral communication in daily activities.

Length	9-10 weeks part-time. Fees-free* (for permanent residents)	Start Date	Various start dates	Location	Hawke's Bay and Tairāwhiti
--------	------------------------------------------------------------	------------	---------------------	----------	----------------------------

* Day or evening classes available.

General English Short Courses

[Level 1 Foundation - Level 5]

General English offers a flexible option for students who wish to study English but do not require a qualification. General English courses can be used for personal development, for example, to help you communicate better while you live in New Zealand or to help you get a better job. Students who choose to study General English can be at any level and will learn alongside NZCEL students.

Length	Varied (full and part-time options)	Start Date	Flexible start dates	Location	Hawke's Bay
--------	-------------------------------------	------------	----------------------	----------	-------------

IELTS Preparation Programme (Part-time Evening Class)

This course is designed to improve your test-taking strategies, familiarise you with the IELTS test format, and also to improve listening, reading, writing and speaking skills prior to taking the test.

--------	----------	------------	---------------------------	----------	-------------

HAIRDRESSING & BARBERING

Te Kura Kaupapa Hauora, Hākinakina

To find out more check out hair.eit.ac.nz

HAIRDRESSING

Here's your chance to earn a qualification that will help you get ahead in hairdressing. You'll start by learning skills for hair styling, colouring, cutting, shampoo techniques and more.

In year two you'll demand attention with your advanced creative skills in colouring, long and short hairstyling, haircutting techniques, perming and lots more. You'll train in EIT's commercial training salon "Elite", and gain skills working with real clients under the guidance of expert lecturers.

BARBERING

From modern fades to the classic short back and sides, this certificate will equip you with the skills and techniques to set you on the path to becoming a professional barber. Students may also be involved with work experience throughout the year.

You will gain fundamental skills and knowledge required to begin working in an entry level role within the barbering workplace.

YOUR CAREER OPPORTUNITIES

HAIRDRESSING

Show your true style and follow your passion - there are lots of opportunities for qualified hairdressers.

You could create a career in local salons or head further afield, or perhaps have your own salon.

For a professional stylist with a flair for hair, anything is possible.

BARBERING

Graduating with the NZ Certificate in Commercial Barbering [Level 4] will open up a wide variety of future opportunities as a qualified barber.

The world will be your oyster and you could end up working in the following areas:

- ▶ Barbershop
- ▶ Salon support
- ▶ Salon reception
- ▶ At home or around the world
- ▶ Stylist
- ▶ Hair artistry
- ▶ Hair salons
- ▶ Retail sales

HAIRDRESSING

NZ Certificate in Hairdressing (Emerging Stylist) [Level 4]

Develop your creativity and skills using project based learning in a salon environment to prepare to be an emerging stylist in the industry. Gain knowledge of complex long and short hair styling suitable for weddings and formal occasions and creative styles for competition work! Learn haircutting techniques using scissors, razor and clippers, perming techniques, advanced fashion focused colouring techniques, advanced hair and scalp conditions, treatments and reception skills.

Length	1 year full-time	Start Date	February and July	Location	Hawke's Bay
--------	------------------	------------	-------------------	----------	-------------

NZ Certificate in Hairdressing (Salon Support) [Level 3]

Get practical skills backed up by theoretical knowledge using project based learning. From simple blow waves to fashion-focused colouring techniques, you can get creative! This certificate will equip you with the skills and techniques to set you on the path to becoming a professional stylist. On completion, students can progress into the NZ Certificate in Hairdressing (Emerging Stylist) [Level 4].

Length	1 year full-time	Start Date	February and July	Location	Hawke's Bay
--------	------------------	------------	-------------------	----------	-------------

FREE NZ Certificate in Foundation Skills [Level 2]

Get introduced to a range of subject areas and practical skills that will give you options for future work and/or study. You could focus on hair, beauty and wellbeing, or explore a wider range of topics including fitness and exercise, horticulture, hospitality, fashion and outdoor adventure.

Activities are hands-on, and you will learn all about goal setting, communication skills and numeracy within a styling or other context. Practical and theory tasks are combined and embedded throughout all aspects of the programme with a view to providing a foundation for further study or employment.

Length	17 weeks full-time	Start Date	February and July*	Location	Hawke's Bay, Tairāwhiti, Wairoa, Maraenui and Central Hawke's Bay Learning Centres**
--------	--------------------	------------	--------------------	----------	--------------------------------------------------------------------------------------

* February intake available in all locations. July intake available in Hawke's Bay only.

** Programme offering subject to enrolments in some areas.

BARBERING

NZ Certificate in Commercial Barbering [Level 4]

Sharpen your barbering skills in EIT's commercial barber shop FadelT. From modern fades to beard trims to classic short cuts, EIT's Certificate in Commercial Barbering will set you on the path to becoming a professional barber. Learn barbering practice and theory from skilled professionals and open up your career opportunities in an exciting, creative industry.

Length	1 year full-time	Start Date	February	Location	Hawke's Bay
--------	------------------	------------	----------	----------	-------------

Health Science | Relaxation & Remedial Massage |
Sport, Recreation & Exercise Science

Qualified health and sport professionals make a positive difference to New Zealand. At EIT there are many interesting study areas for you to choose from.

You can study general health, disability and aged support, work and life skills (supported learning), mental health and addiction support. EIT's community health and wellbeing programmes mix study, practical experience and theory. You'll study on campus, and also get experience through workplace placement in a wide range of community organisations.

You may want to prepare for a career in the sport, exercise and recreation industries. EIT's sport and exercise programmes are designed for people aiming to become highly qualified professionals in sport and exercise science, sport coaching, sport and recreation management, and leaders in the health and wellness industry. Alternatively, an outdoor and adventure programme might set you on the path to a career in the adventure tourism industry.

Get first-hand experience with EIT's relaxation and remedial massage programmes. You can enter the Wellness and Relaxation Massage programme to learn the foundation skills of massage therapy, including relaxation massage techniques for all ages. You can then progress into the NZ Diploma in Remedial Massage and learn specialist techniques including neuromuscular therapy, trigger point massage, identifying dysfunction in clients and more.

The new EIT Institute of Sport and Health provides staff and students with access to cutting-edge facilities. It also provides an educational experience within an enthusiastic and supportive environment.

You'll also get experience in the superb Pettigrew Green Arena in Hawke's Bay and in YMCA facilities in Tairāwhiti. The Pettigrew Green Arena has a modern exercise science laboratory, lecture theatre, stadium, gym and massage clinic.

YOUR CAREER OPPORTUNITIES

There are many highly rewarding jobs and careers working in community development, for not-for-profit or sports organisations, disability providers, addiction and support services, rest homes and residential community facilities.

COMMUNITY HEALTH & WELLBEING | MENTAL HEALTH & ADDICTION

Qualified health professionals make a positive difference to New Zealand. At EIT, there are many interesting study areas for you to choose from as part of our health and wellbeing programmes. You can study general health, disability and aged support, work and life skills (supported learning), mental health and addiction support. EIT's community health and wellbeing programmes mix study, practical experience and theory. You'll study on campus, and also get experience through workplace placement in a wide range of community organisations.

YOUR CAREER OPPORTUNITIES

There are many highly rewarding jobs and careers working in community development, for not-for-profit organisations, disability providers, addiction and support services, rest homes and residential community facilities.

DIPLOMAS

FREE NZ Diploma in Addiction Studies (Applied)

Develop your level of skill and competence a step further in mental health support work. This is suitable for mental health support workers who work in the addiction sector and those who want to build on their own relevant experience and gain, or be recognised for, their specialist knowledge and skills.

You will need to be working or volunteering in this sector in order to complete the practical component of this programme, and will normally have completed a relevant health and wellbeing qualification.

Length	1 year full-time*	Start Date	February	Location	Hawke's Bay
--------	-------------------	------------	----------	----------	-------------

* Part-time study available.

FREE NZ Diploma in Health and Wellbeing (Applied Practice)

Develop a high level of skills and competence in health support work. This is ideal for senior health and support workers who carry a higher level of responsibility and engage in more complex relationships with their clients.

This programme is ideally suited to students already working or volunteering in this sector in order to complete the practical component of this programme, and who have completed a relevant health and wellbeing qualification.

Length	1 year full-time*	Start Date	February	Location	Hawke's Bay
--------	-------------------	------------	----------	----------	-------------

* Part-time study available.

CERTIFICATES

FREE NZ Certificate in Health and Wellbeing - Social and Community Services [Level 4] (Including a strand in Mental Health and Addiction Support)

Mental health and addiction support workers provide a variety of services in a diverse range of residential and community settings, working with people who experience addictions, mental illness or disability, as well as their families and whānau.

This qualification provides the first step towards a career in mental health and addiction.

Length	1 year full-time*	Start Date	February	Location	Hastings Regional Learning Centre
--------	-------------------	------------	----------	----------	-----------------------------------

* Part-time study available.

FREE NZ Certificate in Health and Wellbeing - Advanced Care & Support [Level 4]

Do you want to further develop your health and wellbeing support skills? This certificate is for people who have successfully completed a relevant Level 3 qualification and are currently employed in the support sector.

This may include supporting people living with complex needs, palliative care, advanced dementia and support staff who are leading teams after hours or on weekends.

You will have to have completed a relevant Level 3 qualification and be working or volunteering in this sector.

Length	34 weeks (1 day per week)*	Start Date	February	Location	Hawke's Bay and Tairāwhiti
--------	-------------------------------	------------	----------	----------	----------------------------

FREE NZ Certificate in Health and Wellbeing - Support Work [Level 3]

Do you want to develop the skills to enable you to enable others? In this programme you'll be learning to care for and support children, adolescents and the elderly when they need it most.

You could end up working in a hospital, or in a residential or community setting. When you've completed this certificate, you'll have the knowledge and confidence to care for a range of people in the community.

Length	17 weeks (3 days per week)*	Start Date	February and July	Location	Hawke's Bay and Tairāwhiti
--------	--------------------------------	------------	-------------------	----------	----------------------------

FREE NZ Certificate in Skills for Living - Supported Learning Programme [Level 1]

(Including a strand in Skills for Work)

Develop and improve practical skills that will assist in independence for learning, working and living, enabling you to take a more active role in employment and the community.

The two year New Zealand Certificate in Skills for Living (including a strand in Skills for Working) programme provides vocational and community skills for people who require intensive support with their learning.

Length	2 years full-time	Start Date	February	Location	Hawke's Bay
--------	-------------------	------------	----------	----------	-------------

RELAXATION AND REMEDIAL MASSAGE

To find out more check out massage.eit.ac.nz

Get first-hand experience with EIT's relaxation and remedial massage programmes. You can enter the Wellness and Relaxation Massage programme to learn the foundation skills of massage therapy, including relaxation massage techniques for all ages. You can then progress into the NZ Diploma in Remedial Massage (subject to enrolments), and learn specialist techniques including neuromuscular therapy, trigger point massage, identifying dysfunction in clients and more. EIT's massage clinic "Revive" gives you the opportunity to work with the public so you can practice your skills in a working clinic with your lecturers on-hand to help you.

YOUR CAREER OPPORTUNITIES

There are many highly rewarding jobs in the field of massage, whether focused on wellness and relaxation or on remedial massage, graduates will be qualified to work in a broad range of massage settings, including sports settings, community-based massage therapy clinics and multi-disciplinary clinics.

DIPLOMAS

NZ Diploma in Remedial Massage

Develop your skills in remedial massage. Graduates of this Level 6 qualification will be able to assess, plan, implement, and evaluate remedial massage therapy interventions to address musculoskeletal dysfunction. Communicate and work with allied health, wellness and medical professionals in specialist services.

NZ Diploma in Wellness and Relaxation Massage

Develop your skills to work in the field of wellness and relaxation massage with this Level 5 qualification.

Communicate and work with remedial massage therapists, allied health, wellness and medical professionals for those specialist services. You could then progress to the NZ Diploma in Remedial Massage Level 6.

Length	1 year full-time*	Start Date	February	Location	Hawke's Bay
--------	-------------------	------------	----------	----------	-------------

* Part-time study available.

SPORT & EXERCISE SCIENCE | HEALTH SCIENCE

To find out more check out sport.eit.ac.nz

Get a great career with EIT's health, sport and exercise science programmes. Introduce yourself to the industry with a NZ Certificate in Sport, Recreation and Exercise. The Diploma and Degree programmes will develop your skills and knowledge in exercise physiology, nutrition and sports psychology. You'll get practical experience at the Pettigrew Green Arena and the EIT Institute of Sport and Health in Hawke's Bay, and at the YMCA facilities in Tairāwhiti.

YOUR CAREER OPPORTUNITIES

EIT's programmes in health, sport and exercise science can open the door to a variety of exciting and rewarding careers. Graduates can work in a diverse range of roles from health, exercise and conditioning in the gym environment, to sports performance, rehabilitation and lifestyle change in the wider health industry.

POSTGRADUATE PROGRAMMES

The postgraduate health science programmes at EIT offer a selection of courses designed to meet the needs of health practitioners, health managers and other allied healthcare professionals whose practice has a focus on health. Credits achieved in the Postgraduate Certificate and Diploma in Health Science can be used to contribute toward a Master of Health Science.

Master of Health Science

The Master of Health Science is a 180 credit programme which provides the opportunity for health practitioners, health managers and allied healthcare professionals to advance and expand their knowledge and expertise within an interdisciplinary learning environment.

Courses are designed around knowledge and research relating to key threads of health disparities and the global health needs of populations. The programme provides students with the opportunity to investigate the worldwide improvement of health, reduction of health disparities and protection against global threats in an international context.

