2. A registration box will appear; respond to the required fields and choose a password.
3. Indicate your acceptance of the End User License Agreement and the Privacy Policy and click **Create My Account**.
4. **Important!** After you complete the registration, you will receive an email from the site asking you to confirm your registration. *Click on the link in the email within 24 hours.* (If you do not receive this email, check your spam folder.)

Q: I am an ACOG Fellow—Are there other ways to access *Obstetrics & Gynecology*?

A: We’ve updated the login experience for members as of January 17, 2019!

Now you can log in to either www.acog.org or www.greenjournal.org and move freely between both sites! Single sign-on allows you to log in to GreenJournal.org with the same email address and password that you use to access ACOG.org. The benefit of single sign-on is that you have a better online reading experience and increased security, while reducing the need to remember multiple passwords.

Visit GreenJournal.org and click “Login” at the top right-hand corner of the page. You will then see a new page that asks you to sign in to your ACOG account. Once you do this, you may be asked to “Pair Accounts.” This allows ACOG to validate your identity and enables the *Obstetrics & Gynecology* website to authenticate your ACOG membership. From then on, you will have full access to the journal’s website.
