36th Annual PSI Conference today!

With great excitement we announce the call for annual meeting submissions for the 36th Annual PSI Conference. Due to the professional diversity of PSI membership and conference attendees, we welcome presentations with scientific data as well as those addressing clinical expertise or community projects. PSI will hold a 2-Day Pre-Conference Certificate Course on June 28 & 29, 2023 and the main PSI Conference will be June 30 - July 2, 2023.