Credit achieved in the Postgraduate Certificate and Diploma in Health Science can be used to contribute toward a Master of Health Science. In the final stages of the programme, Master of Health Science students can choose to complete research projects of 30, 45, 60 or 90 credits.

Length	18 months full-time*	Start Date	February and July (depending on courses selected)	Location	Hawke's Bay. Blended - face-to-face and online
--------	----------------------	------------	---------------------------------------------------------	----------	---------------------------------------------------

* 3 years part-time study available.

Elizabeth McKay | Master of Health Science Student
(Hawke's Bay Campus)

Sajeela Ismail | Master of Health Science Graduate
(Hawke's Bay Campus)

Postgraduate Diploma in Health Science Postgraduate Certificate in Health Science

The Postgraduate Diploma and Certificate in Health Science are characterised by advanced study in a specific nursing or health science discipline, requiring a foundation of undergraduate knowledge and skills achieved through previous tertiary qualifications or equivalent professional experience.

Upon graduating with the Postgraduate Diploma or Certificate in Health Science, you will have developed your knowledge and skills of critical analysis, constructive synthesis and their application to high quality approaches to healthcare delivery.

The Postgraduate Diploma is normally comprised of four 30 credit courses, and the Postgraduate Certificate is normally comprised of two 30 credit courses.

Courses offered may change, but examples include:

- ▶ Health in Aotearoa, New Zealand
- ▶ Applied Nutrition
- ▶ Health Management
- ▶ Māori and Indigenous Health
- ▶ Global Health
- ▶ Health Psychology
- ▶ Health Promotion

* Part-time study available.

DEGREE

Bachelor of Sport and Exercise Science

Want to turn your passion for sport and exercise into a career packed full of physical activity?

With a degree in sport and exercise science that's exactly what you'll get as you immerse yourself in sports development and research, performance and management. You could find yourself in a gym, a sports science lab, or out on the field coaching or managing individuals and teams as they strive to be the best they can in the sport and exercise world.

You'll acquire a wide range of skills for communicating, negotiating, researching and problem-solving with people from all walks of life, from the serious sports professional to the casual gym-goer.

Length	3 years full-time*	Start Date	February and July	Location	Hawke's Bay
--------	--------------------	------------	-------------------	----------	-------------

* Part-time study available.

DIPLOMA

NZ Diploma in Sport, Recreation and Exercise

Do you like being involved in sport and exercise? Do you want to help people improve their physical wellbeing and sporting ability?

Then this diploma is for you. Get a foot in the door to the vibrant and people-oriented sport, health and fitness industries. You will learn about exercise science, anatomy and physiology, coaching and leading, and writing exercise programmes for a wide range of people.

Graduates are recognised as personal trainers by the Register of Exercise Professionals.

Length	1 year full-time*	Start Date	February and July	Location	Hawke's Bay
--------	-------------------	------------	-------------------	----------	-------------

* Part-time study available.

CERTIFICATES

NZ Certificate in Exercise [Level 5]

Design and implement advanced exercise programmes and develop industry networks by creating a professional identity. Grow your knowledge of nutrition and skills to motivate clients.

Graduates are recognised as personal trainers by the Register of Exercise Professionals.

Length	17 weeks full-time	Start Date	February (Hawke's Bay) and July (Tairāwhiti)	Location	Hawke's Bay and Tairāwhiti
--------	--------------------	------------	----------------------------------------------	----------	----------------------------

NZ Certificate in Exercise [Level 4]

This certificate provides the skills and knowledge to design and deliver exercise programmes within a framework of health and wellness. The focus is on individual and group exercise programmes that help improve fitness and lifestyles.

Graduates are recognised as personal trainers by the Register of Exercise Professionals.

Length	17 weeks full-time	Start Date	February (Tairāwhiti) and July (Hawke's Bay)	Location	Hawke's Bay and Tairāwhiti
--------	--------------------	------------	----------------------------------------------	----------	----------------------------

FREE NZ Certificate in Outdoor & Adventure Education (Multi-Skilled) [Level 4]

This one-year programme will equip you with the knowledge and skills to enter the outdoor adventure, recreation and tourism industries. As a graduate you will be competent across a range of outdoor activities and will be able to plan, prepare and safely lead outdoor activities in low-risk, low-technical outdoor environments, under supervision.

You may also be eligible to apply for full registration on the New Zealand Register of Recreation Professionals (NZRRP).

Length	1 year full-time	Start Date	February and July*	Location	Hawke's Bay and Tairāwhiti
--------	------------------	------------	--------------------	----------	----------------------------

* Programme availability subject to enrolments.

FREE NZ Certificate in Outdoor Experiences [Level 3]

Do you like tramping, mountain biking, paddle boarding and nature adventures?

Then the NZ Certificate in Outdoor Experiences has you covered. This hands-on programme will teach you how to survive and navigate in the wild following the principles of personal safety and kaitiakitanga (guardianship and protection of the environment). The certificate is made up of field-trips as well as land-based and water-based activities. You will also get the opportunity to go on an overnight camping trip and build your own shelter.

This qualification will set you up for a career as a ranger, tourism guide, or for a role in the search and rescue services or defence force.

Length	14 weeks full-time	Start Date	February and September*	Location	Hawke's Bay and Tairāwhiti
--------	--------------------	------------	-------------------------	----------	----------------------------

* February intake available in Tairāwhiti only. Hawke's Bay intakes available in both February and September.

NZ Certificate in Sport, Recreation and Exercise (Multi-sector) [Level 3]

Get an introduction to various aspects of the health and fitness industry. You will learn practical skills, initially with an individual focus, and later focusing on working with groups.

You could go on to gain employment in the health and exercise industry or continue on to higher level study.

Length	17 weeks full-time	Start Date	February	Location	Hawke's Bay
--------	--------------------	------------	----------	----------	-------------

NZ Certificate in Sport Coaching* [Level 3]

Are you involved in coaching and want to improve your skills as you go? This programme is designed to develop your knowledge and skills during the sporting season - working to create a positive environment, apply basic injury prevention techniques, improve player skills, game play and coaching techniques while managing groups and sideline behaviour.

Length	17 weeks part-time	Start Date	Various start dates	Location	Hawke's Bay
--------	--------------------	------------	---------------------	----------	-------------

* This programme is not designed for coaches of high performance athletes.

FREE NZ Certificate in Foundation Skills [Level 2]

Get introduced to a range of subject areas and practical skills that will give you options for future work and/or study. You could focus on fitness and exercise, or explore a wider range of topics including, hair, beauty and wellbeing, horticulture, hospitality, fashion and outdoor adventure.

Activities are hands-on, and you will learn all about goal setting, communication skills and numeracy within a styling or other context. Practical and theory tasks are combined and embedded throughout all aspects of the programme with a view to providing a foundation for further study or employment.

Length	17 weeks full-time	Start Date	February and July*	Location	Hawke's Bay, Tairāwhiti, Wairoa, Maraenui and Central Hawke's Bay Learning Centres**
--------	--------------------	------------	--------------------	----------	--------------------------------------------------------------------------------------

* February intake available in all locations. July intake available in Hawke's Bay only.

** Programme offering subject to enrolments in some areas.

HOSPITALITY

Te Kura Kaupapa Tāipoi, Ringa Hora

scholars | fully licensed training
restaurant

TORU RESTAURANT

To find out more check out
hospitality.eit.ac.nz

Welcome to some of New Zealand's best hospitality programmes.

EIT can equip you to become a hospitality professional, ready to take on a variety of roles.

You'll be given plenty of experience in EIT's superb modern training and production kitchens.

You'll work in fully licensed training restaurants and cafés, where you'll gain invaluable experience preparing and serving lunch and dinner for paying diners.

Our retail programmes will prepare you with practical skills including cash handling, how to create attention-grabbing displays and developing your customer service skills.

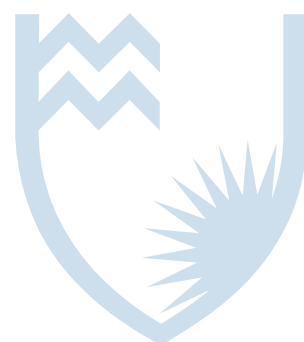

YOUR CAREER OPPORTUNITIES

You could become a barista, café owner, wait staff in a five-star hotel, or manage front of house operations.

How about training to be a qualified chef and working in a top restaurant, hotel or catering establishment?

Your retail career could see you excelling in sales and customer service, merchandising and creating amazing store displays.

There are many exciting job and career opportunities, whether you choose to work close to home or overseas.

MICRO-CREDENTIALS

Food Costings

Micro-credentials are bite-sized qualifications that allow people to efficiently broaden their skillset needed for their specific job.

Learn to accurately cost food recipes and further develop your skills and knowledge related to food cost control measures in a commercial kitchen. Throughout this course you will learn to calculate accurate food costs, apply portion and waste control measures and evaluate menu engineering data in order to improve financial efficiency.

Course content highlights include:

- ▶ Theoretical vs Actual food costs – understanding the cost of your dish verses what your accountant tells you
- ▶ Maximise the profit potential of your menus
- ▶ Menu Engineering – manipulate menus to maximise gross profit
- ▶ Analyse and reduce waste.

Length	20 weeks self-paced	Start Date	Various start dates throughout the year	Location	Fully online
--------	---------------------	------------	-----------------------------------------	----------	--------------

FOOD AND BEVERAGE

*Part-time study available. **Tairāwhiti location availability subject to enrolments.

IDEAschool

TE KURA AHU TAONGA

To find out more check out ideaschool.eit.ac.nz

IDEAschool educates imaginations.

We embrace creativity in all its forms and teach qualifications across a range of creative disciplines including visual art, design, music, fashion and screen production.

Our programmes offer you a unique environment that brings together studio-based practical learning with critical thinking and professional skills.

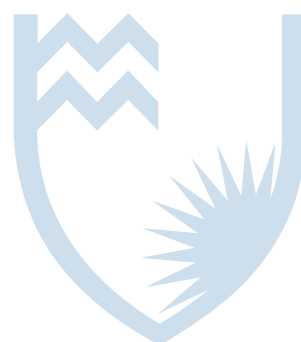

At IDEAschool, you become part of a creative community that nurtures you to become the artist, the designer, the musician, the filmmaker or the fashion extraordinaire that you were meant to be.

YOUR CAREER OPPORTUNITIES

The creative industries are the fastest growing economic sector world-wide.

You could work as a graphic designer, art director, musician, filmmaker, fashion designer, or use your transferable critical thinking skills to pursue any career of your choice.

Our project-based programmes prepare you for real-world careers.

DEGREES

Te Hono ki Toi (Poutiriao) / Master of Professional Creative Practice (180 credits) Te Hono ki Toi (Poutiritāeo) Master of Professional Creative Practice (240 credits)**

This master's programme is collaboratively offered by EIT's two iconic creative arts schools: Toihoukura and IDEASchool, offering you an exclusive opportunity to engage with staff and students at both schools. It provides a unique perspective from both the European and Māori creative cultures allowing a wide selection of media to be advanced.

You will have the opportunity to create a body of creative work to a standard that develops, extends and refines prior professional practices, processes and knowledge. This will be achieved through research and critical evaluation to strengthen your creative practice while contextualising your practice in relation to relevant communities, contemporary concepts, models, theory, technologies and professional practice management techniques.

We now have two programme options available to choose from:

- ▶ 180 credit programme (18 months full-time)
- ▶ 240 credit programme (2 years full-time).

Length	18 months or 2 years*	Start Date	February	Location	Hawke's Bay, Tairāwhiti (online, compulsory wānanga, and face-to-face)
--------	-----------------------	------------	----------	----------	------------------------------------------------------------------------

* Part-time study available.

** 240 credit programme subject to approval and accreditation.

Te Hono ki Toi (Poutiri-ā-rangi) - Bachelor of Professional Practice (Honours)

This programme is collaboratively offered by EIT's two iconic creative arts schools, IDEASchool and Toihoukura, offering you an exclusive opportunity to engage with staff and students at both schools.

It is designed to enable graduates and other artists to further their creative practice through guided reflection, research and professional practice. You will create an effective and professional body of creative work, make it publicly available and speak professionally about that work based on in-depth and broad research. Following completion of this honours programme, you may progress to Te Hono ki Toi (Poutiriao or Poutiritāeo) - Master of Professional Creative Practice.

Length	1 year full-time*	Start Date	February	Location	Hawke's Bay, Tairāwhiti (online, compulsory wānanga, and face-to-face)
--------	-------------------	------------	----------	----------	------------------------------------------------------------------------

* Or up to 3 years part-time.

Bachelor of Creative Practice

Do you want to turn your creative passion and talent into a successful career? The Bachelor of Creative Practice has you covered. It's New Zealand's first project-based creative degree which sets you up for a job in the creative industries or almost any other vocation. Engaged in real-life and on-campus projects, you can explore a range of creative disciplines such as music, visual art, design, fashion or screen production. Throughout the programme you will specialise in your preferred creative area while also developing broader skills by enabling you to experience artistic disciplines. The degree is a well-rounded qualification that gives you transferable skills to boost your job prospects and help you stand out from the crowd.

You can kick off the degree by studying one of IDEASchool's diplomas (Level 5 Diploma in Fashion, Arts and Design, Music or Screen Production) and then progress to Levels 6 and 7 of the degree.

Length	3 years full-time*	Start Date	February	Location	Hawke's Bay
--------	--------------------	------------	----------	----------	-------------

* Part-time study available.

DIPLOMAS

NZ Diploma in Arts and Design

Build on the skills and knowledge from the Level 5 diplomas, through engaging in a series of real-life and in-house projects. You can explore various creative disciplines including design, fashion, music, screen production and visual arts. This diploma teaches the skills, knowledge and attributes needed to think innovatively and develop a career as a creative practitioner in your chosen discipline.

