

Notice of Updates to the 1Password Subprocessor List

This is a service announcement to update you about changes to the 1Password subprocessor list, in compliance with the GDPR.

We have updated the list of third-party service providers who are subprocessors of 1Password data as follows:

Service Provider/Subprocessor	Processing they perform
May 28, 2018 update:	
Amazon Web Services	Data hosting and data storage
Pipedrive	Client relationship management
Cerberus	Customer support system
May 11, 2020 update:	
Pandadoc	Customer invoicing
Salesforce	Sales productivity platform
Gong	Customer
Front	Customer relationship management

Reviewed and updated as of July 30, 2021.
