

The following nutrition information is calculated utilizing a combination of internal nutritional analysis and independent laboratory analysis. An effort to provide complete and current nutrition information, however, due to the handcrafted nature of our menu items, differences due to ingredients, ingredient substitutions and kitchen procedures may cause variations from these values to occur. Therefore, the values shown here should be considered approximations. A 2,000 calorie daily diet is used for general nutrition advice but calorie needs vary.

Dinner menu calories are based on 1 portion of a Buca Small® (Pizza & Bread are based per slice)