With your diploma completed successfully you can continue on to the final year of the Bachelor of Creative Practice.

Length	1 year full-time	Start Date	February	Location	Hawke's Bay
--------	------------------	------------	----------	----------	-------------

Olivia Hongara | NZ Certificate in Arts and Design [Level 4] Student (Tairāwhiti Campus)

NZ Diploma in Arts and Design

Through engaging in a series of real world and in-house projects, utilising various creative disciplines including paint, sculpture, print, photography, graphic design and 3D design, you will obtain the skills, knowledge and attributes needed to think creatively and develop a career as a practicing creative.

With your diploma completed successfully you can continue on to the second year of the Bachelor of Creative Practice.

Length	1 year full-time	Start Date	February	Location	Hawke's Bay
--------	------------------	------------	----------	----------	-------------

NZ Diploma in Fashion

This programme will introduce you to the bigger picture of the fashion industry and how it operates both locally and globally. The programme will have 'real life' opportunities with projects from the community and fashion industry.

With your diploma completed successfully you can continue on to the second year of the Bachelor of Creative Practice.

Length	1 year full-time	Start Date	February	Location	Hawke's Bay and Tairāwhiti
--------	------------------	------------	----------	----------	----------------------------

NZ Diploma in Music

You will be developing your practical skills in performance, composition, songwriting and audio production. Individual and group projects will prepare you for a diverse and exciting career in the music industry.

With your diploma completed successfully you can continue on to the second year of the Bachelor of Creative Practice.

Length	1 year full-time	Start Date	February	Location	Hawke's Bay
--------	------------------	------------	----------	----------	-------------

NZ Diploma in Screen Production

Build a career in the film industry. This programme gives students hands-on experience with camera, sound and editing equipment, and explores opportunities for working in film, TV, web and non-broadcast media. With your diploma completed successfully you can continue on to the second year of the Bachelor of Creative Practice.

Length	1 year full-time	Start Date	February	Location	Hawke's Bay and Tairāwhiti
--------	------------------	------------	----------	----------	----------------------------

CERTIFICATES

NZ Certificate in Arts and Design [Level 4]

This programme has real life opportunities with projects in art, design and fashion. It will introduce you to the bigger picture of the creative sector and how it operates both locally in Aotearoa New Zealand and globally.

Successful completion of this certificate will assist your application into the NZ Diploma in Arts and Design [Level 5], the NZ Diploma in Fashion [Level 5] or the Bachelor of Creative Practice.

Length	17 weeks full-time	Start Date	July	Location	Hawke's Bay or Tairāwhiti
--------	--------------------	------------	------	----------	---------------------------

NZ Certificate in Communication Media [Level 4]

Develop your knowledge and experience in screen production and music to expand your skills in filming, editing and audio techniques and music composition & production.

Successful completion of this certificate will assist your application into the NZ Diploma in Screen Production [Level 5], the NZ Diploma in Music [Level 5] or the Bachelor of Creative Practice.

Length	17 weeks full-time	Start Date	July	Location	Hawke's Bay
--------	--------------------	------------	------	----------	-------------

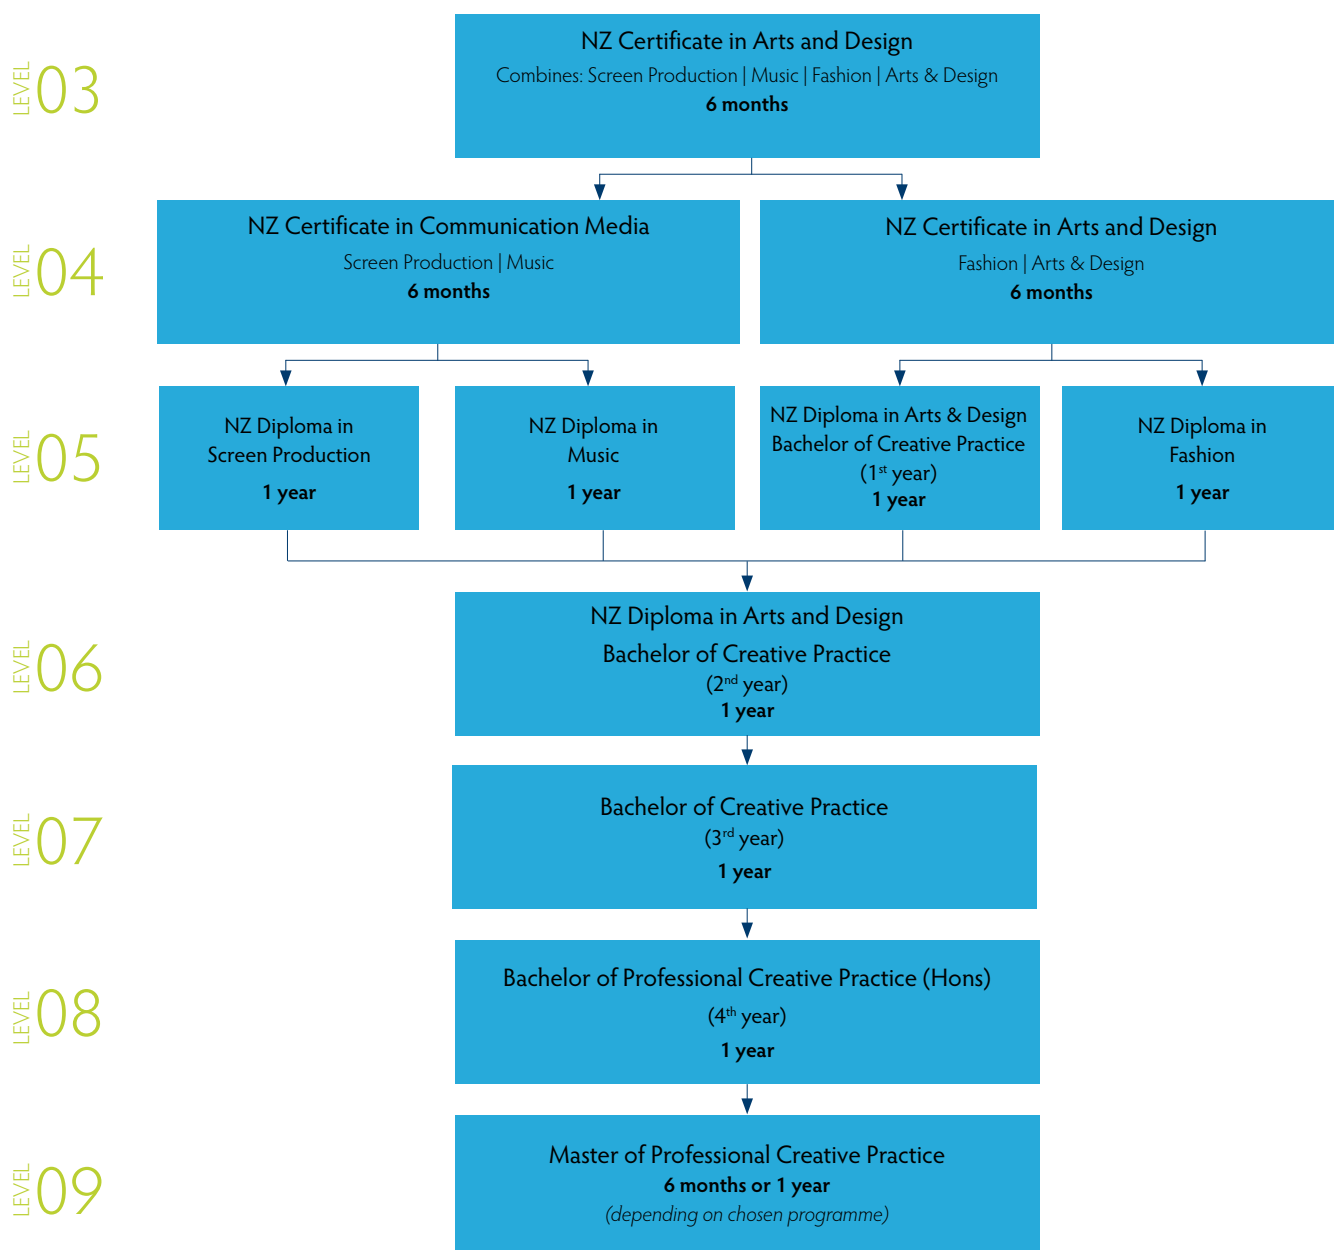

NZ Certificate in Arts and Design [Level 3]

This project-based programme is ideal for school leavers or adults who would like an introduction to a range of skills and knowledge in the creative arts. Develop your creative skills and techniques through a series of projects in art, design, screen production, fashion and music. In semester two you can go on to the Level 4 certificate in either arts & design and fashion or screen production and music.

MĀORI STUDIES

Te Ūranga Waka (Hawke's Bay)

Te Whatukura (Te Tairāwhiti)

To find out more check out
maori.eit.ac.nz

**"Piki ake, kake ake i te toi huarewa, te ara o Tāwhaki, i piki ai ki runga."
The need to learn and speak the Māori language is greater than ever before.**

Māori language is vital to New Zealand, and our identity. As Māori language becomes more widely used through Kōhanga reo, primary schools and Kura Kaupapa Māori, a new generation are embracing te reo Māori and ensuring that this special taonga is shared and treasured.

At Te Ūranga Waka in Hawke's Bay and Te Whatukura in Te Tairāwhiti, our te reo studies offer qualifications from basic introductory level learning through to a specialised masters programme, and gives you the opportunity to become proficient in Māori customs, culture and research.

YOUR CAREER OPPORTUNITIES

You can work in government departments, hospital boards, teaching (kōhanga, primary, secondary and tertiary), or work with local iwi as a liaison or policy advisor.

You could work in television and radio as a reporter, scriptwriter, announcer or bilingual researcher. You can also take on key roles at your own marae and within your whānau, hapū and iwi.

Many employers now prefer bilingual and bicultural employees, especially as te reo Māori is an official language of New Zealand.

POSTGRADUATE PROGRAMMES

Te Tohu Paerua mō Te Aka Whakaaroaro | Master of Professional Practice

Te Tohu Tītohu mō Te Aka Whakaaroaro | Postgraduate Diploma in Professional Practice

Are you looking for an opportunity to reflect on and develop your professional practice? These postgraduate programmes are for people whose primary work is with people such as social workers, teachers, community/iwi development practitioners, counsellors, health practitioners and others working in fields where understanding customs, beliefs, values and language is essential.

Features of the programmes:

- ▶ Focus on your own practice developments and passions
- ▶ Critically reflect on your own practice strengths, weaknesses, challenges and areas for expansion
- ▶ Flexible delivery (block wānanga and online learning)
- ▶ Commitment to mātauranga Māori
- ▶ Collaborative interdisciplinary study with others whose practice is in socio-cultural fields.

Engagement in some form of socio-cultural practice is expected.

Length	Postgraduate Diploma 1 year full-time. Masters 2 years full-time*	Start Date	February	Location	Te Ūranga Waka (EIT Hawke's Bay) Online and face-to-face
--------	-------------------------------------------------------------------------	------------	----------	----------	-------------------------------------------------------------

* Part-time study available.

DEGREES

Te Pikitanga Ki Awarua

Bachelor of Arts (Māori) (Honours)

Kua neke atu i te toru tekau tau a Te Ūranga Waka e whakaako ana i te reo Māori me ōna tikanga katoa, ka mutu e hia mano tauira kua ako ki te kōrero Māori i konei. Ko te tohu e kīia nei 'Te Pikitanga ki Awarua' he tohu Hōnore, he tohu whakapakari i a koe anō. Ko te mahi rangahau te mahi matua, ā, e aro ana ki te kounga o te reo Māori kai te whāngaihia. He kaha hoki tā rātau rangahau i ngā taera reo o te motu, otirā, ngā kaupapa katoa o te iwi Māori.

This is open to those who have completed a degree and have a high level of Māori language fluency. This provides an in depth study of the Māori language particularly te reo o te poroporoaki, kupu whakarite, kīwaha, whakatauki, whakatauki as well as those issues affecting Māori society. It includes: Te Reo o Ngā Tipuna, He Hokinga Mahara, Te Ao o Tuawhakarere and Te Ao Hurihuri.

Length	1 year full-time*	Start Date	February and July	Location	Te Ūranga Waka (EIT Hawke's Bay) Te Whatukura (EIT Tairāwhiti)**
--------	-------------------	------------	-------------------	----------	---------------------------------------------------------------------

* Part-time study available.

** On campus, online and weekend wānanga.

Te Whakangungutanga ki Ngā Tāiro a Kupe

Bachelor of Arts (Māori)

This programme offers compulsory papers in Māori language, marae customs and practices. These papers are the basis of the degree major and are taught mainly in te reo Māori. Elective papers allow you to access a wide range of options, including language, teaching, research, Māori beliefs and Māori music. These papers are taught bilingually. This degree enables graduates to pursue a professional career in a variety of fields i.e. government departments, hospital boards, teaching (kōhanga, primary to secondary, adults), television and radio, working with local iwi and many more opportunities. Graduates can gain entry into the one year, full-time Bachelor of Arts Honours (Māori) programme.

NOTE: Bachelor of Arts (Māori) Level 5 and 6 are available via night classes, weekend wānanga and/or traditional day classes and is a natural pathway for current diploma students. Completion will take students two years if only attending night classes and weekend wānanga. Completion will take students one year if completing the qualification via day classes.

There is also an option to complete the Level 5 diploma via day classes over one year and night classes/weekend marae stayovers (four) across two years. Graduates of the diploma can cross credit this year to the Bachelor of Arts (Māori).

