

DO YOU WANT TO HELP *Black Mothers?*

Researchers want to help increase competent mental healthcare for postpartum Black mothers.

What Will Participants Have to Do?

Take two questionnaires that assess postpartum mental health and your birthing experience. Your results are anonymous.

You also have a chance to enter a raffle to win a \$25 gift card!

You may be able to participate if you:

- Are a cisgender woman (assigned female at birth and identify with that sex)
- Identify as Black/African American
- Are United States citizen
- Are at least 18 years of age
- Had a live birth within the previous 12 months
- Do not know either researcher personally
