Household Targeting Questionnaire – No Lean Season

Read out loud:

My name is [YOUR NAME] and I am working with RDRS Bangladesh. I am conducting a survey to collect basic information about people in this area. I would like to talk to a working member of your household for a maximum of 15 minutes. Note that all the information collected will be treated as strictly confidential. You have the right to decline to answer any question and to stop the interview at any time. You will not receive any immediate compensation from answering the questions, however the information collected will help RDRS empower the rural poor in the region.

Please administer the survey to at least one of the working members in the household (or to the person most knowledgeable about working members). Working members are those that participate in the labor market for wage labor or work/manage their own enterprise (e.g. farm, shop, cottage industry, etc). If you can't find the working member or someone most knowledgeable about the working members, talk to the household's closest neighbor/relative to fill in until the Question # 8, write the "Household Number" on either the main entrance gate or wall of the house, move to the next household and then come back to the incomplete household after sometimes.