Length	3 years full-time*	Start Date	February and July	Location	Te Ūranga Waka (EIT Hawke's Bay) Te Whatukura (EIT Tairāwhiti)
--------	--------------------	------------	-------------------	----------	-------------------------------------------------------------------

* Part-time study available.

DIPLOMA

Te Pōkairua Reo (Rumaki)

NZ Diploma in Te Reo Māori (Immersion)

This programme is for graduates of the Level 4 programme who wish to gain an advanced understanding and ability in the use of te reo - kia tika, kia rere, kia Māori. At the end of the programme you will be able to communicate independently in te reo, express ideas in a wide range of familiar and some less familiar situations with fluency and flexibility. Finally, you will have a desire to contribute positively to the development of te reo, or have a personal and /or professional interest in te reo.

Length	1 year full-time*	Start Date	February	Location	Te Ūranga Waka (EIT Hawke's Bay) Te Whatukura (EIT Tairāwhiti)
--------	-------------------	------------	----------	----------	-------------------------------------------------------------------

* Part-time study available. Night classes and weekend wānanga available for those who cannot attend day classes.

CERTIFICATES

FREE Te Tohu Tauihu [Kaupae 4]

NZ Certificate in Te Reo me Ngā Tikanga [Level 4]

This qualification is for graduates of the Level 3 programme who wish to further develop their knowledge of the Māori language, and marae customs and practices. There will be a focus on speaking te reo Māori and applying it in everyday life, and on the marae ātea. Practical experience in leadership roles will occur in the second half of this year long programme. Successful completion of this certificate allows you to enrol in the Te Whakangungutanga ki Ngā Tāiro a Kupe | Bachelor of Arts (Māori) degree.

Length	1 year full-time*	Start Date	February	Location	Te Ūranga Waka (EIT Hawke's Bay) Te Whatukura (EIT Tairāwhiti)
--------	-------------------	------------	----------	----------	-------------------------------------------------------------------

* Three-hour night classes per week plus noho marae/marae stayovers and weekend wānanga available for those who cannot attend day classes.

FREE Te Pōkaitahi Tikanga (Waka Ama) [Kaupae 4]

NZ Certificate in Tikanga (Waka Ama) [Level 4]

This qualification is for people who want to develop some understanding of tikanga within a specialist field founded on a Māori world view. Learn about advanced paddling and racing techniques in the traditional indigenous sport of waka ama, te reo me ōna tikanga, local kōrero/history and fitness and wellbeing for all ages, for whānau, hapū, iwi and local communities and health and safety.

As a graduate of this qualification you will have some knowledge and skills to support and participate in the practice of tikanga under limited supervision.

Length	41 weeks*	Start Date	February	Location	Te Ūranga Waka (EIT Hawke's Bay) Te Whatukura (EIT Tairāwhiti)
--------	-----------	------------	----------	----------	-------------------------------------------------------------------

* Only offered via weekly night classes and weekend wānanga.

FREE Te Pōkaitahi Reo Māori (Reo Rua) [Kaupae 3]

NZ Certificate in Te Reo Māori [Level 3]

This qualification is intended for learners who have intermediate-level understanding of, and ability in the use of te reo. Graduates will have the skills and knowledge to communicate in te reo with some independence and confidence in everyday whānau, marae, social/community, workplace and/or academic contexts, and in Māori environments where they feel comfortable.

Successful completion of this certificate allows students to enrol in the Level 4 programme.

Length	19 weeks full-time day classes*	Start Date	February and July	Location	Te Ūranga Waka (EIT Hawke's Bay) Te Whatukura (EIT Tairāwhiti)
--------	---------------------------------	------------	-------------------	----------	-------------------------------------------------------------------

* Night classes and weekend wānanga available for those who cannot attend day classes.

FREE Te Pōkaitahi Tikanga (Waka Ama) [Kaupae 3]

NZ Certificate in Tikanga (Waka Ama) [Level 3]

This qualification is for people who want to develop some understanding of tikanga within a specialist field founded on a Māori world view. Learn about, and be immersed in, the traditional indigenous sport of waka ama, te reo me ōna tikanga and local kōrero/history.

As a graduate of this qualification you will have some knowledge and skills to support and participate in the practice of tikanga under limited supervision.

Length	19 weeks full-time*	Start Date	February and July	Location	Te Ūranga Waka (EIT Hawke's Bay) Te Whatukura (EIT Tairāwhiti)
--------	---------------------	------------	-------------------	----------	-------------------------------------------------------------------

* Only offered via night classes and weekend wānanga.

FREE Te Pōkaitahi Tikanga (Mātauranga Māori) [Kaupae 3]

NZ Certificate in Tikanga (Mātauranga Māori) [Level 3]

This qualification is for people who want to develop some understanding of tikanga (plural) within a specialist field founded on a Māori world view. You will learn a range of protocols that underpin pōwhiri (formal welcoming of visitors on the marae) and whakangahau (entertaining visitors with waiata and haka), the marae, its art forms and how they relate to local histories, and key events in Māori history and the impact on tikanga Māori, mātauranga Māori.

Length	19 weeks full-time day classes*	Start Date	July	Location	Te Ūranga Waka (EIT Hawke's Bay) Hastings Learning Centre
--------	---------------------------------	------------	------	----------	--------------------------------------------------------------

* Weekly day and night classes with three weekend wānanga.

FREE Te Pōkaitahi Reo Māori (Reo Rua) [Kaupae 2]

NZ Certificate in Te Reo Māori [Level 2]

This foundation qualification is intended for learners who have minimal command of te reo, as an additional language. Graduates will learn the language skills required to communicate, with little support, in familiar everyday contexts, and in Māori environments where they feel comfortable. Successful completion of this certificate allows students to enrol in the Level 3 programme.

Length	19 weeks full-time day classes*	Start Date	February and July	Location	Te Ūranga Waka (EIT Hawke's Bay) Te Whatukura (EIT Tairāwhiti)
--------	---------------------------------	------------	-------------------	----------	-------------------------------------------------------------------

* Night classes and weekend wānanga available for those who cannot attend day classes.

TOIHOUKURA

School of Māori Visual Arts

To find out more check out
toihoukura.eit.ac.nz

Toihoukura! Toihouora e! Toihoukura - Enriching Lives!

Toihoukura is a specialist school of contemporary Māori visual arts that looks to the past to shape the future of art in Aotearoa and globally.

It runs its unique, world-class programmes primarily from EIT's Tairāwhiti campus.

You will be encouraged to guide your own direction, vision and independence about cultural expectations and conditions, and will develop a strong sense of imagery related to your ancestral whakapapa.

Studying at Toihoukura is a holistic experience in learning to create art that finds its origins in Te Ao Māori through traditional information and thought, which is then conveyed in a contemporary format for the future.

YOUR CAREER OPPORTUNITIES

Since Toihoukura was established over 20 years ago, graduates have progressed into careers as art teachers, successful self-employed practicing artists, cultural advisors, gallery curators and more.

POSTGRADUATE PROGRAMMES

Te Hono ki Toi (Poutiriao) / Master of Professional Creative Practice (180 credits) Te Hono ki Toi (Poutiritāeo) Master of Professional Creative Practice (240 credits)**

This master's programme is collaboratively offered by EIT's two iconic creative arts schools: Toihoukura and IDEAschool, offering you an exclusive opportunity to engage with staff and students at both schools. It provides a unique perspective from both the European and Māori creative cultures allowing a wide selection of media to be advanced.

You will have the opportunity to create a body of creative work to a standard that develops, extends and refines prior professional practices, processes and knowledge. This will be achieved through research and critical evaluation to strengthen your creative practice while contextualising your practice in relation to relevant communities, contemporary concepts, models, theory, technologies and professional practice management techniques.

We now have two programme options available to choose from:

- ▶ 180 credit programme (18 months full-time)
- ▶ 240 credit programme (2 years full-time).

Length	18 months or 2 years*	Start Date	February	Location	IDEAschool at Hawke's Bay Toihoukura at Tairāwhiti
--------	-----------------------	------------	----------	----------	-------------------------------------------------------

* Part-time study available. Online, compulsory wānanga and face-to-face.

** 240 credit programme subject to approval and accreditation.

DEGREES

Te Hono ki Toi (Poutiri-ā-rangi) Bachelor of Professional Creative Practice (Honours)

This programme is collaboratively offered by EIT's two iconic creative practice schools, IDEAschool and Toihoukura, offering you an exclusive opportunity to engage with staff and students at both schools. It offers a unique perspective from both the European and Māori creative culture.

It is designed to enable graduates and other artists to further their creative practice through guided reflection, research and professional practice. You will create an effective and professional body of creative work, make it publicly available and speak professionally about that work based on in-depth and broad research. Following completion of this honours programme, you may progress to Te Hono ki Toi (Poutiriao or Poutiritāeo) - Master of Professional Creative Practice.

Length	1 year full-time*	Start Date	February	Location	IDEAschool at Hawke's Bay Toihoukura at Tairāwhiti
--------	-------------------	------------	----------	----------	-------------------------------------------------------

* Part-time study available. Online, compulsory wānanga and face-to-face.

Te Toi o Ngā Rangi Bachelor of Māori Visual Arts

Te Toi o Ngā Rangi enables students at any stage of their exploration of painting, drawing, sculpture, design, weaving or other visual arts to develop further knowledge and skills in the world of Māori contemporary arts.

You will be welcomed into a whānau environment and supported by the Toihoukura team of tutors and support staff.

The broad-based programme enables you to develop practical skills, inspires creativity and introduces you to a range of visual arts with a view towards specialisation.

Graduates of Te Toi o Ngā Rangi have found success in the creative industries including national and international art internships and residencies, major art commissions and self-employment as practicing artists. They have also made their way into art related areas such as teaching, museum curatorships, and iwi/hapū/whānau projects.

Length	3 years full-time*	Start Date	February	Location	Tairāwhiti**
--------	--------------------	------------	----------	----------	--------------

** Attendance required at on and off site wānanga.

Selection of artworks on display completed by Toi Houkura Graduates (Tairāwhiti Campus)

GRADUATE DIPLOMA

Te Ara Pourewa

Graduate Diploma in Heritage and Museum Studies

Protect, preserve and elevate taonga Māori, and prepare for a career as kaitiaki taonga (curator), kaitiaki pūranga (archivist), kaiatawhai whakaora taonga (conservator), pouherenga kōrero o-mua (historian), or kaihangarau whakakite (exhibition technician); as well as employment opportunities in the wider sector, including iwi organisations, government departments, education and heritage organisations such as the NZ Historic Places Trust, libraries, and galleries.

Length	1 year full-time	Start Date	February	Location	Tairāwhiti
--------	------------------	------------	----------	----------	------------

* Part-time study available. Online, compulsory wānanga and face-to-face.

DIPLOMA

Te Pitau a Manaia

NZ Diploma in Ngā Toi

Te Pitau a Manaia enables students to explore a range of visual art mediums and further develop knowledge and skills in the world of Māori contemporary arts. You will be welcomed into a whānau environment and supported by the Toihoukura team of tutors and support staff.

The broad-based programme enables you to develop practical skills, inspires creativity and introduces you to a range of visual arts with a view towards specialisation.

Graduates of Te Pitau a Manaia may continue to the second year of Te Toi o Ngā Rangi (degree) or further their career.

Length	1 year full-time	Start Date	February	Location	Tairāwhiti
--------	------------------	------------	----------	----------	------------

CERTIFICATES

FREE Ka Tipu te Whaihanga [Kaupae 4]

NZ Certificate in Ngā Toi [Level 4]

This programme is designed specifically to help you pursue your artistic aspirations through practical experience. If you have a desire to grow your art knowledge and design concepts, and gain skills in a creative environment, this certificate is ideal.

Successful completion of this programme can pathway you into Te Toi o Ngā Rangi - Bachelor of Māori Visual Arts. You will be exposed to a wide range of art mediums by tutors who are well respected in their fields. An interview with the principal tutor is required for all applicants.

Length	1 year full-time	Start Date	February	Location	Tairāwhiti*
--------	------------------	------------	----------	----------	-------------

Doctoral Show of Ahonuku/Associate Prof. Steve Gibbs (Tairāwhiti Campus)

NURSING AND HEALTH SCIENCE

Te Kura Kaupapa Tapuhi

To find out more check out nursing.eit.ac.nz

Nursing is one of the most exciting and rewarding study areas available. You can study at EIT to become a registered nurse, and choose to go on to our postgraduate programmes.

EIT offers a range of postgraduate nursing programmes, including the Postgraduate Diploma in Health Science (Registered Nurse Prescribing), Master of Nursing Science and the Master of Nursing (Nurse Practitioner Pathway).

Supportive and expert lecturers will help you gain knowledge and skills to become a registered or advanced nurse. You'll study at some of the best nursing teaching facilities in New Zealand, and you'll use state-of-the-art technology as part of your studies, including well-equipped clinical simulation laboratories. EIT nursing graduates are highly sought after by employers.

YOUR CAREER OPPORTUNITIES

As a registered nurse, clinical nurse specialist, registered nurse prescriber or nurse practitioner your career will be highly rewarding, you'll experience challenges and variety as you make a positive difference in people's lives.

POSTGRADUATE PROGRAMMES

Master of Nursing Science

This programme is designed to meet the needs of registered nurses who wish to further develop their knowledge and skills for evidence-based practice, clinical specialty practice, advanced nursing practice, research, nursing education, policy, management and leadership.

The entry requirements for the Master of Nursing Science are an NZQF-listed Bachelor's or higher degree (or equivalent) with a minimum or the equivalent to a B average as per the EIT-specified 11-point achievement-based grading system.

If English is not your first language, you need an IELTS of at least 6.5 in all bands (or equivalent).

