IMDb Announces Top 10 Movies and Series of 2022

IMDbPro data on the page views of the hundreds of millions of IMDb customers shows
The Batman *is the top movie of 2022;* Stranger Things *nabs the top spot for TV and streaming series*

SEATTLE—December 12, 2022—IMDb (www.imdb.com), the world's most popular and authoritative source for movie, TV, and celebrity content, today unveiled the Top 10 Movies and Series of 2022. Rather than base its annual rankings on small statistical samplings or reviews from professional critics, IMDb determines its list of the most popular movies and TV series by the actual page views of the more than 200 million monthly visitors to IMDb. This exclusive and definitive data is derived from the IMDbPro movie and TV rankings, which are updated weekly throughout the year.
