Dear Dr. Nemko:

This evening the Foundation Board voted unanimously to withdraw the current Countywide Benefit Charter Petition from NCOE's consideration. Given the issues voiced by the NCOE Board, and the Foundation's decision not to pursue a partnership with Pacific Union College, the Petition as drafted could no longer meet its intended purpose.

We continue to believe in the mission and vision of a charter school to benefit all students in Napa County, and are going to take some time to regroup. In the interim, please thank the members of the NCOE Board for their consideration, and the members of the NCOE staff for their hard work and dedication to their craft.

We appreciate everything you've done for our school. Kind Regards,

Jolene, Lauren and the Foundation Board