Length	18 months full-time*	Start Date	February and July**	Location	Offered either online or with blended delivery
--------	----------------------	------------	---------------------	----------	------------------------------------------------

* Part-time study available.

** Intakes vary depending on course selection.

Master of Nursing - Nurse Practitioner Pathway

This programme is designed to prepare you for advanced practice roles and is approved by the Nursing Council of New Zealand as a "masters with a clinical focus, including the content for preparation for Nurse Prescribing and Nurse Practitioner." You will have academic guidance and mentorship by nurse practitioners during the practicum components of this programme.

You will develop advanced nursing knowledge, skills of critical analysis, constructive synthesis, advanced practice and research skills within your specialty area.

Length	3 years full-time*	Start Date	February and July	Location	Offered either online or with blended delivery
--------	--------------------	------------	-------------------	----------	------------------------------------------------

* Part-time study available.

Bachelor of Nursing Students; Kate Reedy and Chanel Kahaki with Tutor Lauren Hindmarsh (Tairāwhiti Campus)

Postgraduate Certificate in Health Science

This programme offers registered nurses and other health professionals the opportunity to develop their knowledge and skills, and articulate the scope of their practice and its advancement. It provides an excellent foundation of postgraduate enquiry, which can be built upon with further postgraduate study and may be credited towards a postgraduate diploma or masters qualification.

A range of courses may be selected from and tailored to your needs:

- ▶ Child and Family Health
- ▶ Diabetes Management
- ▶ Nursing Education
- ▶ Elder Health
- ▶ Health Promotion
- ▶ Health Management
- ▶ Human Lactation and Breastfeeding
- ▶ Primary Healthcare
- ▶ Advanced Pathophysiology
- ▶ Advanced Pharmacology
- ▶ Nutrition

Length	6 months full-time*	Start Date	February and July**	Location	Offered either online or with blended delivery
--------	---------------------	------------	---------------------	----------	------------------------------------------------

* Part-time study available.

** Intakes vary depending on course selection.

Postgraduate Diploma in Health Science

This programme offers registered nurses and other health professionals the opportunity to develop their knowledge and skills, and articulate the scope of their practice and its advancement. Completion of this programme contributes to graduate's ability to critically analyse practice and advance professional knowledge and understanding, and supports students as they develop their leadership potential.

This programme may also be credited towards a masters qualification. A range of courses may be selected from and tailored to individual needs. Nursing endorsements include:

- ▶ Advanced Nursing Practice
- ▶ Registered Nurse Prescribing (approved by the Nursing Council of New Zealand). *See below.*

Length	1 year full-time*	Start Date	February and July**	Location	Offered either online or with blended delivery
--------	-------------------	------------	---------------------	----------	------------------------------------------------

* Part-time study available.

** Intakes vary depending on course selection.

Postgraduate Diploma in Health Science (Registered Nurse Prescribing)

This qualification is accredited by the Nursing Council of New Zealand. Registered nurses working with people with long term conditions and in specialty teams may be eligible to enrol in this programme. There are four core courses within the qualification, with the final course being a prescribing practicum where registered nurses work with their approved prescribing mentor.

Applicants must be a registered nurse with the Nursing Council of New Zealand with a current annual practising certificate. You need a minimum of three years' experience in your area of prescribing practice, have employer support to enrol and have a B grade average in the prerequisite courses in order to enrol in the Registered Nurse Prescribing course.

Length	1 year full-time*	Start Date	February and July	Location	Offered either online or with blended delivery

--------	---------------------	------------	---------------------	----------	----------------------------

* Part-time study available.

** July intake available in Hawke's Bay only.

Anthea Taylor | Bachelor of Nursing Student assisting a resident at a Hawke's Bay Rest Home

PRIMARY INDUSTRIES

Te Kura Ahumahi Matua

Agriculture | Apiculture | Horticulture | Commercial Transport | Environment

The food and fibre industry needs well-trained employees. EIT offers programmes to meet the industry demand for skilled staff. The EIT Taradale campus now hosts the new Centre of Vocational Excellence for Food and Fibre in New Zealand.

EIT delivers a range of qualifications targeted at the Primary Industry Sector. In our Agriculture programmes you will gain hands-on skills in stock handling, vehicles and machinery, fencing, soils and pastures.

Demand for roles in the environmental management sector are growing as people's awareness of environmental challenges and sustainability increases. EIT has developed new environmental management programmes with up-to-date material allowing you to progress up to degree level with your studies.

In our Horticulture programmes you can choose from a wide range of qualifications. Learn all about soil types, plant science, propagation, pest and disease management, irrigation and harvesting. Gain an understanding of horticultural technology and management.

You'll have access to horticulture laboratories, greenhouses, propagation facilities and garden plots.

EIT has a managed apprenticeship programme for fruit production apprentices. The apprentices work in Hawke's Bay's biggest industry and gain qualifications and experience at the same time.

EIT has Diploma level Horticulture programmes in Fruit Production and Post-Harvest. These are designed for those in industry who want to further their knowledge and careers.

The Certificate in Commercial Road Transport enables you to gain your Class 2, 4 and 5 licenses through the use of our truck and trailer, transporting goods around Hawke's Bay and Tairāwhiti.

AGRICULTURE

To find out more check out agriculture.eit.ac.nz

EIT delivers a range of qualifications targeted at the agricultural sector. You will gain skills in stock handling, vehicles and machinery, fencing, soils and pastures. Engage with the agricultural sector and benefit from learning with our tutors who know the industry. Gain the skills and knowledge that will provide you with a career in this sector.

YOUR CAREER OPPORTUNITIES

The agricultural industry continues to grow and develop. As a qualified graduate you will be recognised as a skilled individual that has industry relevant skills. EIT's qualifications are designed to provide pathways irrespective of your initial skill level or knowledge. This could be as a farm assistant or contractor, through to a management or supervisory role across a variety of agricultural careers.

DIPLOMAS

NZ Diploma in Environmental Management

Equip yourself for a role in the exciting and ever-expanding world of environmental management.

From the preservation of our beautiful natural resources to sustainable farming, EIT's NZ Diploma in Environmental Management will equip you with the knowledge and skills to participate in and manage environmental projects, be they community or government driven.

This diploma will prepare you for roles in conservation, resource management and environmental monitoring. The Level 5 Diploma leads into a Level 6 Diploma in Environmental Management, after which EIT has arrangements for those who want to continue study for an environmental science or management degree.

NOTE: EIT plans on offering a Bachelor of Applied Science (Biodiversity Management) starting in Semester 2, 2022.

Length	1 year full-time*	Start Date	February and July	Location	Hawke's Bay
--------	-------------------	------------	-------------------	----------	-------------

* Part-time study available.

Workplace Operations Student (Tairāwhiti Campus)

CERTIFICATES

FREE NZ Certificate in Primary Industry Operational Skills (With optional strands in Specialist Equipment with Class 2 Licence) [Level 3]

When you complete this Level 3 programme, you will gain essential skills that will allow you to safely operate vehicles in a Primary Industry context. This could include tractors, quad bikes, motorcycles, light utility vehicles and Class 2 vehicles. You will also work with different types of machinery such as Hydraladas or chainsaws.

There is also an infrastructure strand that allows you to develop skills in fencing or irrigation in relation to either horticulture or agriculture.

Length	15 weeks full-time*	Start Date	February	Location	Tairāwhiti Rural Studies Unit
--------	---------------------	------------	----------	----------	-------------------------------

FARMING WORKPLACE OPERATIONS

FREE NZ Certificate in Agriculture (Farming Systems) and FREE NZ Certificate in Primary Industries Operational Skills [Level 3]

This conjoint programme consists of the NZ Certificate in Agriculture (Farming Systems) [Level 3] and the NZ Certificate in Primary Industry Operational Skills (with optional strands in Specialist Equipment and Infrastructure) [Level 3].

The purpose of these two qualifications is to:

- ▶ Provide the pastoral farming sector with graduates who have a broad theoretical understanding of New Zealand pastoral farming systems and practical capability in the pastoral farming sector.
- ▶ Provide rural workplaces with graduates who have the ability to safely carry out a range of activities ready for operation in a rural workplace, including the use and maintenance of workplace vehicles, machinery, and infrastructure.

Length	1 year full-time	Start Date	February	Location	Tairāwhiti Rural Studies Unit
--------	------------------	------------	----------	----------	-------------------------------

FREE Growing Future Farmers [Level 2-3]

The Growing Future Farmers (GFF) programme is your farming career pathway with specialised practical workplace training and development, pastoral care support, NZQA qualifications and everything you need to be a farmer of the future.

The programme is supported by GFF farms and farm trainers throughout NZ, teaching Essential Farm Skills.

While enrolled as a Growing Future Farmers student you will be studying with EIT towards completing the following qualifications:

- ▶ NZ Certificate in Primary Industry Skills [Level 2]
- ▶ NZ Certificate in Primary Industry Operational Skills (with optional strands in Specialist Equipment and Infrastructure) [Level 3]
- ▶ NZ Certificate in Agriculture (with strands in Dairy Farming and Meat and/or Fibre) [Level 3]

Length	2 years full-time	Start Date	Mid January	Location	On-farm – Central Hawke's Bay, Tairāwhiti and Dannevirke
--------	-------------------	------------	-------------	----------	----------------------------------------------------------

FREE NZ Certificate in Primary Industry Skills (Agriculture | Ecology | Horticulture) [Level 2]

The NZ Certificate in Primary Industry Skills provides entry level skills for those beginning a career in the primary industries.

This is a practical programme with most learning happening outside the classroom at local community gardens, marae, orchards and on the farm. You must be prepared to get your hands dirty and be able to complete physical work.

Length	12-14 weeks	Start Date	Various depending on location*	Location	Various locations across Hawke's Bay and Tairāwhiti*
--------	-------------	------------	--------------------------------	----------	------------------------------------------------------

* Check out our website for more information on locations and start dates.

APICULTURE

To find out more check out apiculture.eit.ac.nz

The apiculture industry has expanded rapidly in recent years and manuka honey is highly sought after in overseas markets. There has also been an increase in people wanting to know about keeping their own bees.

In this programme you will learn how to manage a real beehive and get to use all the necessary equipment as well as learn the theory behind honey production and disease control.

YOUR CAREER OPPORTUNITIES

Beekeeping offers many exciting career opportunities, both in New Zealand and overseas. Opportunities include: hobbyist beekeeper, part-time or full-time employment through to ownership of a commercial beekeeping operation.

Graduates can work as an assistant beekeeper for a commercial operator or as an independent beekeeper with a small number of beehives.

CERTIFICATE

FREE NZ Certificate in Apiculture [Level 3]

If you have ever wanted to work in the apiculture industry on a small scale or are assisting in a commercial beekeeping operation then this programme is for you.

On completion of this qualification you will own your own beehive and be able to work under limited supervision to maintain, manipulate and operate beehives to produce quality products and pollination services.

Length	1 year part-time	Start Date	July and August*	Location	Hawke's Bay, Tairāwhiti Campus and Regional Learning Centres; Central Hawke's Bay, Ruatoria and Wairoa
--------	------------------	------------	------------------	----------	--------------------------------------------------------------------------------------------------------

**July intake available in Hawke's Bay and Waipukurau. August intake available at Ruatoria, Tairāwhiti and Wairoa.*

COMMERCIAL ROAD TRANSPORT

To find out more check out driving.eit.ac.nz

The transport industry needs professionally trained, qualified, specialist drivers. There are plenty of opportunities for employment with over 50,000 New Zealanders working in this industry.

At EIT you will develop your skills using our truck and trailer and transporting goods around Hawke's Bay and Tairāwhiti.

YOUR CAREER OPPORTUNITIES

EIT has strong connections with industry in commercial road transport. There is a general shortage of good qualified commercial drivers with Class 4 or 5 licenses. EIT enables students to find work experience placements with major trucking companies who are looking for keen and qualified drivers. EIT has a good record of students, both male and female, who go on to employment on graduation.

CERTIFICATE

FREE NZ Certificate in Commercial Road Transport (Heavy Vehicle Operator) [Level 3]

With this qualification you'll be eligible for a wide range of employment opportunities in any industry where vehicles are driven and in areas where a range of licence classes are required, such as the transport, logging, construction and roading.

This qualification gives you the skills and knowledge to safely and competently operate rigid vehicles or heavy vehicle combinations. You must hold a current Full Class 1 Licence for a minimum of six months and hold a medical certificate no older than 60 days for the level of licence required.

Length	20 weeks full-time	Start Date	Dates vary depending on location	Location	Hawke's Bay and Tairāwhiti Rural Studies Unit
--------	--------------------	------------	----------------------------------	----------	-----------------------------------------------

HORTICULTURE

To find out more check out horticulture.eit.ac.nz

Grow a great career in horticulture and choose from a wide range of qualifications. Learn all about soil types, plant science, propagation, pest and disease management, irrigation and harvesting.

Understand horticultural technology, resource management, fruit production and post-harvest management. You'll have access to horticulture laboratories, greenhouses, propagation facilities and garden plots.

YOUR CAREER OPPORTUNITIES

The horticulture industry continues to expand and a wide range of careers is available for qualified employees. The industry is using more and more technology and expensive equipment, and highly skilled employees are needed to manage and run them.

Careers can range from on orchard managers and technical staff to those in the post-harvest industry which are essential for maintaining the quality of our local and export produce.

DIPLOMAS

FREE NZ Diploma in Horticulture Production (Post Harvest strand)

This Diploma has been developed with industry to provide specialist technical skills and knowledge in the post-harvest sector.

You will develop an overview of the management of all post harvest operations, preparing you for more senior management roles. You will learn about the individual topics, but also develop your confidence, management skills and self-awareness to become a better manager.

