“ABEST21 Mission Statement”

“We believe that there are many areas where we can explore and interact in the interest of international cooperation in the XXI century. We will advance management education for nurturing management professionals on a global basis by encouraging the mutually beneficial collaboration among member institutions. We, therefore, have come to the conclusion that we shall use our efforts to establish THE ALLIANCE ON BUSINESS EDUCATION AND SCHOLARSHIP FOR TOMORROW, a 21st century organization.”

The mission of ABEST21 is to advance education in business schools on a global basis by encouraging the mutual cooperation among its member institutions. The mission can be accomplished through the following goals:

1. Sharing the information on curricular and teaching materials between the member institutions.
2. Promoting joint research projects, joint courses, international symposium and global classroom opportunities.
3. Providing advice and coordination for the member institutions in the research activities and encouraging the members to continually strive to advance the global business education.
4. Facilitating the continuous improvement of the business education through accreditation.