You will be given access to a range of resources and industry experts during the programme that will enhance your understanding and build on skills you may already have.

Length	2-4 years part-time	Start Date	July	Location	Hawke's Bay
--------	---------------------	------------	------	----------	-------------

FREE NZ Diploma in Horticulture Production (Fruit Production strand)

The NZ Diploma in Horticulture Production (Fruit Production strand) [Level 5] has been developed with industry to provide specialist technical skills and knowledge in the fruit production sector.

You will be given access to a range of resources and industry experts during the programme that will enhance your understanding and build on skills you may already have.

Length	2 years part-time	Start Date	January	Location	Hawke's Bay
--------	-------------------	------------	---------	----------	-------------

CERTIFICATES

FREE Te Hiringa o te Taiao [Kaupae 4]

NZ Certificate in Māori Environment Practices [Level 4]

This qualification is intended for whānau, hapū, iwi and others with some experience in mātauranga Te Taiao, or those intending to work in the area of Tiaki Te Taiao, and who are seeking a formal qualification to work independently at an intermediate level.

Te iwi Māori and Aotearoa will benefit from having graduates who are able to provide, from an āhuetanga Māori perspective, skills grounded in mātauranga Taiao to protect and enhance Te Taiao for current and future generations.

Length	20 weeks full-time*	Start Date	October	Location	Tairāwhiti
--------	---------------------	------------	---------	----------	------------

* Part-time study available.

FREE NZ Certificate in Sustainable Primary Production [Level 4]

The programme in Hawke's Bay enables you to work with and propagate native plants in the EIT nursery and then get involved in revegetation projects around the district. You will enhance your knowledge and skills of riparian, wetland and revegetation areas and make a difference to the local environment. Students who have graduated with the NZ Certificate in Horticulture (General) [Level 3] often progress to this qualification as they have a good grounding in horticulture.

Build on your current knowledge to develop, implement and monitor sustainable land-based production systems. At the Ruatoria-based programme you will enhance your knowledge and skills of crop production with a focus on hemp growing.

Length	22 weeks full-time	Start Date	July and October*	Location	Hawke's Bay and Ruatoria Learning Centre
--------	--------------------	------------	-------------------	----------	------------------------------------------

* July intake available in Hawke's Bay only. October intake available in Ruatoria.

FREE Horticulture Apprenticeship Programme [Level 3-4]

The EIT apprenticeship programme is designed for people working in the fruit industry to gain formal qualifications and improve all aspects of their theoretical and practical knowledge and skills. The apprenticeship programme is supported by industry and can lead to a worthwhile career. You will learn about pests and diseases, machinery, soils, irrigation and other relevant skills. You will also go on field trips to different horticulture properties to see the latest techniques and technology. Apprentices get paid in their job and study at the same time.

On completion of the programme you will achieve the following qualifications:

- ▶ NZ Certificate in Primary Industries Operational Skills (with optional Specialist Equipment and Infrastructure strands) [Level 3]
- ▶ NZ Certificate in Horticulture (Fruit Production) [Level 3]
- ▶ NZ Certificate in Horticulture (Fruit Production) [Level 4]

Length	3.5 years part-time	Start Date	January*	Location	Hawke's Bay and Tairāwhiti
--------	---------------------	------------	----------	----------	----------------------------

* Check out our website for more information on additional start dates.

FREE NZ Certificate in Land-Based Sustainability Practices [Level 3]

Develop and maintain your own or community land through sustainable practices.

This programme offers an introduction to the concepts and principles of sustainable land management. You will increase your awareness and knowledge of sustainable management practices that can be applied to a wide range of horticultural sectors.

Length	12 weeks full-time	Start Date	Dates vary depending on location	Location	Ruatoria Regional Learning Centre
--------	--------------------	------------	----------------------------------	----------	-----------------------------------

Theresa Thornton | NZ Diploma in Environmental Management [Level 5] Student (Hawke's Bay Campus)

FREE NZ Certificate in Horticulture (General) [Level 3]

This horticulture programme is ideal for people who want to increase their horticulture knowledge; whether it be to propagate their own plants or grow their own food. The general horticulture knowledge and skills you will gain in this programme can lead to employment in the horticulture industry. The programme has a mix of theory and practice and you will propagate plants in the EIT glasshouse and grow plants in our outdoor garden. You will learn about pests and disease, soils, plant science and useful gardening skills. This programme gives you an excellent skill base for further study at higher levels.

Length	20 weeks full-time	Start Date	February and July	Location	Hawke's Bay
--------	--------------------	------------	-------------------	----------	-------------

**Part-time study available.*

FREE NZ Certificate in Horticulture (Fruit Production) [Level 3]

This qualification is ideal if you have some general experience, or have a desire to work in the horticulture industry and want to develop your skills and knowledge specifically in fruit production. During the length of this programme you will be involved in seasonal production tasks as they relate to the fruit production industry in Tairāwhiti.

As a graduate you will be able to undertake such activities as assessing crop health, pruning, irrigation and support structures and effectively communicate within a team. This qualification builds on the NZ Certificate in Primary Industry Skills [Level 2] and the NZ Certificate in Primary Industry Operational Skills [Level 3].

Length	20 weeks full-time	Start Date	May	Location	Tairāwhiti Rural Studies Unit
--------	--------------------	------------	-----	----------	-------------------------------

FREE Mahinga Kai - Te Hoata

NZ Certificate in Māori Traditional Food Production, Harvest and Management [Level 3]

Focus on traditional Māori tikanga that can be passed on to your tamariki and mokopuna by completing this introductory qualification.

This programme provides the opportunity to engage with your whānau, hapū, iwi and communities by sharing the whakaaro nui gained. Grow both the theoretical and operational understanding of mahinga kai that will enhance your connection with te whenua.

Length	20 weeks full-time*	Start Date	August	Location	Tairāwhiti (Tolaga Bay Uawa)
--------	---------------------	------------	--------	----------	------------------------------

**Part-time study available with Noho Marae.*

Javahn Kavell | NZ Certificate in Primary Industry Skills (Horticulture) [Level 2] Student with Taylor Apples Supervisor Marcos Grespan (Hawke's Bay)

FREE Ka Hao te Rangatahi | Ecological Landcare [Level 2-3]

Protect your environment! Ka Hao te Rangatahi | Ecological Landcare is a conjoint programme consisting of the NZ Certificate in Primary Industry Skills [Level 2] and the NZ Certificate in Primary Industry Operational Skills [Level 3].

This programme provides entry level skills for those beginning a career in the primary industries (specifically 16 – 24 year olds) with a focus on ecological land management. It is an applied practical programme with most learning happening outside the classroom at local conservation land or Marae. You must be prepared to get your hands dirty and be able to complete physical work.

Length	29 weeks full-time*	Start Date	February	Location	Ruatoria Learning Centre
--------	---------------------	------------	----------	----------	--------------------------

* Part-time study available.

FREE Horticulture Workplace Operations [Level 2-3]

This conjoint programme of the NZ Certificate in Primary Industries Skills [Level 2] and the NZ Certificate in Primary Industry Operational Skills [Level 3] provides entry level skills for those beginning a career in the primary industries with a focus on commercial fruit production.

During the length of this programme you will be involved in seasonal production tasks as they relate to the fruit production industry in Tairāwhiti. As a graduate you will be able to undertake such activities as assessing crop health, pruning, irrigation and support structures and communicating effectively within a team.

Length	24 weeks full-time	Start Date	February	Location	Tairāwhiti Rural Studies Unit
--------	--------------------	------------	----------	----------	-------------------------------

TEACHING & SOCIAL WORK

Te Kura Kaupapa Mātauranga, Pāpori

To find out more check out teaching.eit.ac.nz

TEACHING

Learn to become a great teacher. EIT teacher education perfectly balances theory, research and practice.

As you study, you'll work alongside experienced teachers in local early childhood settings and primary schools as part of the programme.

Teaching is a rewarding career, and EIT's quality education programmes will help you develop your knowledge and skills for teaching.

To find out more check out socialwork.eit.ac.nz

SOCIAL WORK

Social workers are an integral part of today's society and you could find yourself assisting in a range of areas from supporting individuals and communities, promoting social change and wellbeing, to working with government agencies at a policy level.

EIT's social work degrees will provide you with the knowledge, skills and attributes required for social work practice in a variety of settings such as schools, hospitals, community groups or government agencies.

YOUR CAREER OPPORTUNITIES

TEACHING

When you complete your early childhood education or primary teaching degree at EIT you can apply for registration with the Teaching Council of Aotearoa New Zealand as a provisionally certified teacher.

SOCIAL WORK

Social work is challenging and offers plenty of variety, and as a qualified social worker you'll be taking on a career that is rewarding and fulfilling.

POSTGRADUATE PROGRAMMES

Te Tohu Paerua mō Te Aka Whakaaroaro | Master of Professional Practice Te Tohu Titohu mō Te Aka Whakaaroaro | Postgraduate Diploma in Professional Practice

Are you looking for an opportunity to reflect on and develop your professional practice?

These postgraduate programmes are for people whose primary work is with people: social workers, teachers, community/iwi development practitioners, counsellors, health practitioners and others working in fields where understanding customs, beliefs, values and language is essential.

Features of the programmes:

- ▶ Focus on your own practice developments and passions
- ▶ Critically reflect on your own practice strengths, weaknesses, challenges and areas for expansion
- ▶ Flexible delivery (block wānanga and online learning)
- ▶ Commitment to mātauranga Māori
- ▶ Collaborative interdisciplinary study with others whose practice is in socio-cultural fields.

Length	1 - 2 years full-time*	Start Date	February	Location	Hawke's Bay**
--------	------------------------	------------	----------	----------	---------------

* Postgraduate Diploma 1 year full-time | Master Degree 2 years full-time.

** Face-to-face, block courses and online.

Postgraduate Certificate in Professional Supervision

EIT's Postgraduate Certificate in Professional Supervision will enable people working in the social services and health sectors to develop their practice of professional supervision. The programme covers the theoretical underpinnings of supervision in preparation for advanced skills application. You will apply the knowledge and skills gained in your own supervisory practice, 50 hours minimum practice in the role of supervisor. Credits towards the Postgraduate Diploma and Master of Professional Practice.

Length	1 year part-time	Start Date	February	Location	Hawke's Bay*
--------	------------------	------------	----------	----------	--------------

* Face-to-face, block courses and online.

Postgraduate Certificate in Educational Leadership and Management

EIT's Postgraduate Certificate in Educational Leadership will suit early childhood, primary, secondary and tertiary teachers wishing to develop their skills and expertise, and position themselves for professional leadership.

Credits towards the Postgraduate Diploma and Master of Professional Practice.

Length	1 year part-time	Start Date	February	Location	Online
--------	------------------	------------	----------	----------	--------

Mereaera Hesketh | Te Tohu Paerua mō Te Aka Whakaaroaro | Master of Professional Practice Graduate (with Distinction) (Hawke's Bay Campus)

DEGREES

Bachelor of Teaching (Early Childhood Education)

A passionate, skilled and qualified early childhood teacher has an important role in the learning and development of infants, toddlers and young children. The early years of a young child's life lay the foundation for life-long learning.

This programme enables you to undertake study two days a week on campus to attain a teaching qualification while being employed or working voluntarily two days a week in an early childhood setting.

On completion of the Bachelor of Teaching (Early Childhood Education) you will be ready to apply for registration as a provisionally certificated ECE teacher with the Teaching Council of Aotearoa New Zealand.

Length	3 years full-time*	Start Date	February	Location	Hawke's Bay
--------	--------------------	------------	----------	----------	-------------

* On-campus and field-based.

Bachelor of Teaching (Primary)

Become a primary teacher and help New Zealand children get off to a great start in life. This degree works in close partnership with primary schools to give you a balance of theory, self-directed learning and practical experience.

As a candidate teacher, you'll experience two days a week in a school. On campus, for three days a week you'll learn the theory and current practice underpinning teaching subjects, such as language and literacy, mathematics, science, social studies, art, technology, health and physical education.

Graduates can apply for registration as a provisionally certified teacher.

Length	3 years full-time*	Start Date	February	Location	Hawke's Bay and Tairāwhiti
--------	--------------------	------------	----------	----------	----------------------------

* On-campus and school-based learning. Blended learning - face-to-face and online.

DIPLOMA

NZ Diploma in Early Childhood Education and Care*

Thinking about being an early childhood educator?

This one year programme prepares you for a career in the early childhood sector. You could become a non-registered educator in an early childhood centre or home-based delivery, or go on to complete a degree and become a registered teacher.

* Subject to approval and accreditation.

Length	1 year full-time	Start Date	February	Location	Hawke's Bay
--------	------------------	------------	----------	----------	-------------

Isaac James | Bachelor of Teaching (Primary) Graduate (Hawke's Bay Campus)

Bachelor of Social Work [Level 7] Bachelor of Social Work (Honours) [Level 8]

Make a difference in your community. With a degree in social work you will be ready to help empower individuals, families and whole communities to create positive change.

Social workers are employed in areas of community development, health and education, child protection, family work, drug and alcohol, domestic violence, probation and reintegration, and more. This Inquiry-based degree will prepare you to practice within the bicultural social work context of Aotearoa.

As part of your training you'll be assigned to social work placements in agencies. You will also gain the skills to reflect on your own perceptions, actions, and processes, as well as the ability to promote social justice.

Upon graduating, you will be able to apply for provisional registration as a social worker with the Social Workers Registration Board.

If you receive high grades in your third year of study, you may complete the fourth year at a higher level and graduate with a Bachelor of Social Work (Honours).

Length	Level 7 - 3 years full-time* Level 8 - 4 years full-time*	Start Date	February	Location	Hawke's Bay and Tairāwhiti
--------	--------------------------------------------------------------	------------	----------	----------	----------------------------

* Part-time study available.

Justine Maxwell-Edwards | Bachelor of Social Work Student (Tairāwhiti Campus)

CERTIFICATES

NZ Certificate in Adult and Tertiary Teaching

If you aspire to a career in adult and tertiary teaching or training, this is a fantastic qualification to set you on your teaching career path. You can fit your study around your work, family and lifestyle. You can work and learn.

All study is completely online – with supportive facilitators and advisors to help you along the way.

If it's a love of teaching, a passion for your trade or a need to help others achieve success, this qualification will give you the tools to help you achieve your goal.

Length	18 months part-time	Start Date	Monthly	Location	Fully online
--------	---------------------	------------	---------	----------	--------------

NZ Certificate in Adult Literacy and Numeracy Education (Vocational Workplace)

If you are a teaching practitioner and want to develop your skills in teaching numeracy and literacy to adult learners, this qualification is for you. Gain the tools to teach reading, writing and numeracy to adult learners.

You can fit your study around your work, family and lifestyle. You can work and learn. All study is completely online - with supportive facilitators and advisors to help you along the way.

--------	-----------------------	------------	---------	----------	--------------

Teaching and Social Work Pathway - NZ Certificate in Study and Career Preparation [Level 4]

This is the ideal introduction if you're interested in working in the social services or education sectors. This programme is for people intending to pursue focused development in the skills, capabilities, knowledge and attributes needed to succeed at Level 4 or above.

The courses you choose will get you ready to apply for entry into a range of diploma and degree programmes in the fields of social work and teaching.

If you choose not to carry on with study, you will have some broad knowledge and skills to enhance your employment prospects.

Length	19 weeks full-time*	Start Date	February and July**	Location	Hawke's Bay and Tairāwhiti
--------	---------------------	------------	---------------------	----------	----------------------------

* Part-time study available.

** February intake available in Hawke's Bay only. July intake available in both Hawke's Bay and Tairāwhiti.

NZ Certificate in Study and Career Preparation [Level 3]

If you're interested in working in the social services or education sectors, the NZ Certificate in Study and Career Preparation [Level 3] is the ideal stepping-stone.

The skills and knowledge you'll acquire will stand you in great stead for entry-level employment or to carry on to further study at Level 4.

Length	19 weeks full-time*	Start Date	February and July**	Location	Hawke's Bay and Tairāwhiti
--------	---------------------	------------	---------------------	----------	----------------------------

* Part-time study available.

** February intake available in both Hawke's Bay and Tairāwhiti. July intake available in Hawke's Bay only.

Students at Hawke's Bay Campus

TRADES AND TECHNOLOGY

Te Kura Kaupapa Ringa Rehe, Hangarau

To find out more check out trades.eit.ac.nz

EIT's trades and technology qualifications are all about giving you plenty of hands-on practical experience, like constructing a building, wiring a house, or repairing vehicles. You can study foundation programmes and try your hand at a range of trades, then go on to specialist training at EIT.

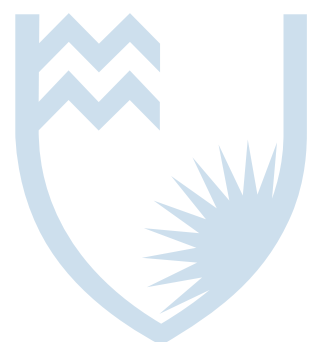

You may be eligible for help with paying your fees through an EIT Youth Scholarship or the Māori and Pasifika Trades Training scheme, Te Ara o Tākitimu and Te Toka.

If you're already working as a tradesperson, you can get career development to help you take your next step up the ladder.

YOUR CAREER OPPORTUNITIES

Qualified, professional tradespeople are always in demand.

You could score a great career in architecture, carpentry, electrical engineering, automotive, plumbing and gasfitting or engineering, including machining, welding and fabrication.

DIPLOMA

FREE NZ Diploma in Architectural Technology

This programme will offer you stimulating studies and provide a pathway to your professional qualification as an architectural technician. Gain the knowledge, skills and attitudes required to become a productive member of an architectural design team – undertake practical learning to learn the whole process of producing architectural drawings, from establishing a client's requirements right through to submission of the final designs.

Length	2 years full-time*	Start Date	February	Location	Hawke's Bay
--------	--------------------	------------	----------	----------	-------------

*Part-time study available.

CERTIFICATES

NZ Certificate in Electric Vehicle Automotive Engineering [Level 5]

This programme provides the automotive engineering industry with individuals who have attained the knowledge and skills required to safely and effectively diagnose and repair faults in electric vehicles. Electric vehicles include both battery electric and hybrid electric vehicles or machines. This has been designed for people working, or intending to work in an advanced technical role within an electric vehicle automotive context or for experienced automotive engineering technicians. Graduates may have some responsibility for representing the business and for the overall performance of the workshop. Graduates of this programme will not be recognised as manufacturer-specific technicians.

Length	42 weeks part-time*	Start Date	March	Location	Hawke's Bay and Tairāwhiti
--------	---------------------	------------	-------	----------	----------------------------

*Blended delivery - online learning, night classes and block courses for practical application.

NZ Certificate in Study and Career Preparation (Services Pathway) [Level 3]

Are you seeking a career in the NZ Police or the Services?

The NZ Certificate in Study and Career Preparation (Services Pathway) [Level 3] will provide you with the knowledge, skills and confidence to apply for training or employment in the NZ Police, Armed Forces or Correction Services.

Length	19 weeks full-time	Start Date	February and July	Location	Hawke's Bay and Tairāwhiti
--------	--------------------	------------	-------------------	----------	----------------------------

FREE NZ Certificate in Construction Trade Skills (Carpentry) [Level 3]

Start your training in our modern Trades and Technology facilities with project and task-based learning. You can begin a career in building and construction and gain credits towards the NZ Certificate in Carpentry [Level 4]. Work experience within the local industry is an important part of the programme.

On completion you could be employed as an apprentice by a builder or building contractor to complete your carpentry qualification.

Length	39 weeks full-time	Start Date	February and July*	Location	Hawke's Bay and Tairāwhiti
--------	--------------------	------------	--------------------	----------	----------------------------

*July intake available in Hawke's Bay only.

FREE NZ Certificate in Electrical Engineering (Theory) [Level 3]

Make the most of your talent for problem solving and gain essential electrical engineering skills for a future career in the electrical industry. You can continue your theory and practical training as part of an apprenticeship, leading to registration as a fully qualified electrical tradesperson.

Length	1 year full-time	Start Date	February and July	Location	Hawke's Bay
--------	------------------	------------	-------------------	----------	-------------

FREE NZ Certificate in Mechanical Engineering [Level 3]

If you want a career in welding, machining and fabrication, study a New Zealand Certificate in Mechanical Engineering and begin an apprenticeship. You can earn a good wage doing something you really like. You will get real world workshop experience with local firms doing work experience as part of the programme.

Length	1 year full-time	Start Date	February and July*	Location	Hawke's Bay and Tairāwhiti
--------	------------------	------------	--------------------	----------	----------------------------

*February intake available in Tairāwhiti only.

FREE NZ Certificate in Construction Trade Skills (Joinery) [Level 3]

This programme offers students real world experience to begin a career in building and construction specialising in joinery. Joiners interpret instructions to ensure everything fits together as a seamless structure and looks good. They achieve the best possible finish using their expertise with tools and fixing materials.

Length	30 weeks full-time	Start Date	February	Location	Hawke's Bay
--------	--------------------	------------	----------	----------	-------------

FREE NZ Certificate in Infrastructure Works (with optional strand in Plant Operation) [Level 3]

Gain the operating skills to launch your career in the infrastructure industry. Infrastructure is the fundamental facilities and systems serving a country, city, or other area. It is typically characterised by technical structures such as roads, bridges, tunnels, water supply and sewers.

Note: You need to be employed in the industry in order to complete this Certificate.

Length	52 weeks part-time	Start Date	January	Location	Hawke's Bay and Tairāwhiti
--------	--------------------	------------	---------	----------	----------------------------

FREE NZ Certificate in Plumbing, Gasfitting and Drainlaying (Pre-apprenticeship) [Level 3]

Skilled plumbers are in demand as construction continues to boom nationwide. Gain the skills and knowledge needed to ensure the right water, gas and waste systems are in place on your worksite. Plumbing is a rewarding, hands-on long-term career.

You are required to have the physical mobility needed to meet the demands of construction site work.

Length	24 weeks full-time	Start Date	February	Location	Hawke's Bay
--------	--------------------	------------	----------	----------	-------------

NZ Certificate in Automotive Engineering [Level 3]

If you are into cars and motors make a career out of it and study a NZ Certificate in Automotive Engineering Level 3. Apprenticeships and job opportunities in the motor trade include working on cars, trucks, machinery, motorcycles, marine or automotive electrics. You will get real world workshop experience with local firms doing work experience as part of the programme.

Length	1 year full-time*	Start Date	February and July	Location	Hawke's Bay and Tairāwhiti
--------	-------------------	------------	-------------------	----------	----------------------------

* Part-time apprenticeship study available.

FREE NZ Certificate in Outdoor Experiences [Level 3]

Do you like tramping, mountain biking, paddle boarding and nature adventures?

Then the NZ Certificate in Outdoor Experiences has you covered. This hands-on programme will teach you how to survive and navigate in the wild following the principles of personal safety and kaitiakitanga (guardianship and protection of the environment). The certificate is made up of field-trips as well as land-based and water-based activities. You will also get the opportunity to go on an overnight camping trip and build your own shelter.

This qualification will set you up for a career as a ranger, tourism guide, or for a role in the search and rescue services or defence force. Or further your study and continue on to the NZ Certificate in Outdoor and Adventure Education (Multi-Skilled) [Level 4]. Refer to page 41 for more information.

Length	14 weeks full-time	Start Date	February and September*	Location	Hawke's Bay and Tairāwhiti
--------	--------------------	------------	-------------------------	----------	----------------------------

* February intake available in Tairāwhiti only. Hawke's Bay intakes available in both February and September.

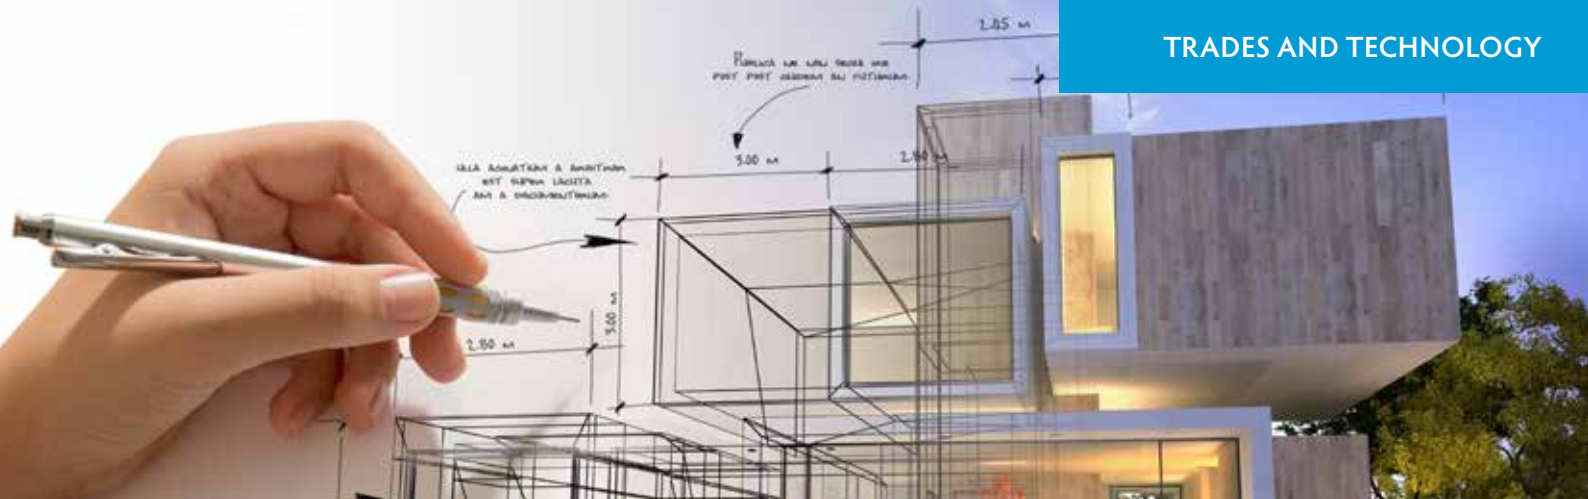

FREE NZ Certificate in Building, Construction and Allied Trades Skills [Levels 2 and 3]

Further your skills as a carpenter in preparation to join the construction industry. These programmes provide you with the knowledge and skills to complete a medium sized construction project whilst introducing you to industry requirements and practices.

Length	15 weeks full-time	Start Date	July and August*	Location	Hawke's Bay, Tairāwhiti and Regional Learning Centres
--------	--------------------	------------	------------------	----------	-------------------------------------------------------

* July intake available in Tairāwhiti. August intake available in Hawke's Bay.

FREE NZ Certificate in Foundation Skills (Automotive and Engineering) [Level 2]

This programme is aimed at preparing you for further study in the automotive and/or engineering industry.

The focus is on project-based learning which is practical and hands-on but also includes some theory so you develop knowledge as well as skills. During the practicals you will learn the skills that are needed to carry out real workplace tasks and to prepare yourself for further study and a career in this exciting industry.

Length	19 weeks full-time	Start Date	February and July	Location	Hawke's Bay
--------	--------------------	------------	-------------------	----------	-------------

APPRENTICESHIP PROGRAMMES*

* To be accepted into one of the Apprenticeship Programmes, applicants need to be currently working in the industry.

NZ Certificate in Light Automotive Engineering [Level 4]

The NZ Certificate in Light Automotive Engineering [Level 4] is a nationally recognised qualification with 14 courses (200 credits).

Night school and block courses are delivered at EIT Hawke's Bay and Tairāwhiti as part of the programme. These are designed for the apprentice to complete work that they cannot fulfill at their place of employment eg. High Risk Automotive Systems.

Length	3 years part-time	Start Date	Open enrolment	Location	Hawke's Bay and Tairāwhiti
--------	-------------------	------------	----------------	----------	----------------------------

NZ Certificate in Heavy Automotive Engineering (Road Transport, Plant and Equipment Strands) [Level 4]

NZ Certificate in Heavy Automotive Engineering – Road Transport, Plant and Equipment Strands Level 4 is a nationally recognised qualification with 16 courses (240 credits). The expectation is that the apprentice will complete 60 – 70 credits per year and 4 – 5 courses per year.

Night school and block courses are delivered at EIT Hawke's Bay and Tairāwhiti as part of the programme. These are designed for the apprentice to complete work that they cannot fulfill at their place of employment eg. Electronic Brake and Stability Control Systems.

Length	4 years part-time	Start Date	Open enrolment	Location	Hawke's Bay and Tairāwhiti
--------	-------------------	------------	----------------	----------	----------------------------

NZ Certificate in Automotive Electrical Engineering [Level 4]

The New Zealand Certificate in Automotive Electrical Engineering Level 4 is a nationally recognised qualification with 12 courses (190 credits). Night school and block courses are delivered in EIT Hawke's Bay and Tairāwhiti as part of the programme. These are designed for the apprentice to complete work that they cannot fulfill at their place of employment eg. Diesel/Petrol Fuel and Emission Control Systems or High Voltage Systems.

Length	3.5 years full-time	Start Date	Open enrolment	Location	Hawke's Bay and Tairāwhiti
--------	---------------------	------------	----------------	----------	----------------------------

NZ Certificate in Carpentry [Level 4]

This programme guides you through your apprenticeship. It combines the best aspects of on-the-job training with night classes to ensure that you achieve the skills and qualifications desired by industry. An added advantage is you can earn while you learn.

You can enter direct from the workforce with the recommendation of the builder who is to be your employer.

You need to have full physical mobility to meet the demands of construction site work.

Length	3.5 years full-time	Start Date	Open enrolment	Location	Hawke's Bay and Tairāwhiti
--------	---------------------	------------	----------------	----------	----------------------------

TOURISM AND TRAVEL

Te Kura Kaupapa Tāpoi, Ringa Hora

To find out more check out tourism.eit.ac.nz

By studying with EIT you can take a big step towards working in one of the world's biggest industries. If you love tourism, and want to help others explore our beautiful country, then study for a qualification that can really take you places.

Purpose-built facilities and close links with industry partners provide you with hands-on experience in a work environment.

YOUR CAREER OPPORTUNITIES

Graduates can gain employment in the exciting world of tourism in a variety of roles.

These could be as a travel consultant, iSite employee, flight attendant, attractions guide, tour guide, airline ground staff or hotel reception.

DIPLOMA

NZ Diploma in Tourism and Travel

Upon completion of this diploma you'll be able to assist in the delivery of a quality visitor experience in a tour group company, an airport or within many other areas of the tourism industry.

The programme includes an overnight study tour, work experience, and the theoretical knowledge required for a bar manager's certificate.

Length	1 year full-time	Start Date	February	Location	Hawke's Bay
--------	------------------	------------	----------	----------	-------------

CERTIFICATES

NZ Certificate in Tourism [Level 4]

Kick things off with this certificate and you'll be preparing yourself for a career that will really take you places as you enter the exciting world of tourism. The certificate also includes first aid training.

VETERINARY NURSING

Te Whare Tiaki Kararehe

To find out more check out vetnursing.eit.ac.nz

Are you passionate about the care and welfare of animals?

Here's your chance to learn about this exciting world: from animal husbandry to anatomy and first aid.

Plus, you will be responsible for the animal residents of EIT's animal facility.

You will gain the skills necessary to assist veterinarians or help manage an animal facility.

YOUR CAREER OPPORTUNITIES

You could work with animals in a veterinary practice, animal facility, laboratory or animal hospital.

You could also go on to earn a further qualification in veterinary nursing or science.

DEGREE

Bachelor of Veterinary Nursing

Become a degree-qualified veterinary nurse with our Bachelor of Veterinary Nursing (BVN). Graduates of the BVN will place animal welfare at the forefront of every veterinary nursing task and procedure, basing their practice on contemporary evidence and extensive theoretical knowledge. Applicants with a NZ Diploma in Veterinary Nursing may enter the degree in the third year of study and applicants with a NZ Certificate in Animal Technology may enter the degree in the second year of study.

Throughout your studies you will spend a total of 480 hours in veterinary clinics around New Zealand.

Length	3 years full-time*	Start Date	February	Location	Hawke's Bay (Blended and online delivery)
--------	--------------------	------------	----------	----------	-------------------------------------------

* Part-time study available.

DIPLOMA

NZ Diploma in Veterinary Nursing

Become an essential part of a veterinary team, clinic or hospital and provide surgical and medical veterinary nursing, manage services and perform diagnostic sampling and medical imaging. These skills will be gained through online delivery and via week-long block courses (1 each semester) in our purpose built simulation veterinary clinic.

You will also spend a total of 240 hours in veterinary clinics throughout New Zealand.

Length	1 year full-time*	Start Date	February	Location	Hawke's Bay (Blended and online delivery)
--------	-------------------	------------	----------	----------	-------------------------------------------

* Part-time study available.

CERTIFICATES

NZ Certificate in Animal Technology (Veterinary Nursing Assistant) [Level 5]

This qualification will prepare you to work in a veterinary-related field under the supervision and direction of a veterinarian or veterinary nurse. You will learn about animal husbandry and how to maintain animal health within a veterinary clinic, how to care for hospitalised animal patients, assist in surgery preparation and anaesthesia, and conduct routine diagnostic procedures.

You will complete a total of 240 hours of work experience in veterinary clinics, and set hours at EIT's animal facility.

Length	1 year full-time	Start Date	February	Location	Hawke's Bay
--------	------------------	------------	----------	----------	-------------

* Part-time study available.

NZ Certificate in Animal Management (Companion Animals) [Level 4]

Gain the skills required to work in the animal care and handling industry through hands-on practical training, animal theory and work experience placements. Graduates will be able to demonstrate knowledge of animal anatomy and physiology, animal husbandry, recognise the signs of ill-health, and apply first aid to companion animals.

You will complete 120 hours of work experience in animal facilities.

Length	1 year full-time*	Start Date	February	Location	Hawke's Bay
--------	-------------------	------------	----------	----------	-------------

* Part-time study available.

Hauora Pathway - NZ Certificate in Study and Career Preparation [Level 4]

The NZ Certificate in Study and Career Preparation (Pūtaiao | Science Pathway) Level 4 aims to provide you with an introduction to Science, giving you a broad understanding of key concepts and principles as well as the skills necessary to succeed at higher levels of tertiary study.

Length	19 weeks full-time*	Start Date	February and July**	Location	Hawke's Bay and Tairāwhiti
--------	---------------------	------------	---------------------	----------	----------------------------

* Part-time study available.

** February intake available in Hawke's Bay only. July intake available in both Hawke's Bay and Tairāwhiti.

VITICULTURE AND WINE SCIENCE

Te Kura Mātai Wāina

To find out more check out
wine.eit.ac.nz

Here's your chance to study viticulture and wine science in the heart of a premium New Zealand wine region.

You can choose from a range of grapegrowing and winemaking programmes to suit your individual needs.

You will learn from highly qualified and experienced lecturers, and gain invaluable experience at our superb teaching and research winery, vineyard, wine sensory and science laboratories.

As part of your programme you will be exposed to a wide range of commercial vineyards, winery operations and industry professionals, adding authentic learning opportunities to your study.

YOUR CAREER OPPORTUNITIES

EIT's strong connections with the local wine industry mean you'll be in a superb position to find employment once you graduate.

Our programmes have an excellent global reputation, providing further opportunities to work in some of the world's great wine regions.

POSTGRADUATE PROGRAMMES

Master of Wine Business and Innovation, Postgraduate Diploma and Postgraduate Certificate in Wine Business and Innovation

This exciting new qualification is designed to apply an advanced and broad body of knowledge to your existing industry experience, and to provide you with the skills needed to keep your knowledge current. It combines a masters, postgraduate diploma and postgraduate certificate into a flexible, multi-layered programme designed to provide study options, extend your knowledge, deepen your understanding, and consolidate your future at the forefront of wine business management. It will cover issues of sustainability, technology, entrepreneurship and global wine marketing, and draw on the strengths of both the School of Viticulture and Wine Science and the School of Business.

Whichever path you take, the programme will develop your critical thinking skills and your ability to lead and influence decision-making in wine businesses both in New Zealand and overseas. It's our business to help you study, so flexible options mean you'll be able to study part-time or full-time towards this qualification, as you work around other commitments such as your current employment and family.

Length	6 to 24 months full-time depending upon qualification chosen	Start Date	January and July	Location	Hawke's Bay or by distance learning
--------	--------------------------------------------------------------	------------	------------------	----------	-------------------------------------

GRADUATE DIPLOMA

Graduate Diploma in Wine Science or Graduate Diploma in Viticulture Science

If you already have a degree, these graduate diplomas will allow you to fast track into a viticulture or wine specialisation.

They are suitable if you are working in the winegrowing industry and wish to increase your skills and knowledge to further your career or if you want to fast track a career shift into the wine industry.

The programmes emphasise the specific scientific and technical aspects of grapegrowing and winemaking and can be studied either on campus or online. EIT offers the only distance learning graduate diplomas in viticulture and oenology in New Zealand.

To enrol in this programme you need to have a three year degree or equivalent qualification, or be able to demonstrate significant work experience in the wine industry.

Length	1 year full-time*	Start Date	February	Location	Hawke's Bay
--------	-------------------	------------	----------	----------	-------------

* Available 2 years part-time (distance).

DEGREE

Bachelor of Viticulture and Wine Science

This is an exciting growth period for the vibrant New Zealand wine industry and great wines cannot be produced without the skills and knowledge of top viticulturalists, winemakers and managers.

Study the science of viticulture and winemaking (oenology) in New Zealand's most diverse premium wine growing region. In this programme you will learn about grape varieties, the environments they are best suited to plus the science and art involved in turning wine grapes into one of New Zealand's most famous exports. The degree covers specialist technical, scientific, and business skills necessary for working in the wine industry. The latest research, industry technology and relevant issues related to sustainability are key topics. You will gain hands-on experience in our campus vineyard, purpose-built winery and science laboratory facilities, as well as complete vineyard work experience, a commercial vintage and a research project in tandem with the winegrowing industry.

You must be 18 years of age or over on the 1st February of the year you begin this programme. If you are under 18, you may be provisionally accepted into the programme but will be restricted in the courses in which you can enrol before you turn 18 years of age.

Length	3 years full-time on-campus*	Start Date	February and July	Location	Hawke's Bay
--------	------------------------------	------------	-------------------	----------	-------------

* Or 6 years part-time by distance learning.

Elise Picot | Bachelor of Viticulture and Bachelor of Wine Science Concurrent Degree Graduate (Hawke's Bay Campus)

CERTIFICATES

FREE NZ Certificate in Viticulture [Level 4]

This qualification's official name is the NZ Certificate in Horticulture Production (Fruit Production) [Level 4]

If you are an experienced worker in the Viticulture industry, or are capable of transferring your prior skills and knowledge and want to progress to being able to supervise operations in viticultural production then this qualification is for you.

You will benefit by having a qualification within a training pathway that recognises progression through the industry, as well as increased skills and knowledge acquisition to enable improved job performance.

Length	15 months part-time	Start Date	May and September	Location	Hawke's Bay
--------	---------------------	------------	-------------------	----------	-------------

FREE NZ Certificate in Cellar Operations [Level 3]

Do you want a taste of what it's like to work in a winery?

The NZ Certificate in Cellar Operations [Level 3] is an intensive programme covering the basics of winemaking and finishing procedures during a winery harvest, and working in a cellar team. The integrated practical work is run in tandem with Hawke's Bay wineries. This course includes a paid cellar vintage.

This course is suitable for those with no previous experience or winery workers with some experience but no formal qualifications in the cellar operations area. Final entry by interviews with EIT and industry held in late November.

You must be 18 years of age when you begin this programme.

Length	6 months part-time*	Start Date	Mid January	Location	Hawke's Bay
--------	---------------------	------------	-------------	----------	-------------

* With work experience incorporating a full vintage in a winery.

POSTGRADUATE STUDY AT EIT

MAKE
YOUR NEXT
MOVE

ADVANCE YOUR KNOWLEDGE

EIT's commitment to education doesn't end at graduation; we offer a range of postgraduate options in Business, Arts, Māori, Computing, Nursing, Health Sciences, Teaching and Social Sciences.

EIT's postgraduate programmes develop advanced knowledge and critical thinking. With a strong applied, real-life focus students have the opportunity to gain the skills today's employers demand.

Whether you are a NZ-based student looking to upskill through part-time study, or an international student looking for full-time study toward a further qualification, EIT has a postgraduate programme for you. You'll be supported by experienced research-active lecturers, to demonstrate the skills you need to enhance your basket of knowledge.
